Thursday's Program

Center for Senior Wellbeing

We are back at Grand Tradition this week. Our own **Perla Hurtado** and **Joanna Costello** will be the guest speakers. They will tell us all about the work of the **Center for Senior Wellbeing**. The Center was created through the merger of the Foundation for Senior Care and the Fallbrook Senior Center, combining the strengths and services of both agencies. They say you're as old as you feel, and Rotarians are famous for feeling fabulous, or at least young at heart. The folks at the **Center for Senior Wellbeing** are there to help keep us feeling that way for many years to come.

Looking Ahead

Next Week – Model U.N.

Next week we will be Zooming along online. We will hear from Fallbrook High School students who will present their **Model U.N.** resolutions. The Model U.N. program is a partnership between the Rotary District 5340 Pathways to Peace Committee and students from San Diego County and Baja California. Model United Nations student delegates engage in major world issues and learn how to peacefully resolve conflicts and reach consensus. Join us to hear how these talented students resolve important issues.

Students of the Year

Fallbrook Union High School District

At last week's meeting we met the two members of the Fallbrook High Junior Class who were being recognized as **Students of the Year**. We got to hear from **Mia Tarango** and **John Glain** who are both members of the Fallbrook High School Marine Corps Junior Reserve Officer Training Corps (MCJROTC). We also met their award-winning instructors, **CW03 Thomas Smith (RET)** and **1st Sgt Michael Stout (RET)**. It was an honor to welcome these students and their instructors and celebrate their successes.

Our Newest Blue Badge Member

Erin Johnson

We got to celebrate the addition of another Blue Badge Member last week. **Erin Johnson** completed the requirements needed to retire that old red badge. **Steve Jones**, our outstanding Membership Director, presented Erin with her shiny new blue badge.

Club Leadership Learning Seminar

Saturday, March 28

The **2026 Club Leadership Learning Seminar** (formerly called the District Training Assembly) is coming up soon. This is a great opportunity for club members to learn about projects, programs, and best practices and to network with other Rotarians. The event will be held at **Liberty Station in San Diego**. You can register online at the District 5340 website.
