Thursday's Program

January 19 – Rational Alignment

We meet via Zoom this week. Cindy Finch, Clinical Therapist, will present on Rational Alignment at Home and in the Workplace. Given the state of the world

these days, we could all do with a bit more of the rational and a bit less of the irrational. Some of us could also use some work/life balance given the tendency of Rotarians to want to help everyone with everything. Sound good? Well, join us via Zoom on Thursday and learn about Rational Alignment.

Looking Ahead

January 26 – Dutch Lunch

We have no meeting next week. Instead, it's a Dutch Lunch Social. What's a Dutch Lunch you ask? At a Dutch Lunch, each person pays for his or her own meal. So, invite a club member to lunch. It's a great way to get to know your fellow Rotarians.

Students of the Month

Fallbrook Union Elementary School District

We recognized the FUESD Students of the Month at last week's meeting. Eighth grader Ian Valdez from

San Onofre School and seventh grader Samantha Mejia from Fallbrook Virtual Academy joined us for lunch. Both students shared a bit about themselves, and we were quite impressed with these youngsters!

Honoring Our Own

Paul Harris Fellows

We recognized Patty Sargent and Teresa Mendelson for their commitment to Rotary as Paul Harris Fellows at last week's meeting. Teresa is a Paul Harris times 4!

Major Donor

We also honored Jan O'Leary with her recognition as a Major Donor. Jan is an honorary member of our club. Rotary recognizes those whose combined giving has reached \$10,000 as Major Donors.

Quote of the Week
