Fallbrook Food Pantry & Rooted in Wellness

We are at Grand Tradition again this week. We will hear from **Dr. Sara Lypps** who will be speaking about the **Fallbrook Food Pantry** and **Rooted in Wellness**. The Fallbrook Food Pantry is a non-profit organization primarily staffed by volunteers. Its mission is to provide an adequate and nutritious supply of food to individuals in our community who are in need. Rooted in Wellness is a comprehensive evidence-based curriculum tailored for adults and youth, centered around horticulture, ecosystems, and daily life skills

Students of the Month

Fallbrook Union High School District

At last week's meeting we met the two Fallbrook High students who were being recognized as **Students of the Month**. We got to hear from **Marlee Muro** and **Jesus Perez** and learn a bit about their activities and hopes for the future. School is back in session, so we can once again welcome outstanding students and celebrate their successes.

Honoring Our Own

Recognition and Welcome

Longtime club member, **Gray Clark**, was named **Rotarians of the Month** at our last meeting. Gray was not able to join us, but we're happy to celebrate Gray for his ongoing contributions to our club.

We also welcomed **Anita Sue Gray** and **Adam Nogueira** as the **newest members** of the Rotary Club of Fallbrook. Adam was not with us, but Anita Sue received her blue badge. No Red Badge for Anita Sue, she's a retired Aerospace Program Manager who has been an active Rotarian. She has now transferred to our club. Welcome Anita Sue and Adam!
