

Thursday's Program

Kenya Water Project

We meet via Zoom this week. Our guest speaker will be **Shurie Scheel**. Shurie is from the Thermopolis, WY Rotary Club. She'll speak about a water project underway in Kenya. Clean water is essential for human health, preventing diseases like cholera and typhoid, and for basic functions like hydration and digestion. It is also vital for environmental sustainability, supporting ecosystems, and for economic prosperity. Be sure join us on Thursday.

Service Above Self

I Love a Parade

There is no meeting next week. It's Thanksgiving, so we'll be filling up on turkey and zoning out on tryptophan. But in a few weeks you can lend a hand and be part of a Fallbrook tradition. The **44th Annual Fallbrook Christmas Parade** is on **Saturday, December 6**. It's a fun event and the whole town turns out to enjoy the evening. It takes a village to pull this one off, so **the Chamber of Commerce is looking for volunteers to help stage the parade**. The parade begins at 5:00 PM, staging begins at 3:00 PM. Contact Dale if you can help.

A Packed Agenda

Celebrations and Recognitions

Our club meeting on November 13 was chock full of celebrations and recognitions! Many thanks to **Tom Buscemi** for organizing the club's celebration of **Veterans Day**. **Rita Burke** read a letter from her father written during his service in WWII. We then heard a presentation by **Sergeant Sheena Adams (Ret.)** about her participation with the USMC Female Engagement Teams' (FET) Afghanistan deployment.

We met the two **San Onofre School** students who were being recognized as **Students of the Year**. Seventh grader **Daisy Kelleher** and sixth grader **Corbin**

Westlund joined us for lunch and told us about themselves, their school work, and their goals. We welcomed **Danny Nudelman** as our **newest red badge member**. Danny has visited with us and this time officially joined the club. And finally, **Budd Sutliff** was honored for achieving the recognition level eight

in the **Paul Harris Society**. We know how much Budd does for our club, but he is also a generous supported of The Rotary Foundation. Yay, Budd!
