Thursday's Program

North County Fire Update

We're back at Grand Tradition this week. **Keith McReynolds** from **North County Fire Protection District** will update us on the work of the District. NCPDF provides a variety of response services including fire suppression, emergency medical services, ambulance transportation, hazardous materials response, and public assistance. There are five fire stations located throughout our community. NCPDF's mission is to serve and exceed our community's expectations through preparedness, response, and recovery.

Looking Ahead

We're dark next week, but...

We're are dark next week so no Thursday meeting, but if you're looking for some fun come on out to the **59th Annual Fallbrook Vintage Car Show on Sunday, May 24**. This will be the third year the show is held in downtown Fallbrook right on Main Avenue. There will be over 450 vehicles on display. You'll see pre-war classics, customs, muscle cars, rat rods, and even antique fire engines. The show is open to the public from 10:00 AM to 3:00 PM. Admission is free, and there's a DJ, live entertainment, and food vendors.

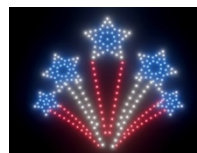

Upcoming Events

Serving Our Community

July 4th Celebrations

Once again this year, our club is working hard to make July 4th in Fallbrook a day to remember. We'll start that morning with our annual **Pancake Breakfast at the Fallbrook Community Center**. Hoping to build on last year's success, plans are underway for an expanded **Drone Light Show at Ingold Sports Park** that evening. It's a family-friendly event which includes food trucks, live music, a beer garden, and kids' games and activities. The evening culminates with a patriotic drone show which lights up the sky! But **donations and sponsors are needed** to get those drones flying. For information contact Joanna Costello at:

Save the Date

June 24 – Demotion Party!

Next month is June and you know what that means. That's right, on June 6 we celebrate National Yo-Yo Day! Oh, and we hold a **demotion party** for our outgoing president in June.

Save the date, because on **Thursday, June 24**, we will be demoting **Kimberly Huesing**. This is extra special because we're not demoting someone we've already demoted a few times. In the past, people we tried to demote keep turning up. For Kimberly's sake we're really going to try to make it stick this time. What will we be doing that night? No idea, but something will come to us. Put a big "X" on the calendar for June 24 and watch your email for details in the coming weeks.

Quote of the Week

When tempted to fight fire with fire, remember that firefighters usually use water.
