CREATE LASTING IMPACT

Thursday's Program

Veterans Day

We meet at Grand Tradition again this week. This meeting will be our celebration of **Veterans Day**.

Remember that we will have many special guests, and the program will be longer than normal and include the cutting of a cake honoring our veterans. The meeting will begin with **lunch at 11:30 AM** and the **program will start at about noon**. We must finish up and clear the room in a timely manner, as there is a wedding booked for later that day.

Looking Ahead

Next Week – Shelter to Soldiers

We meet via Zoom next week. Our guest speaker, **Kyrie Bloem**, will tell us about **Shelter to Soldier**.

Shelter to Soldier is dedicated to rescuing dogs from shelters and preparing them for lives of purpose, service, and companionship. They pair highly-trained rescue dogs with post-9/11 veterans facing challenges. Their programs and educational services extend the healing power of the human-animal bond, creating connections that foster resilience, improve quality of life, strengthen families, and provide renewed purpose for both the people and dogs they serve.

Students of the Month

Fallbrook Union High School District

We got to honor two Fallbrook High freshman at last week's meeting. **Kimberly Zamudio Nava** and **Xavi Montillo** joined us and were recognized as **Students of the Month**. In addition to being top students, Kimberly and Xavi are in the duel immersion program and will be candidates for California's **State Seal of Biliteracy** when they graduate. That recognition, marked by a gold seal on the diploma or transcript, recognizes high school graduates who have attained a high level of proficiency in speaking, reading, and writing one or more languages in addition to English. ¡Bien hecho, Kimberly and Xavi!

Honoring Our Own

Paul Harris Society

Last week we also recognized **Tina Langham-Smith**

for achieving recognition **level eight** in the **Paul Harris Society**. Our club has a long-standing tradition of supporting **The Rotary Foundation** and its work to advance world understanding, goodwill, and peace by improving health, providing quality education, improving the environment, and alleviating poverty. Thank you, Tina, for your ongoing support of the foundation.

Quote of the Week

The willingness with which our young people are likely to serve in any war, no matter how justified, shall be directly proportional to how they perceive the veterans of earlier wars were treated and appreciated by their nation.
