Thursday's Program

President's Vision & Goals

We meet at Grand Tradition this week. We'll be hearing from our new-ish club president, **Dale Mitchell**. Join us on Thursday as Dale presents his vision and goals for the year to come. Rumor has it that Dale has done this

before, so he's probably got it all figured out. Or he's really good at faking it. Either way, let's have a big turnout so we can support Dale and set out on another great year for the Rotary Club of Fallbrook!

Looking Ahead

Next Week – Miss Fallbrook Pageant

We are back at Grand Tradition next week. Our club is now supporting the **Miss Fallbrook and Miss Teen Fallbrook Pageant**. At next week's meeting, we'll hear all about the pageant from Rotarian Sherri Trombetta, who joined us from the Fallbrook Village Rotary. The meeting will include a **Meet and Greet** with the contestants. This will be a time during which Rotarians can get to know the contestants, hear about their plans and goals, and choose to sponsor a contestant.

Demoting Kimberly

Give me a K...

We kicked President **Kimberly Huesing** to the curb on June 25. We celebrated her love of Diet Coke, Swedish Fish, candy corn, denim, and pumps. We reveled at her ability to pose any size group in a photo and her seemingly endless supply of positivity. But mostly we appreciated her leadership and commitment to our club and to the students of Fallbrook. It was a wonderful evening at Grand

Tradition, and the event included the passing of the gavel, which required some logistics among our past presidents before it got to incoming President Dale Mitchell. Check out our club website for photos of the event.

Rotarian of the Year

Way to go, Rita!

At the demotion party, **Rita Burke** was honored as our club's **Rotarian of the Year**. Rita has been an all-star serving as our club's Treasurer. Club members may not realize how much time and energy it takes to stay on top of our finances. It's an important and complex role which Rita handles with grace and dedication. Congratulations, Rita!

Quote of the Week

No man ever steps in the same river twice, for it's not the same river and he's not the same man.
