

### Thursday's Program

#### President's Vision & Goals

We meet at Grand Tradition this week. We'll be hearing from our freshly-minted club president, **Kimberly Huesing**. Join us on Thursday as Kimberly presents her vision and goals for the year to come. Let's have a great turnout so we can support

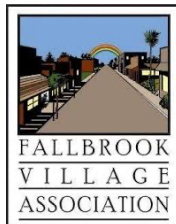

Kimberly and set out on another great year for the Rotary Club of Fallbrook!

### Looking Ahead

#### Fallbrook Village Association

We will meet via Zoom next week.

**Roy Moosa** will give us an update of the work of the **Fallbrook Village Association**. The association's mission is to promote and support the economic, physical, and cultural revitalization of the Fallbrook area. It was formed in 1993 by San Diego County, at the request of the Fallbrook Revitalization Council, to develop and implement revitalization programs. We'll also hear some highlights from the **Rotary International Convention** in Calgary, Alberta Canada from attendees like Jim Mendelson and Steve Jones.

### Serving Our Community

#### Celebrating in Style!

Thanks to everyone who helped to make our club's Independence Day events such a great success.

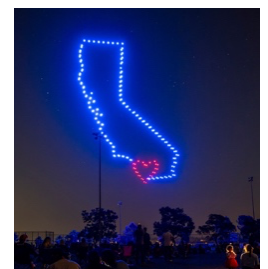

We served 378 people at our 5th annual **Pancake Breakfast**, a 10% increase over last year and a terrific increase from the 210 we served at our first outing back in 2021. The **Dog Show** was a highlight of the morning and a real

crowd pleaser. Our evening **Celebration and Drone Show** lit up the sky, and community members enjoyed live music and plenty of fun for the kids. Both events provided members of the Fallbrook community a chance to

celebrating in style, and our club raised funds for worthy organizations. Well done, all!
