Thursday's Program

Global Grant and Model UN

This week we will be Zooming along online. **Tina Langham-Smith** will report on the Global Grant for a Regenerative Learning Center in Ghana. We will also hear from Fallbrook High students who will present their **Model U.N.** resolutions. The Model U.N. program is a partnership between the Rotary District 5340 Pathways to Peace Committee and students from San Diego County and Baja California. Model United Nations student delegates engage in major world issues and learn how to peacefully resolve conflicts and reach consensus.

Students of the Month

Fallbrook Union Elementary School District

At last week's meeting we got to hear from two William H. Frazier Elementary School students who were being recognized as Students of the Month. Principal Arica Rainey introduced sixth graders **Sofia Lozano** and **Liam Nair** who joined us for lunch. Each of the students took the microphone and told us a bit

about themselves and their goals. We always enjoy hearing from these bright young future leaders. Way to go, Sofia and Liam!

District Training Assembly

Saturday, March 29

The **2025 District Training Assembly (DTA)** is coming up next week. This annual event is an opportunity for club members, new and old, to learn about projects, programs, and best practices. This is a great chance to learn about Rotary and network with other Rotarians. The event will be held at **Liberty Station** in San Diego. Onsite registration is from 7:30 to 8:30 AM. Opening session is from 8:30 to 9:00 AM, and DTA sessions run from 9:00 AM to noon.

Quote of the Week

But just as they did in Philadelphia when they were writing the constitution, sooner or later, you've got to compromise. You've got to start making the compromises that arrive at a consensus and move the country forward.
