

### Thursday's Program

#### Fallbrook Water Update

We are back at Grand Tradition this week. Our speaker will be **Jack Bebee**. Jack is the General Manger of the **Fallbrook Public Utility District**, or as we all affectionately call it **FPUD**. Incorporated in 1922, the District was formed to provide water to the community of

Fallbrook but now also treats sewage and provides recycled water.

FPUD delivers water to some 35,000 people over a 28,000 square acre service area. The water quality surpasses all federal, state, and local water quality standards. So drink up and stay hydrated! Your body will thank you.

### Looking Ahead

#### Next Week – Center for Senior Wellbeing

We are at Grand Tradition again next week. Rotarians **Perla Hurtado** and **Joanna Costello** will be filling us in on the work of the **Center**

**for Senior Wellbeing**. Never heard of it you say? Well, the Center for Senior Wellbeing was created through

the merger of the Foundation for Senior Care and the Fallbrook Senior Center, combining the strengths and services of both agencies. The Center provides a unified hub for care support, wellness programs, social connection, and essential services designed to help seniors thrive.

### Upcoming Events

- March 5..... Club Meeting at Grand Tradition
- March 12..... Club Meeting at Grand Tradition
- March 19..... Club Meeting via Zoom
- March 21..... Adopt-a-Highway Cleanup
- March 25..... Neighborhood Food Distribution
- March 26..... Dutch Lunch

### Looking Good for Our Age

#### Our 80<sup>th</sup> Anniversary

We celebrated in style on February 19. Our club was founded on February 19, 1946 making that day our club's **80th anniversary**. We welcomed past presidents, recognized our Paul Harris Fellows, and District 5340 Governor Luis Carranza joined us to offer his congratulation. From those first 29 charter members

who held their banquet at the old high school, to our

club's current diverse and talented membership, we've grown and thrived. At the meeting our speakers shared club history and reminded us of the accomplishments through which we make our club motto, Service Above Self, a reality. Check our our club website for lots of

photos and the program from the event, which includes a list of all of our presidents. Here's to 80 years, and another 80 years to come!

### Quote of the Week

Clean water, the essence of life and a birthright for everyone, must become available to all people now.

Jean-Michel Cousteau
