Thursday's Program

Ivy and Oasis High Schools

We are back at Grand Tradition this week. Our guest speaker will be Lauren Gardiner, Principal of both Ivy and Oasis High Schools. FUHSD actually has three high schools: Fallbrook High School, Ivy High School (continuation) and Oasis High School (Independent Study). Ivy and Oasis provide students with high quality alternative educational opportunities.

Supporting Our Community

FUESD School Visits

We have a special activity on Oct. 26. Club members will have the opportunity to tour three school in the Fallbrook Union Elementary School District. If it's been a few years since you were in an elementary school, you'll be impressed by the curriculum and programs available to the students in our community. As an extra bonus you'll get to ride a school bus! That alone is worth the trip. The bus will depart promptly at 8:30 AM from the bus parking lot behind Fallbrook High School. After the tour, members will enjoy a Dutch Lunch at Z Café.

Service Above Self

Walk to End Polio

Mark your calendar and lace up those walking shoes. The 4th annual *Walk to End Polio* will be on October 22. Rotaractors and Rotarians will join forces to raise money to help end polio! Members will be completing the 3.5 mile/5 bridges walk starting in Balboa Park and ending with breakfast burritos and mimosas. All fitness levels are welcome! They have had Rotarians run, walk and even bike the course. The goal is to have 50 participants and raise \$1,000 as a District. Registration is \$40 (which includes those burritos and mimosas—such a deal). Registration closes on Oct. 18. Check out Upcoming Events on the District 5340 website for registration: <https://rotary5340.org>
