APRIL EDITION

We Fellowship Every Thursday, 7pm

CMP ANGEL KISEKKA APRIL 2022

closing in so fast!

Before we knew it, April has ended. However this makes us feel proud that we have achieved a lot in realizing the purpose of Rotary's existence. We have been true Rotarians, we have served our community, we have changed lives and above all we are happy as members of the Rotary Club of Nateete-Kampala.

Every member has a reason to smile, to keep coming back to the club and the courage to share the little we have with those that need a hand extended to them. I pray we keep like this or even better in the days ahead and throughout the coming Rotary year.

Appreciation goes to all the members that attended the Club Retreat, we shared a lot and I pray we go by all the resolutions passed as well as support the plans for the Rotary Year 2022/2023, for the good of our club.

To the members attending the District conference in Arusha, go out there, have a moment of fun, share ideas across the border and celebrate Rotary.

May is Youth Service month. We pledged to work hand in hand with the youth and I wish to inform you that all fellowships are going to be presided by youth throughout the month. Let's support all the activities including the Masaka Road clubs fundraiser on 6th May at Rose Gardens Kyengera and our installation ceremony on 26th May at Ivys Gardens Wakaliga.

I wish you a happy month and blessings.

From RC Nateete
Change Maker President 2021/22

CALL FOR ARTICLES

Shekhar Mehta, President 2021-22 April 2022

Friends, one of my mantras in Rotary has been do more, grow more. I am sure you are adopting this mantra. Do more, as in bigger and impactful service projects, and grow more, as in increasing our membership.

There is so much excitement across the Rotary world about our Each One, Bring One effort. Everywhere I travel, club presidents, district governors, and Rotary members — both veteran and new — express appreciation that their membership efforts are inspiring the Rotary world.

We are growing more, and I cannot wait to celebrate all of this success with you at the Rotary International Convention in Houston in June. There is still time to register and make your plans to join us. We are looking forward to a once-in-a-lifetime experience that will unite our members after far too much time apart.

As we grow more, we will have so much more opportunity to do more. April is Maternal and Child Health Month, a great opportunity for your clubs to consider what you are doing to support the health of mothers and young children. Improving access to care and the quality of care for women and children worldwide is an important focus for us and it also ties in very well with our Empowering Girls initiative. I appreciate the work being done by various clubs in this area of focus, and I would encourage you to think of ways to do more.

It has been so exciting to see Rotary members come together at the presidential conferences to share ideas about using our areas of focus to bring about big, lasting change in the world. The past and upcoming presidential conferences are looking at our new area of focus — the environment — and how our work to protect our planet must support our efforts to grow local economies, especially in places with the greatest poverty. I also had the honor to speak at the 26th United Nations climate change conference in Glasgow, Scotland, known as COP26. This important meeting brought together nearly 100 heads of state and government over a two-week period to set new targets for fossil fuel emission. My call to action was to restore mangroves, a crucial ecosystem that can mitigate the effects of climate change in coastal areas. Already, countries across the world are showing great enthusiasm for this plan.

Our survival is at stake — the damage of environmental catastrophe is already upon us — and so, too, is our ability to lift the world's most needy out of poverty and offer them hope. We must find ways to protect our planet while sustaining the economic growth necessary to achieve our highest humanitarian goals.

This is a very exciting time in Rotary, a time when the world needs us most. **As we Serve to Change Lives, remember that we are also changing ourselves.**

“For as the rain comes down, and the snow from heaven, and do not return there, but water the earth, and make it bring forth and bud, that it may give seed to the sower and bread to the eater, so shall My word be that goes forth from My mouth; it shall not return to Me void, but it shall accomplish what I please, and it shall prosper in the thing for which I sent it.”—Isaiah 55:10–11

This morning, I met my Ex girlfriend and she was with her new boyfriend. When she saw me, she begun kissing her new boyfriend as I was watching. When she saw I was still there, she kissed him more and asked me what I was doing there.

I told her my wife is pregnant and I have come to town to buy things for the baby and I am very very fine.

I spoke as if she had asked me how I was feeling.

I continued and entered the supermarket as she was looking at me. I bought 2 basins, 3 buckets, 10 packets of pampers, powder, a baby seat and a baby bed, then I called a taxi and left.

She and her boyfriend were looking at me and I felt good .

Now my issue is.....

If you know any woman who has given birth , I am selling basins, buckets, pampers, baby seat, baby bed and powder.

PLEASE HELP ME!!

I was supposed to go and pay School fees for my sister with that money

A 70 year Old Retired Military officer had one Hobby..... He loved to Fish.

He was sitting in His Boat the other Day when He heard
A voice say, 'Pick Me Up.'

He looked around and couldn't see Anyone.

He thought He was Dreaming
When He heard the Voice say again,
"Pick me up. '

He looked in the Water and There....Floating on the top, was a Frog.

The Retd Officer said,
'Are You talking to Me?'

The Frog said,
'Yes, I'm talking to You.
Pick Me up, then Kiss Me; and I'll turn into the Most Beautiful Woman you have ever seen.
I'll make Sure that all Your friends will be envious and jealous, because I will be Your Bride!'

The Retired Offr looked at the Frog for a short time, reached over.....Picked it up Carefully and.....
Placed it in His Shirt Pocket.

The Frog said,
'What, are you Nuts?
Didn't You hear what I Said?'
I said, 'Kiss me,
And I will be Your Beautiful Bride.'

He opened His Pocket,
Looked at the Frog and said,

'Nah. I'd Rather like have a Talking Frog
Than a Nagging Wife..
