

Thursday's Program

Homeless Challenges

We are back meeting at Grand Tradition this week. Our guest speaker is **Brad Fox**. Brad is a retired middle school science teacher who works with **Fallbrook Homeless Advocacy**. Fallbrook Homeless Advocacy is a local group that is working toward the common good for Fallbrook Village citizens, housed or otherwise. They seek to enhance dignity, build capacity, and establish relationship among all of us.

Looking Ahead

Next Week – Project Mercy

We will meet via Zoom next week. **Paula Clauson**, will present on **Project Mercy**. Project Mercy is a 501-C (3) non-profit agency based in San Diego. The mission of Project Mercy is to build solid and secure houses and improve the quality of life for impoverished families in Mexico. Their goal is the improvement of basic living standards for families who live in conditions precarious to their health in the shantytowns of the colonias east of Tijuana, Mexico.

Students of the Year

Fallbrook Union Elementary School District

At our meeting on April 23, we met the two **Potter Junior High School** students who were being recognized as **Students of the Year**. We got to hear from **Samuel Pully** and **Ximena Palomino** who joined us for lunch and told us about themselves and their goals. With students like Samuel and Ximena, the future is looking bright here in Fallbrook!

Honoring Our Own

Celebrations and Recognitions

At that meeting on April 23, we also welcomed **Sherri Trombette** as our newest **Blue Badge Member**. Sherri was a member of the Fallbrook Village Rotary Club and has now officially joined our club. She is well known for her tireless work with the Miss Fallbrook program and is a welcome addition to our club.

And one of our members (can't quite remember his name) was honored for achieving the recognition level seven in the **Paul Harris Society**. Our club has a long-standing tradition of supporting the Foundation and its work to advance world understanding, goodwill, and peace by improving health, providing quality education, improving the environment, and alleviating poverty.

Quote of the Week

People who are homeless are not social inadequates. They are people without homes.
