Q9 How could Rotary 101 be improved?

Answered: 49 Skipped: 129

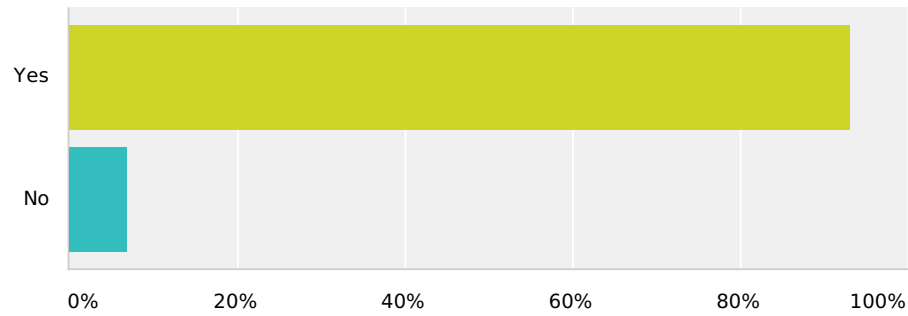

#	Responses	Date
1	The format should have been more formal. Too me it was like a game. A lot of information is needed to go out. More general information with how to find the resources that a president need to know as they try to digest the massive amount of information they are subjected to at a PETS conference.	3/16/2013 8:35 PM
2	More polished. Seemed a bit unorganized.	3/16/2013 4:13 PM
3	Hand offs between Julie and Phil were sometimes a little awkward, however overall they did a great job.	3/14/2013 1:50 PM
4	Continue this excellence	3/14/2013 1:19 PM
5	Needs better structure. The fill-in-the-blank activity was a disaster; you're not really listening if all you're listening for is key words.	3/13/2013 12:46 PM
6	everyone has the same forms :)	3/12/2013 10:06 AM
7	Give out printed information that was given verbally.	3/12/2013 8:45 AM
8	not sure it could	3/11/2013 5:43 PM
9	Anser Sheet for the Crossword Puzzle	3/11/2013 12:56 PM
10	Needs to be a lot more oraganized	3/11/2013 10:41 AM
11	Hmm...perhaps better introduction beforehand. But perhaps as a 1st timer, only.	3/11/2013 9:46 AM
12	don't get so caught up on specific dates	3/11/2013 9:18 AM
13	I would like to see a hand out or basic powerpoint put together with informaiton about the purpose, structure, programs of Rotary. SOMething that we could take back to our club and use as a new member orientation process. I think if people don't understand the big picture of Rotary and get invovled with the projects and mission...it just becomes a weekly social lunch club. One of my goals as President is to create a Rotary 101 orientation process for our new members.	3/11/2013 8:25 AM
14	I would have liked to see more on the Foundation and how Rotary functions today, not so much on history of Rotary.	3/11/2013 7:42 AM
15	Shorter and more concise	3/11/2013 7:34 AM
16	The ability to take more of the information away from the session without having to spend so much time taking notes, possibly an organized handout	3/11/2013 7:27 AM
17	They went on too long. Lost my attention when they started in with all the misc. dates, the glitch in the power. I should have been one hour shorter.	3/11/2013 6:28 AM
18	Use more graphics	3/10/2013 4:41 PM
19	would have like to have heard more specifics as opposed to general info.	3/10/2013 11:58 AM
20	For the time they had they did a great job	3/10/2013 11:22 AM
21	More information on how the finances of RI work. More information on global projects.	3/10/2013 10:49 AM
22	I don't know	3/10/2013 9:47 AM
23	Better sound	3/10/2013 7:14 AM
24	I couldn't think of anything else that would have made Rotary 101 any better. Great job!	3/9/2013 5:52 PM
25	Not sure.	3/9/2013 3:28 PM
26	Power point presentations need to be used more for getting ideas across.	3/9/2013 3:16 PM
27	I thought it was put together very nicely.	3/9/2013 2:01 PM
28	I attended both in 2012 and 2013. THeY were different but still good	3/9/2013 1:51 PM

29	Take time to review the crossword answers & spend a little more time on each one elaborating that way I think the information sticks better in the mind.	3/9/2013 1:23 PM
30	It was pretty good, altho it was like trying to take a drink of water from a fire hydrant.	3/9/2013 1:06 PM
31	I enjoyed it the way it was presented and got a lot of good information.	3/9/2013 1:04 PM
32	Make sure Phil knows the answers to the questions he asks. (He never did find out about the number of items in the much/often revised Object of Rotary.	3/9/2013 12:59 PM
33	More detail/meat to historical perspective. Would like to have org charts showing organization (RI, District & Clubs (current + our year). Like to see trends/charts presented showing membership (again RI, Districts & Clubs), contributions, grants, etc., etc. A case study or two highlighting Future Vision grant life cycle (i.e., club certification, MOU, submittal, approval process, award, supporting process paperwork, etc. and finally a summary of the challenges facing Rotary in 2013 going forward.	3/9/2013 12:57 PM
34	Give examples/stories of three or four very successful service projects that stand out globally, beyond Polio eradication. As a Rotarian I want to know and learn what others are doing.	3/9/2013 12:37 PM
35	Give it greater significance. It was great info but presented rather disjunctly.	3/9/2013 12:33 PM
36	Advise people potential attendees ahead of time that if you've been in Rotary for awhile or have held an executive position in your club, there is no need to attend.	3/9/2013 12:31 PM
37	Not sure.	3/9/2013 12:12 PM
38	More audio/visual aids	3/9/2013 11:57 AM
39	Perhaps visuals such as slide presentations to go along with what is being said. Also more time for question and answers relating to this topic and ideas presented to us that would enable the use of this information in our individual clubs as a learning session each week especially for a young club .	3/9/2013 11:43 AM
40	I have no specific ideas at the moment.	3/9/2013 11:35 AM
41	It's hard to meet the needs of such a large and diverse group. I think that you did a great job.	3/9/2013 11:25 AM
42	Mix the format a bit, we could use some classroom type stuff along with the play and "guess the answer". Most of the questions got answered by 1 guy in the front.	3/9/2013 11:19 AM
43	Leaders could have been a little sharper on answers to some of the questions they asked, but this wasn't a big problem	3/9/2013 11:16 AM
44	Less theatrics and more substance regarding the Rotary mission	3/9/2013 9:14 AM
45	It was great!!!!	3/9/2013 8:15 AM
46	4-Way test info could be presented	3/8/2013 8:13 PM
47	Keep it lively like it was this year.	3/8/2013 6:52 PM
48	Have a hand out/booklet of Rotary facts we can take back to club and share.	3/8/2013 6:11 PM
49	Maybe Q n A	3/8/2013 5:52 PM

Q23 What improvements would you suggest for the Panel Discussion format?

Answered: 69 Skipped: 109

#	Responses	Date
1	I would suggest that you change the format	3/17/2013 1:35 PM
2	Hard to say - audience seemed to move to areas of most interest for time allowed	3/15/2013 8:51 AM
3	Some panel members dominated discussion	3/14/2013 2:13 PM
4	continue because it is effective	3/14/2013 1:29 PM
5	no suggestions	3/14/2013 7:52 AM
6	Larger rooms!	3/14/2013 7:49 AM
7	More structure - prepared remarks. My groups took questions and mostly comments from the audience - dominated by a few people	3/14/2013 5:33 AM
8	At this point, both sessions were informative; the facilitators created a great balance between panelists, and group participants.	3/13/2013 9:04 PM
9	None	3/13/2013 2:29 PM
10	Convert them to group discussions. Ideas definitely picked up when a group discussion began during a panel session	3/13/2013 12:19 PM
11	Moderators should be more aware of their positions of not being on the Panel. Their opinions are good in an open forum with the rest of the audience. Either open it up beyond the panel...or not. (this only happened in my first Panel Discussion).	3/13/2013 10:42 AM
12	None for the panel itself. Had one particular, older Rotarian that kept going out the door and letting it bang shut	3/13/2013 5:19 AM
13	They lacked the spark the previous days sessions had. Although Koby did try an keep his moving.	3/12/2013 2:51 PM
14	MORE TIME I THINK MEMBERS LIKE TO HEAR FROM PANELISTS	3/12/2013 10:09 AM
15	There seemed to be some confusion about panel members, discussion facilitator and room assignments. I was scheduled for two fund-raising sessions but stayed in the same room to attend a membership session. I know the energy and concentration level are a bit down the last morning of any conference but there seemed to be some confusion and lack of direction that did not help.	3/12/2013 9:26 AM
16	Have the panel review possible questions	3/12/2013 9:18 AM
17	more control of questions. some people got off on there own agendas.	3/11/2013 5:58 PM
18	seemed to work ok	3/11/2013 10:44 AM
19	Have some information to depart that is useful to participants. Relying on questions/discussions is not helpful.	3/11/2013 9:48 AM
20	Less about the panelists and what they have done, more about general ideas and suggestions as to what has worked or didn't work and why.	3/11/2013 8:56 AM
21	more time to get information	3/11/2013 7:56 AM
22	Panels by size of clubs so that PEs could attend panels with members from clubs near their size	3/11/2013 7:38 AM
23	Better prepare the presenters on what the questions might be. Allow a five minute overview from each presenter.	3/11/2013 7:33 AM
24	In our room the topic was well received with great comments and questions. You should do this again.	3/10/2013 8:58 PM

25	more time needed for panel discussions; facilitators have to prevent people from asking 5 or 6 part questions, from making long comments or from going into excruciating detail in asking or answering questions (only a few people wanted to know the exact size of pvc pipe used and how to install the flags for a flag project --which could have been addressed one-on-one after the session); if possible, I would break up the New Generations into Interact, Rotaract and Youth Exchange...there's much to know about each and I didn't feel like any were done justice in the amount of time allowed for the panel. There were probably a lot of unasked questions for each. Plus if separated, more time could be spent on best practices for each. The Maroon Peak room was uncomfortably warm.	3/10/2013 8:19 PM
26	Maybe more time for panel discussions	3/10/2013 8:10 PM
27	Not too many questions got answered, long answers, too detailed on what each did	3/10/2013 5:09 PM
28	Some members of the panel had nothing to add after the first panel mbr spoke. Other panel members went long and somewhat limited open discussion...	3/10/2013 4:30 PM
29	I really like the breakouts better since we were paired with like sized clubs	3/10/2013 3:57 PM
30	Permit more of a dialogue with the audience, see if canned questions were of interest to the audience. If not move on	3/10/2013 2:05 PM
31	It seemed less interactive since the facilitator had questions for the panel and each panel member answered the questions. There didn't seem to be enough time to allow much participation.	3/10/2013 1:31 PM
32	None - do it again	3/10/2013 11:11 AM
33	Might work if the club size assignment theory was carried to the Sunday sessions.	3/10/2013 8:17 AM
34	none	3/9/2013 8:26 PM
35	Seemed a bit unorganized	3/9/2013 6:03 PM
36	Have a prepared program in addition to Q&A. New Rotarians really don't know what to ask about.	3/9/2013 3:42 PM
37	none	3/9/2013 3:04 PM
38	A little bit longer time! So many ideas and questions to get through that it seemed slightly rushed	3/9/2013 2:51 PM
39	Allow al little more input from the cheap seats	3/9/2013 2:44 PM
40	Check/see what the makeup of attendees were sm/med/large. The variation of viewpoints froj panel members might have benn interesting, but sometimes not relevant to everyone.	3/9/2013 2:29 PM
41	My panel on fundraising did drag a bit. Panel members talked almost exclusively about their own experiences.	3/9/2013 2:07 PM
42	Panel discussions will only be as good as the panel presenters and how they interact with the peopel inthe room.	3/9/2013 2:04 PM
43	Need to involve participants more.	3/9/2013 2:01 PM
44	None	3/9/2013 1:39 PM
45	None that I can think of.	3/9/2013 1:36 PM
46	more control over input form audience	3/9/2013 1:31 PM
47	None	3/9/2013 1:21 PM
48	Let people know there is a different format and to be prepared to ask questions.	3/9/2013 1:15 PM
49	Each panelist be responsible for preparing/presenting a topic specific 10 minute real world situation, that worked, that failed, is still in process.	3/9/2013 1:12 PM
50	Didn't really have enought time for all the panel members to give much information	3/9/2013 12:51 PM
51	none	3/9/2013 12:48 PM
52	45 minutes/1 hour is too little when there ar 20-30 people in the room.	3/9/2013 12:46 PM
53	Longer	3/9/2013 12:42 PM
54	?	3/9/2013 11:52 AM
55	Have more points to be made during the time. Took a longer time to get the knowledge.	3/9/2013 11:50 AM

56	Group by club size again, as for Sat.	3/9/2013 11:44 AM
57	None at the moment. I enjoyed both panels.	3/9/2013 11:43 AM
58	None	3/9/2013 11:34 AM
59	It appeared a little disorganized. We wound up with mostly the same panel for both sessions which was OK but clearly not the way it was intended.	3/9/2013 11:27 AM
60	Time constraints on answers to allow each panelist to present.	3/9/2013 11:27 AM
61	More upbeat and smiling faces. Overall good though	3/9/2013 11:21 AM
62	Knowledgeable panelists	3/9/2013 11:17 AM
63	Make sure they all talk equally	3/9/2013 10:50 AM
64	less panel talk and more audience participation	3/9/2013 9:24 AM
65	The club size difference @ the fund raising discussion was a factor. Smaller clubs felt maybe some of the discussion had less meaning for them because they're too small and from too small of communities to do what the larger clubs do.	3/8/2013 8:20 PM
66	none	3/8/2013 8:08 PM
67	Nothing	3/8/2013 6:15 PM
68	The panelists took over the conversation	3/8/2013 5:57 PM
69	Have discussion better balanced between small, medium and large clubs. A person from a large club seemed to dominate the questions.	3/8/2013 5:12 PM

1	I didn't feel we had any real dynamic speakers this year	3/16/2013 8:59 PM
2	ALL VERY DYNAMIC SPEAKERS - HELD ATTENTION - GREAT TOPICS	3/15/2013 8:53 AM
3	All three speakers were motivational speakers. I suggest having varied topics.	3/14/2013 2:15 PM
4	no	3/14/2013 7:53 AM
5	Great Choices. Entertaining and good information. Prefer entertainment on Saturday evening, not another speech.	3/14/2013 5:34 AM
6	While I know this was a hotel issue and not the fault of the speakers, it was very difficult to understand what speakers were saying although the women tended to be much better at articulation. As a result of the inability to ascertain what was being said, I am not certain that I will use anything that was said.	3/13/2013 9:09 PM
7	None	3/13/2013 2:30 PM
8	I found Mary Kelly's speech very applicable and inspirational for new leaders.	3/13/2013 12:21 PM
9	Although their messages were "ok" I did end up paying close attention to their speaking abilities, mannerisms and ability to keep the crowd somewhat engaged. That is where I was able to learn.	3/13/2013 10:45 AM
10	They were very uplifting	3/13/2013 5:20 AM
11	Mary Kelly was inspiring, fun and useful. I love her use of the flags.	3/12/2013 2:55 PM
12	Mary Kelly spent too much time telling me how cool she is. Micke Norton did not have much of a message	3/12/2013 10:43 AM
13	After Mary's talk on Sunday morning I took the time to wait to speak with her. The first thing I said was, "I apologize because we did not give you near enough time." For me it would have been a better use of time to devote another 1/2 hour to hour to Mary and cut the Sunday breakouts to 1/2 an hour or eliminate them altogether.	3/12/2013 9:31 AM
14	More of Mary's approach to understanding leadership qualities would be welcome	3/11/2013 10:37 PM
15	They all were motivational. I would have liked more Rotary stories like last year. Specific Rotary-project related.	3/11/2013 7:03 PM
16	all very good!!	3/11/2013 5:59 PM
17	There was such an old image presented. We must get youthful if we want to attract youth	3/11/2013 3:38 PM
18	No	3/11/2013 1:12 PM
19	Enjoyed all of them very much! It's nice to have those motivational talks.	3/11/2013 11:53 AM
20	loved their energy	3/11/2013 10:46 AM
21	I think you saved the best for last! I would welcome Mary or Michele to our club any time!	3/11/2013 9:54 AM
22	Keep the sales pitch out of the presentations.	3/11/2013 9:49 AM
23	The women had good energy and were entertaining.	3/11/2013 9:19 AM
24	Michael didn't seem to "wow" the crowd. Michelle was the best! Energy and topic. I really liked Mary's approach and subject, but she should have had it trimmed for the time beforehand. Was distractive and left me feeling shorted.	3/11/2013 8:58 AM
25	They were great!	3/11/2013 8:35 AM
26	left us with great quotes	3/11/2013 7:59 AM
27	Would have liked for Mary to have had more time!	3/11/2013 7:44 AM
28	They were all very good	3/11/2013 7:37 AM

29	I know that technically Ms. Kelly is a very good presenter but her politics were too blatant.	3/11/2013 7:34 AM
30	I thought the speakers this year were better than last year!!	3/11/2013 6:38 AM
31	i like the diversity of their topics and the usefulness of their topics. Some I would have liked to go on longer.	3/11/2013 6:36 AM
32	I enjoyed all of the speakers.	3/10/2013 9:00 PM
33	All were very good and worthwhile to listen to. Mary's presentation had a lot to offer but I felt like she had to rush through it. I know she was there all weekend and it was announced she was selling books but I didn't know anything about her. After hearing her on Sunday a.m., I was interested in her book, but she was gone by the time I could get to the house of friendship.	3/10/2013 8:23 PM
34	Great energy!!	3/10/2013 8:12 PM
35	All inspirational and positive	3/10/2013 5:10 PM
36	High energy was infectious and the entire room lightened up. Jeopardy went too long; one round and a final would have been enough.	3/10/2013 4:33 PM
37	Although speakers such as these individuals do canned speeches I found Michael Norton's to be particularly canned and not useful - he did not alter his presentation to fit Rotary or his audience	3/10/2013 2:08 PM
38	Enjoyed all of the speakers. Mary Kelly was very entertaining as well as presenting useful information.	3/10/2013 1:33 PM
39	They were all sales oriented, and although we do need to sell our club, I thought I was at a Mary Kay convention at times	3/10/2013 1:26 PM
40	They breakup the momentum of PETS, limit or eliminate. Use Rotarians, not talking heads.	3/10/2013 11:13 AM
41	All were great motivators	3/10/2013 9:07 AM
42	Phil needs to know and-ah is not in the dictionary and is very distracting. Julie is better, but still uses a lot of ah's in her speaking.	3/9/2013 8:29 PM
43	All were very good and motivating.	3/9/2013 6:03 PM
44	Mary Kelly's presentation was awful, hurried, ill prepared and it was impossible to hear her presentation.	3/9/2013 4:28 PM
45	Michelle seemed the most sincere and I was able to relate to her. The other two speakers seemed to have "canned" programs and nothing that we haven't all heard before.	3/9/2013 3:44 PM
46	Il could identify more readily with Michael Norton and May Kelly both as a Rotarian and professionally.	3/9/2013 3:20 PM
47	All were great and inspirational.	3/9/2013 2:52 PM
48	they were all three amazing and took away something from each one	3/9/2013 2:29 PM
49	Once again, organizers did a great job of selecting speakers.	3/9/2013 2:08 PM
50	Excellent choices. Each one offered important points.	3/9/2013 2:02 PM
51	No, they were all engaging and had a clear message. Enjoyed all three!	3/9/2013 1:17 PM
52	I felt all were worth listening to; i.e., they were prepared and had a point to make.	3/9/2013 1:15 PM
53	I believe we are beyond motivational speakers. I think it would be good to have Rotarians that have been recognized for their leadership, particularly in the area of Service. It would be great to hear one from an international perspective and one from the local perspective. These are inspirational, the good work that Rotarians do.	3/9/2013 1:15 PM
54	Michael Norton's was a waste of time. He knew NOTHING about Rotary and was only a sales presentation for him and Sandler. In 19 International conventions, and my second time in PETS, this was a BIG disappointment.	3/9/2013 1:04 PM
55	Both Michelle & Mary were engagingly entertaining while delivering some very useful info - a challenging mix for a speaker	3/9/2013 1:01 PM
56	Mary was selling pretty hard - her presentation wasn't particularly well planned. I appreciated Michelle's energy tied to her age - was inspriational!	3/9/2013 12:53 PM
57	All three were great speakers!	3/9/2013 12:47 PM

58	Really good presentation. Fun and lively. Difficult to hear/understand her due to poor acoustics in large room..	3/9/2013 12:46 PM
59	In my opinion, professional 'salesmen' like Michael Norton do not relate well to an audience of Rotarians who already understand Service Above Self.	3/9/2013 12:45 PM
60	Very uplifting and entertaining/informational	3/9/2013 12:23 PM
61	They were interesting.	3/9/2013 11:49 AM
62	Ms. Kelly's continued queries of who owned what dogs got old fast But I did like the dance at the end.	3/9/2013 11:46 AM
63	They were all terrific!	3/9/2013 11:44 AM
64	All were basically the same speech from a different point of view.	3/9/2013 11:29 AM
65	Dynamic and cohesive presentations - persuasive key points.	3/9/2013 11:29 AM
66	All three were great! Michael of course had high credential in Sales & motivation so I thought that was most useful to me	3/9/2013 11:22 AM
67	Don't think we need three motivational speakers...one really good one like Mary Kelly would have been sufficient.	3/9/2013 11:19 AM
68	This is my 4th PETS and I think that the non-Rotarian motivational speakers were a great change from some of the previous speakers @ PETS. I think the PE and PEN people got better training and more useful training from them than @ previous PETS	3/8/2013 8:22 PM
69	Mary Kelly did not reduce her talk to fit in timeframe	3/8/2013 8:10 PM
70	Keep the meetings on schedule!!!	3/8/2013 7:20 PM
71	Invite Mary Kelly to do a real session. She has a lot to offer!	3/8/2013 6:17 PM

1	I have been a president before and attended a PETS in my old district. The multi-district program is much better than the district level one I attended.	3/17/2013 1:40 PM
2	The mingling with the others from near and far. The sharing of conversations at meals.	3/16/2013 9:08 PM
3	ON TARGET FOR THE GOALS REQUIRED FOR PE'S	3/15/2013 8:56 AM

13	Trading contact information with others so that we may communicate during (or before) our taking command.	3/13/2013 10:52 AM
14	The availability of lots of information The interaction with other Rotarians and hearing their experiences. Personal meetings with the DG, DGE, AG's	3/13/2013 5:25 AM
15	It was clear that a lot of people put a ton of time into makin it a great event, (and useful) I did like the district sessions as I am much more in tun with what they expet now then before the meetings. I know you can not please everyone and I would have to say that I think you folks struck a good balance between the district stuff and the other sessions. I will be back next year.	3/12/2013 2:58 PM
16	Breakout sessions with same sized clubs	3/12/2013 10:44 AM
17	Being surrounded by so many positive people, and learning so much about Rotary	3/12/2013 10:17 AM
18	INTERACTION WITH INCOMING OFFICERS	3/12/2013 10:12 AM
19	1. That I attended as a PEN (although there was some confusion about what I really was!) I liken it to the difference between taking off from an aircraft carrier versus a nice long runway. Both get you off and flying but there is something to be said about a nice long and slow build up to take off speed. 2. The time to build Rotary camaraderie. I truly enjoy that it gives me a broader knowledge of and about Rotary and the variety of people involved. At a time when the political and social and economic and religious divisions are so sharp in our country and the world it is amazing to be with people that you know you have a common bond with that cuts across all of those lines. 3. Rotary jeopardy was awesome! Now I realize I may be a tad subjective about this since I was on the winning team and walked away with another PHF! But, that did give me an opportunity to ask those who congratulated me how they liked the experience from the audience and not one of the 10 hot-seats! The responses I got were positive - including one that person that said they were a little iffy going in to whether it was going to be effective to being very pleased at the presentation and what was learned and how much fun it was even to watch.	3/12/2013 9:47 AM
20	I am more familiar with Rotary structure, and I know where to find information and who the players are. But there was a disproportionate amount of effort spent getting there and being there for what knowledge I gained. I'm sorry, but I did not think it was so good.	3/11/2013 10:49 PM
21	A great way to learn more about Rotary and to hear, once again, all the things I need to know as a PE. Good rapport and lots of fun. I came back energized.	3/11/2013 7:05 PM
22	Great volume of information and able to meet others.	3/11/2013 6:06 PM

37	Getting to know my counterparts from my district	3/11/2013 7:44 AM
38	Probably the 5th time I have gone to PETS and as always I appreciate what an extraordinary effort this is by volunteers who want the best for Rotary. And, I also appreciate that these districts want to prepare Presidents for their year ahead. No other non profit that I have been involved with is as dedicated to this idea. I also think that this is a festival of Rotary good feeling. I think that helps set the vision for the year ahead. Thank you for all your work. Special shout out to Rolo who made sure he was available to his PEs. Great guy.....	3/11/2013 7:43 AM
39	Getting to know others in our district and sharing ideas	3/11/2013 7:41 AM
40	The hotel staff were outstanding. The time getting to know those in my district along with the scope of Rotary. The respect the leaders had for our time - it is difficult to keep the attention of all these type A's over a weekend locked in meetings but you generally did it!	3/11/2013 6:48 AM
41	the excitement of the new PE's and all the great ideas that are bounced around about fundraisers, membership etc.	3/10/2013 9:01 PM

43	I liked the variety of activities--speeches, discussion groups, panels, social time.	3/10/2013 8:56 PM
44	The change in format was very positive. When I left last year, I was not going to come back. I heard there were changes so I decided to participate this year and I was glad I did. Spending Friday evening in district meetings was positive. Limiting the group discussions to 3 sessions was just right. I like the panel discussions on Sunday. Speakers were very good.	3/10/2013 8:36 PM
45	The time visiting with future officers and asking advice from the leaders and sharing ideas.	3/10/2013 8:20 PM

50	Meeting others. Rotary 101.	3/10/2013 3:46 PM

81	It was helpful to learn what the expectations are and how others are handling issues within their clubs.	3/9/2013 1:21 PM
82	Liked the combination of panels and breakouts - giving choice to the participants	3/9/2013 1:20 PM

1	I think the program should be scheduled a little earlier in the year. There is so much work to do to prepare for the upcoming year.	3/17/2013 1:40 PM
2	Two dynamic speakers for Friday & Saturday Noon more fun i.e Rotary Jeopardy, the Air Force singers. Breakfast local speakers-accomplishments	3/16/2013 9:08 PM
3	PERHAPS INVOLVE SPOUSES IN ACTIVITIES TO INTRODUCE THEM TO THE PE REQUIREMENTS FOR THE UPCOMING CLUB LEADERSHIP YEAR	3/15/2013 8:56 AM
4	5470 DGE spent four sessions going over the same points. I needed time to talk with my clubs to help them understand what is required from Rotary on a more personal level	3/14/2013 3:20 PM
5	Vary topics presented by speakers	3/14/2013 2:17 PM
6	Have technician at stage to help with microphones. Get windscreen for some, proper positional of head worn mics. Inadequate sound reinforcement at front tables near stage.	3/14/2013 1:34 PM
7	none	3/14/2013 7:55 AM
8	The Foundation Grants sessions was fairly difficult to understand. Maybe next year walk through a specific grant request.	3/14/2013 7:53 AM
9	More time to meet with Area or smaller groups in our geographic area for discussion of issues	3/14/2013 5:37 AM
10	A great deal of information packed into a short time frame; I could have used more time to process during the day . I am a night person but felt that I just needed some down time after the sessions, so really did not make good use of the hospitality events. I will be better prepared next time. I would definitely recommend to all clubs that once the PE & PEN are selected, that both attend the Rotary Leadership Institutes. As a Rotarian of one year, I was in a much better position to understand: 1. What will be expected of me and of what I can expect from my club, 2. The assistance available from my DGE, and AG. 3. YEAH RLI	3/13/2013 9:20 PM
11	I think it is well structured and needs no improvement	3/13/2013 2:32 PM
12	More group discussion.	3/13/2013 12:22 PM
13	The time with the DGE could have been be more structured. A power point does not necessarily constitute structure. Unfortunately, there is not one item I can honestly check in question 32. The time was there, but poorly run (sorry).	3/13/2013 10:52 AM
14	The Jeopardy game show was way too long as was the time it took to do drawings and such. Seemed a little unorganized.	3/13/2013 5:25 AM
15	Presentations by Nancy Pettus on Foundation giving seemed poorly organized. She came across as angry at her audience.	3/12/2013 10:44 AM
16	I think the jeopardy was too in depth for the average person there. When people saw multiple answers that they had no idea of the answer, you started losing your audience.	3/12/2013 9:21 AM
17	A little break to breath fresh air would be welcome. Awful to sit for so long without exercise. A well-presented program on Rotary projects around the world would inspire. Lots less time with all the DGE's at the podium. They just weren't that inspiring. I would really have appreciated hearing from people outside Denver a little. Seemed lopsided.	3/11/2013 10:49 PM
18	A little bit more free time.	3/11/2013 8:34 PM
19	More Rotary-specific projects related by speakers.	3/11/2013 7:05 PM
20	More break time and not to have every minute filled. My biggest complainant is was this about Engage Rotary/Change life's or was it about hitting and completing Julie's goals. I felt like I was pressured to make Julie's goals even if I didn't know what I was doing. It should be more about how the goals will benefit me and club not make Julie look good.	3/11/2013 6:06 PM

21	Two old men bumping into eachother trying to get a 30 second raffle completed, but it took 10 minutes is rediculous. We must, must, must project a youthful, fun image at the large sessions. Gray hair and blue blazzers are out, out, out. Get the kids up there then we'll all love it.	3/11/2013 3:42 PM
22	Live music at meet & greet after the day's sessions and an visual introduction to the various districts represented at PETS	3/11/2013 1:16 PM
23	The extra time this year was good. Maybe a short breakout session on Friday afternoon, rather than 101	3/11/2013 10:48 AM
24	A better presentation on the opportunitites for the foundation	3/11/2013 10:03 AM
25	Consolidate it to one day to provide motivation and inspiration. This format is useless and disrespects our time.	3/11/2013 9:53 AM
26	Online webinar or broadcast for those who cannot make it.	3/11/2013 9:20 AM
27	I thought it was all good.	3/11/2013 8:37 AM
28	Please find someone, some way to improve the teachng of the Foundation and grants information. It isn't rocket science; why can't graphics or idea mapping be used to communicate this information? Even putting the steps in chronological order and deadlines in chronological order would make a big difference in retaining and using the information !~ especially for those not familiar with grants..	3/11/2013 8:03 AM
29	more Rotary speakers at the lunches and dinners	3/11/2013 8:00 AM
30	better sound system in the plenary sessions	3/11/2013 7:46 AM
31	More information in advance regarding what to expect possibly a letter from someone who had been there in the past.	3/11/2013 7:44 AM
32	PETS is supposed to be a time of learning. I know that conventional wisdom suggests adults learn best from themselves and each other. Yet, I would have liked more nuts and bolts of exactly what and how to do things. Some reference to the reading materials for example and then have learners ask questions. Brainstorming, for example, a list of effective leadership qualities , doesn't teach me what I need to know. All three afternoon sessions were set up this way. This is no knock on the facilitators who were cleanly mindful of this approach and at least two of the facilitators mentioned that they weren't allowed to talk. I would recommend structuring the sessions to focus on content and interaction. Another item is that as member of an eClub much of the material was just not relevant. Ae eClubs grow, PETS might want to consider a session on althematic technology.	3/11/2013 7:43 AM
33	I think it can be condensed into two days	3/11/2013 7:41 AM
34	Get a hotel where the room windows open for fresh air. Improve the video and sound - very sloppy and embarrassing. I want to have a list of the contacts for all those in attendance. We should be able to stay in touch and it is very hard to do that without that list. Shorten 101 - or improve it. Would like more real-world problem solving with people like Roy Beekman and Jim Halbertson.	3/11/2013 6:48 AM
35	I was happy with the overall event.	3/10/2013 9:01 PM
36	Need more free time to browse among vendors and info tables, but I don't know where you'd find it!	3/10/2013 8:56 PM
37	Absolutely MUST have an agenda available prior to the event so people can plan travel and arrival. I looked several times on the website in the weeks leading up to PETS to find out specifically the start time and could never find an agenda. That is critical when taking off work and traveling the distances many of us have to travel to get there. Breaks were very short. There was very little time to go through the house of friendship. It seemed like by the time I had time to go through, it was closed down. There wasn't time in between sessions. Facilitators have to learn how to prevent people dominating sessions or from going into long drawn out questions or answers. It keeps others from participating or getting their questions answered.	3/10/2013 8:36 PM
38	A few 20 - 30 minute breaks for walks/exercise. My heart would thank you.	3/10/2013 8:20 PM
39	More info for first time PETS people as to (ie: is Rotary 101 recommended), Internet reg scattered	3/10/2013 5:12 PM
40	This needs to be a one day conference only. Its waaaay too long.	3/10/2013 5:06 PM
41	I would have 15 minute breaks. With limited restrooms, it was difficult to get through the line, drinks and down the halls to the next room in 10 min	3/10/2013 4:37 PM
42	I owuld've liked more time for planning with my AG and other area PE's and PEN's	3/10/2013 4:00 PM
43	Great time, however, by Sunday morning, I was burned out.	3/10/2013 3:46 PM

44	If do drawings do not do them in the same manner - waste of time, took too long and very boring. If going to do drawings maybe print out names and cut into strips to go in bowl and draw out - page, line etc did not work and had people at each table when drawings were happenings express same feeling - hope they include that info in their eval. Did not get a chance to see booths and somehow did not even know there was one about Lisbon which would have been helpful. Time is so tight really not sure when could have visited vendors and booths. Maybe I did not use my time wisely but seemed to be going all the time.	3/10/2013 2:13 PM
45	A little more time between sessions.	3/10/2013 1:39 PM
46	Give us the facilities names The drawing for the bottle of wine was tooooooooooo long. Page 12, five minutes later, line 7.	3/10/2013 1:29 PM
47	Keep sessions moving, eliniate meal speakers.	3/10/2013 11:14 AM
48	Jeopardy was too long and moved slow	3/10/2013 9:30 AM
49	The "Rotary moments" were way overdone, added nothing. That is a personal thing, we got the point! The audio system could use some work. Female speakers with high voices were difficult to understand.Could use a little time for the vendors, needed some supplies for the club but there just wasn't time to shop.	3/10/2013 8:35 AM
50	From the AG standpoint I think the AG's should have worked with their PE's on the Goal Sheets and Planning Guides prior to attending PETS. As a first time AG it would have made more productive time to have had these already done. Nancy Pettus does a great job, but many were confused and not sure what they needed to do. We will be better prepared next year.	3/10/2013 7:54 AM
51	I would like to see an international speaker, one who has first hand knowledge of how Rotary has helped them.	3/9/2013 6:05 PM
52	I didn't see anywhere that I could put a comment about why I did not fill out the evaluations in this survey. I had already done so at PETS and turned it in.	3/9/2013 4:24 PM
53	Perhaps have a bit less of an agenda. The all day and all night sessions didn't really give us a break.	3/9/2013 3:46 PM
54	I felt a little on overload on Sunday morning. Friday and Sat. would have been enough for me.	3/9/2013 3:09 PM
55	Separate sessions for small, medium, and large clubs. Coming from a small club it would have been helpful to hear from them sometimes more than the large clubs.	3/9/2013 2:55 PM
56	Not to be disrespectful, but I could not relate when the Rotarians were sharing their rotary moments. It did not target the younger Rotarians.	3/9/2013 2:32 PM
57	Breakout AG training into 3 categories: sm/med/lg club size	3/9/2013 2:32 PM
58	Perhaps look at ways for interaction with neighboring AG territories. Ours is an isolated situation, so that may be of more value to us than for the metro area.	3/9/2013 2:13 PM
59	Keep the same format	3/9/2013 2:07 PM
60	Effective format. Keep information focussed for District Meetings - seems we try to cover too much too fast.	3/9/2013 2:05 PM
61	None	3/9/2013 1:42 PM
62	none	3/9/2013 1:40 PM
63	Please improve the schedule of activities...it was just too complicated matching group letters with where & when I was supposed to go.	3/9/2013 1:25 PM
64	As a PE I was surprised that we did not receive materials to read and complete prior to the weekend. I would like to see the DG/AG review our draft plans for the upcoming year based on pre-seminar materials & home work assigned.	3/9/2013 1:23 PM
65	Each session needs to wrap up with "From this session, what one specific action do you need to do?" Provide a organized note taking section that can be a plan of action based on the sessions. In the final DGE session, PENS pair with PENS, PEs pair with PEs, and share the results of the intended actions beyond the weekend. It's important to walk out feeling like you have a handle on some concrete actions rather than being overwhelmed. Sharing with another person offers a public sharing and deepens your commitment.	3/9/2013 1:21 PM
66	(1) Saturday is just to long a day. The 1&3/4 hour break until dinner is to long. (2) The open discussion period was the most helpful, Perhaps a 15 minute open discussion period can be added to each break out session.	3/9/2013 1:21 PM

67	Rotary moments were great; just build them into the timeline so that sessions can start on time;	3/9/2013 1:20 PM
68	Make the rooms a couple degrees warmer. Numerous people complained of the cold.	3/9/2013 1:05 PM
69	none	3/9/2013 1:04 PM
70	Be clear with the DGE's the purpose of those sessions.	3/9/2013 12:56 PM
71	More time between sessions. Some PEs and PENs complained they never even got to look at the booths or chat with fellow Rotary leaders. District breakout sessions were repetitive.	3/9/2013 12:54 PM
72	Saturday was a long day	3/9/2013 12:54 PM
73	The training and district breakout sessions were better organized than the plenary sessions. With some exceptions, the PETS committee appeared disorganized and lacking in content and time management.	3/9/2013 12:53 PM
74	It is too hectic. Maybe give Saturday evening free i.e. no supper, and do Sunday brunch, and consequently reducing registration fee a bit?	3/9/2013 12:52 PM
75	Everything was great.	3/9/2013 12:49 PM
76	More correspondence with participants beforehand in regard to when they should arrive. Kind of guessed I should attend Rotary 101 and not sure I missed anything before that.	3/9/2013 12:27 PM
77	At least one speaker about the marvel of RI doing good in the world.	3/9/2013 12:25 PM
78	The meal programs all went overtime. Not interested in DG Rotary minutes. This training is for PEs and PENs not DG's. Eliminate anything that focuses on DGs or PDGs or DGEs personal stuff. Keep the plenary sessions within time - time was shortened from the PE sessions and that is not good. The Game show was fun and informative but we couldn't hear very well. Maybe some different arrangement can be tried in the new facility . The food was great. Eliminate speakers at breakfasts so participants can spend more time in breakouts. PDGs came into the end of my last breakout session since their meeting was in the same room - give more time in-between - it is distracting to have them come in.	3/9/2013 12:02 PM
79	Nancy Pettus is very, very knowledgeable, but her presentation was all over the map. Very disjointed. For those Rotarians being exposed to grants for the first time, there was no coherence. Lots of facts but lacking in context for the newbie. You have to show, not tell. There needs to be a flow chart. Use examples to learn how to diagram a grant for the various categories.	3/9/2013 11:57 AM
80	For only a 48-hour block-time, I thought PETS 2013 was tops! I can't think of any way I could jam more into the schedule without asking for more time. PETS 2013 was a great event!	3/9/2013 11:50 AM
81	Make it clear verbally on Friday night that there is a breakfast speaker and agenda at breakfast on Sat. a.m. - I almost missed it!	3/9/2013 11:49 AM
82	PETs was terrific! Thank you for your hard work and thoughtful organization of events and topics.	3/9/2013 11:38 AM
83	Evening Panel Discussion sessions	3/9/2013 11:33 AM
84	Please do something about the sound system in the main ballroom. The DG's and DGE's (men in particular) were nearly impossible to understand. Rotary 101 took quite a bit of time for the information that came out of it.	3/9/2013 11:32 AM
85	Shorten it to end with a big banquet on Sat night.	3/9/2013 11:25 AM
86	Sometimes, less is more. We have so much to communicate that we overload the attendees, thus exhaust them. Let's take another good long look at what really needs to be communicated. Jeopardy could have been done in 1/2 the time and given people a chance to brush their teeth before rushing to the next session.	3/9/2013 11:23 AM
87	Please do not give us a bag with a ton of material and never have us crack it open. I thought the three sessions could have been condensed and would have loved to see some training on RI and how to get people involed in my club to the top of RI	3/9/2013 11:21 AM
88	Break out sessions seemed to lack structure at times....I think more thought should go into presentations with very knowledgeable people who can really wxpound the topic to make a true learning experience	3/9/2013 9:30 AM
89	Keep this approach; I think it will work better.	3/8/2013 8:25 PM

94	Allow more time for the speakers, especially if they are professionals like this year.	3/8/2013 5:14 PM
