Thursday's Program

North County Fire Protection District

We are back at Grand Tradition this week. Our guest speaker will be our own **Eddie Jones**. Eddie is Captain with **North County Fire Protection District**. Eddie will be presenting on utility safety, with a focus on natural gas and propane. This

week's weather is a reminder that fire season is a real and present concern in our community. This is a timely topic for our meeting, so you don't want to miss it.

Service Above Self (with pizza)

Fundraiser to End Polio

Just a reminder that our club will hold a **Dutch Lunch Fundraiser to End Polio on Thursday, October 29, at Mountain Mike's Pizza**. Mountain Mike's will be donating 35% of proceeds to our fundraiser. Can't make the lunch? **Mountain Mike's will be donating to the fundraiser all day until 9:00 PM**, so you can grab pizza for dinner and still support ending polio. Be sure to let the staff know you are supporting the fundraiser when you order. Thanks to **Diana Wiggins**, our Community Service Director, for arranging this event.

Students of the Month

Fallbrook Union High School District

At last week's meeting, we met two sophmores who are **Students of the Month** for FUHSD. **Basil Goforth**

from **Oasis High** and **Alezandra Ramos** From **Fallbrook High** were reccognized. Basil joined us by video and Alezandra was with us in person. Lauren Jone, FHS principal, and Lauren Gardiner, Oasis

and Ivy HS principal, introduced the students, then the young ladies shared a bit about their shooll work

and extra curricular activites. It was clear that these are two impressive students with bright futures ahead of them!

Who Are You?

Welcome, Anita and Adam!

As is our tradition, two of our newest members

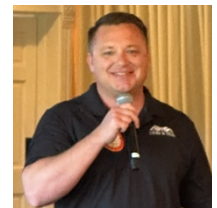

stepped up to the microphone for their "Who Am I?" talks last week.

Anita Gray and Adam Nogueira shared a bit about themselves to help us all get to know them better. It

turns out Anita has a significant history with Rotary, and Adam is learning what sleep deprivation feels like with a newborn at home.

Who knew? Seriously, they are great additions for our club and we are happy to have them join us!

Quote of the Week

I've always seen first responders as unsung heroes and very special people because, when everyone else is running away from danger, they run into it.
