Thursday's Program

Zooming Along

We meet via Zoom this week. You can join our Zoom meetings on your phone, tablet, or computer (laptop or desktop). The Zoom application is a free download. You can also join using your web browser, but the features are limited. The email Dale sends out on Thursday will have a link you can click to join the meeting. Be sure you are not muted and that your video is on so we can see your smiling face and hear your charming voice.

Rotary will join us for pizza, salad, and a cash bar. Be sure to RSVP to **Budd Sutliff**, our Club Service Director, so the restaurant can plan accordingly. Budd's phone is 760-822-2600 or drop him an email at: buddsutliff@aol.com

Students of the Year

Fallbrook Union Elementary School District

It was **Mary Faye Pendleton School's** turn to showcase their students at last week's meeting. Seventh graders **Anaya Brown** and **Michael Carroll** were being recognized as **Students of the Year**. **Principal Brian Frost** introduced the students and then we got to hear from Anya and Michael who told us about themselves and their goals. Congratulations Anya and Michael, keep up the good work!
