Editor's Note

Dear Readers,

I welcome you yet again, to this month's Mpagi Newsletter.

August, being the month dedicated to membership and extension in Rotary, we strive to create meaningful and impactful experiences, to attract and connect with others who do not know about Rotary.

As RC Nateete-Kampala, the month has been full of activities, which included the launch of one of our service projects in Namaato, where members passionately got involved, to create hope in the world. The club was also visible at the Cancer Run 2023, and

we endeavor to keep the fire burning.

The purpose of this magazine therefore, is to give an insight of our club activities, and to showcase our creativity.

My thanks go to members who contributed in one way or the other to make our efforts a success.

Special thanks to those who contributed articles and photographs for this bulletin. And to you esteemed readers, thank you so much for taking time to read our stories. Wish you a good reading.

RI PRESIDENT'S MESSAGE AUGUST

In President Gordon McNally's August 2023 Message, he reminds us that at the 2023 Rotary International Convention in Melbourne, he asked all Rotary members to become champions in our effort to illuminate mental health needs near and far. This includes helping one another feel more supported, advocating for mental health services, and building bridges with experts in the field to expand access to treatment. He adds that it is an important task and a big ask.

But it's also something that should feel familiar to every Rotary member — because everything we do is in the spirit of caring, giving, friendship, and compassion, and has been from the beginning of our organization. He says that what makes Rotary powerful isn't just what we do for the communities we serve. We also support and empower each other, by creating a safe space for our members to bring their whole, authentic selves. We show each other comfort and care. He encourages all of us to work together to erase the stigma associated with emotional well-being, raise awareness

of mental health needs, and improve access to preventive and interventional mental health services.....

IN THE SPIRIT OF CARING

To Everyone in our Rotary Family, At the 2023 Rotary International Convention in Melbourne, I asked all Rotary members to become champions in our effort to illuminate mental health needs near and far. This includes helping one another feel more supported, advocating for mental health services, and building bridges with experts in the field to expand access to treatment.

It's an important task and a big ask. But it's also something that should feel familiar to every Rotary member — because everything we do is in the spirit of caring, giving, friendship, and compassion, and has been from the beginning of our organization.

" I am proud of what Rotary has done across generations to build those kinds of social connections"

We've grown into an amazing global network of 1.4 million interconnected community leaders — leaders who share a deep commitment to doing good in the world. But what makes Rotary powerful isn't just

what we do for the communities we serve. We also support and empower each other, by creating a safe space for our members to bring their whole, authentic selves. We show each other comfort and care.

These connections are deeply meaningful. The U.S. surgeon general recently declared loneliness a public health epidemic. Dr. Vivek Murthy said, "We must prioritize building social connection the same way we have prioritized other critical public health issues such as tobacco, obesity, and substance use disorders." I am proud of what Rotary has done across generations to build those kinds of social connections — and this magazine focused on loneliness and what Rotary can do about it in its January 2023 issue.

Our worldwide community and our foundational value prioritizing Service Above Self makes Rotary a powerful global advocate for mental health. A recently published study by Ohio State University found performing acts of kindness was the only one of three mental health interventions tested that helped people feel more connected to others. Study co-author David Cregg said, "Performing acts of kindness seems to be one of the best ways to promote those connections."

This research suggests what we've known all along — that doing good helps transform

not just the communities we serve, but it also transforms us. As we put a greater focus on mental health, let's not think of this effort as something new to Rotary, but rather as something we can do better and as a result have a greater impact on ourselves and the people we serve.

We are not starting this effort from scratch. The Rotary Action Group on Mental Health Initiatives has been focused on these kinds of issues for several years, and we will be looking to members of that group for leadership as we continue to build awareness.

Mental health care fits comfortably within several of our areas of focus. As of May, there are 41 global grant-supported projects with a mental health focus. Many of them have tremendous promise, and we will be highlighting them in the months ahead.

So let's work together to erase the stigma associated with emotional well-being, raise awareness of mental health needs, and improve access to preventive and interventional mental health services. Together, we will Create Hope in the World.

President, Rotary International

DISTRICT GOVERNOR'S AUGUST MESSAGE

My Rotary family and friends of Rotary, I greet you in the name of our Lord God and I thank you for the great service to Humanity.

I am so happy and Energised on how we have started strong on this journey of Creating Hope in the World.

We started this Rotary Year with the Launch of Our Signature Project of Basic Education and Literacy at Kitala Secondary School where a six-classroom block is being constructed by the Rotary Clubs of Garuga and Bwebajja. We then had a District Fellowship to welcome the new Year later in the evening at Kisubi University Gardens. I greatly thank the organizing committee led by the District Flagship Project Chair Past Assistant Governor Juliet Kyokunda for the job well done. I also thank the Director Basic and Secondary Education in the Ministry of Education and Sports Mr. Ismael Mulindwa for officiating at the Project Launch and attending our fellowship.

I greatly appreciate Our Clubs for adhering to my call for Promoting Basic Education and Literacy. So far, I have visited three school projects of Kitala Secondary School by the Rotary Clubs of Bwebajja and Garuga, Cevic School for the Blind in Buwama by the Rotary Club of Buziga and St. Andrew Bbagwa Primary School in Semuto by the Rotary Club of Rubaga. I am looking forward to visiting more Projects in the Education Sector. The month of August is designated to Membership Retention, growth and Extension by Rotary International. It is where Rotary International's strategic area of focus of EXPANDING OUR REACH falls. As we are all aware, Membership growth is Rotary International's great priority. This Rotary Year, I have put Membership Experience, Retention,

growth and Extension at our fore Front. We need to Intentionally grow our Numbers because we need More Helping Hands on this big job of serving Humanity. I am so thrilled that in this first month of the year, many Rotary Clubs have inducted members especially during their Installation functions of Presidents.

So far, we have six Rotary Clubs in Uganda and four in Tanzania under formation. I greatly thank our District Membership team headed by Past President Ronald Ssenyondwa, the Country Membership Chairs in Uganda and Tanzania, Charter President Bob Nsereko and Past Assistant Governor Marryanne Mugo respectively.

I encourage clubs to carry on Membership Satisfaction Surveys to find out the real needs and interests of their members in order to Ensure Membership Retention. Most Importantly, I call upon Clubs to enter each and every member Inducted into the Rotary Club Central to enable us track our progress.

I once again congratulate ourselves, upon starting this Rotary Year with a lot of Enthusiasm. As the team leader, I feel energized by your great determination and selflessness to Serve Humanity and I am so sure that we are going to Create A lot of Hope in the World.

Yours in Service
Francisco Ssemwanga
District Governor.

PRESIDENT'S AUGUST MESSAGE

Dear friends,

We thank God for having taken us through the first two months of Creating Hope in the World Year 2023.

During the month of August 2023, despite the many activities as a Governor's Club at the beginning of the month, the different directorates of RC Nateete - Kampala have performed beyond expectation including having well organized fellowships with motivational speakers, launching of our school project in Busoga at Namaato COU primary school in Namutumba District.

Thank you Directors for the different roles played that have made the "Membership and New Club Development" month of August 2023 a success. Lungujja Elephants Buddy groups, thank you for taking us through the month smoothly.

I welcome you all from the Cancer run which took place on 27th August 2023/2024. I'm happy many of you

participated and I am confident that together we shall, we shall make Cancer, history.

In the line of our motto of "Service above self" I appeal to you dear Rotarians, to continue supporting our Annual Fashion Show signature project fundraising drive scheduled to take place on 11th November 2023 in support of Healthcare, water, sanitation and basic Education.

Friends as we approach the Basic Education and Literacy month of September 2023, let us continue to work together as a team, as we strive to take action to create hope in the world. God bless you all.

KUDOS!

TO THE FAMILY OF ROTARY TEAM

Just to let you know that we appreciate what you do for us, we don't take you for granted.

- For always remembering our birthdays and Anniversaries,
- For celebrating with us in our moments of joy when we welcome new members to our families; during marriages and graduations,
- For those visits you make to Rotarians' homes during times of illness to ensure that they feel loved,
- For the support and visits to Rotarians in their times of need, to encourage them to continue with their involvement with Rotary,
- For sharing in our grief during times of loss of our dear ones
- For organising home hospitalities and other family oriented social events, like X-mas parties,
- For recognising individual Rotarians' successes, job promotions and family news,

**ACCEPT OUR SINCERE
GRATITUDE FOR ALL THAT YOU DO.**

A visit by HCP Miriam, and PP Gertrude Ssekabira to PP Mary Sebadduka at home, when she was recovering from illness. We wish you a quick recovery PP Mary. And a visit by family of Rotary team, to Nalongo, Rtn Annette Namusaazi's home when she welcomed her sweet bundles of joy. Hearty congratulations to you Rtn Namusaazi.

August, The Membership And New Clubs Development Month

Dear Friends,

We thank God for He has been there every step of the way during this month of August 2023, whose theme is, "Membership and New Club Development". It is important to note that one of the pillars of an effective club, is membership growth and extension. New members bring new energy to club and mean more people to serve on committees, work on projects and events and raise money for the foundation.

We should also note that keeping current club members is as important as bringing in new ones – hence the need for membership engagement – more hands on projects, fun-filled meetings and social events. During this

month of August 2023, the club has performed well in the different areas of membership growth and extension. For membership retention, the club has had vibrant meetings with knowledgeable and motivational speakers. Under membership engagement, most notable has been the launch of our club project at Namaato C.O.U Primary School, Namutumba District, by our DG Fransisco Semwanga.

Over twenty members of the club, travelled to Namutumba and participated in activities including tree planting, painting classrooms, counseling of parents, teachers and pupils.

For club growth, the club started mentoring guests, expected to be inducted in September 2023, at the official District Governor's visit. In respect of membership extension, the club is developing and nurturing the Rotary club of Lungujja in formation and the Rotaract club of Kabowa in formation.

Thank you members for the different roles played that have made this membership and New Club Development month of August 2023, a success.

Members, as we approach the Basic Education and Literacy month of September 2023, let us join hands and raise our club to greater heights in all areas as we continue to create hope in our communities and the world. Together we can.

FORMATION OF A NEW ROTARY CLUB OF LUNGUJJA

RC Lunguja in formation is a baby club being sponsored by the Rotary Club of Nateete-Kampala. The club in formation opened up its doors on Friday 26th May 2023 (three months ago), when it held its first meeting at Rustic Gardens Hotel in Lungujja. It has since had its weekly fellowships in the same venue. So far it has 15 stable guests out of the 40 who have visited the club in formation.

It has PP Dorothy Ngalombi as its mentor and prospective Charter President, and PAG Florence Tamale as its Advisor. Other members of RC Nateete Kampala have supported the new club in various ways during the process. Our District Governor, Francisco Ssemwanga has been very instrumental and helpful with guiding the baby club.

In the photo above, PAG Ben Waira from RC Kyambogo was making a presentation in one of the fellowships on the topic: The Essence of Networking through Service-Your Role.

We wish them all the best.

RC NATEETE KAMPALA LAUNCHES THEIR PROJECT AT NAMAATO C.U PRIMARY SCHOOL NAMUTAMBA DISTRICT

The Rotary Club of Nateete-Kampala launched their project at Namaato C.O.U Primary School in Namutumba district, on 9th August 2023.

The club pledged to rehabilitate existing classroom blocks, and construct a staffroom and library at an estimated cost of Ugx.88 million.

Namaato Primary school is a government aided school, which is in a state that cannot allow good performance for its students. We found pupils sitting on the ground during lessons, the staff room was under a tree, and the toilets were in a very sorry state. Ms. Kafuko, the Headteacher of the school said the school was built so many years ago and lacked effective maintenance.

She called upon government and well-wishers to intervene to ensure that such problems are address.

The Hope Creator President, Miriam Nsubuga recognized the project director, PP Gertrude Sekabira and her team for identifying the project,

THE HEADTEACHER MS KAFUKO, PROJECT DIRECTOR AND PP GERTRUDE SEKABILA.

and for their dedication in the works that have been undertaken to date.

District Governor, Francisco Ssemwanga officially launched the project, and laid a foundation stone to the new classroom and staff room block. He urged parents to educate their children, especially the girl child, by tending to their physical and emotional needs so that they can grow up to become responsible adults.

Rotarians planted trees at the school and emphasized the importance of protecting the environment. They fed the children, donated clothes and organized a health camp. The camp received 64 patients from the surrounding community. 50 of them were adults and 14 children.

We delivered free medical services and counselling sessions to parents, teachers and students on career guidance, health, hygiene and preventable diseases like HIV and malaria.

When we were at Namaato, in our interaction with the pupils, one boy called Evans Isabirye of P3 impressed me with his bright answers and I pledged to buy for him a uniform and shoes. Recently, I handed over the money to PP Gertrude Ssekabira, our Project Director, and the Headmistress has just sent me the photo of the boy neatly dresses in a new uniform and shoes.

AT SPEKE RESORT MUNYONYO - KAMPALA

The District Governor Francisco Semwanga, led a delegation of fellow Past Governors; Emmanuel Katongole, Ken Mugisha, IPDG Peace Taremwa and District officials to launch the 99th District conference which is to take place from

24-27 April, 2024 at Speke Resort Munyonyo. The colourful event was graciously hosted by the Rotary Club of Munyonyo, on Monday 21st August, 2021. It was an evening

of motivational speakers, fun and entertainment, and Rotarians were guided through the process of registration. There was also a fundraising drive for the upcoming 99th DCA.

Nateete-Kampala was among the Rotary clubs in the District 9214, in Uganda and Tanzania, that attended, to support District Governor Francisco Semwanga, at this grand launch.

After the 98th DCA experience in Mbarara last year, I cannot dare to miss this one. I must attend, how about you? Register now.

THE 12TH ROTARY CANCER RUN 2023

AT KOLOLO INDEPENDENCE GROUNDS

Dear Rotarians,

I thank you, and warmly congratulate you for participating in the 5, 10, 15 and 20km marathon to raise awareness, and money in support of the fight against Cancer.

It was a great opportunity to create hope and show support to our dear ones who are battling with cancer, and to honour those who lost the battle.

The 12th Rotary Cancer Run, with the theme: "Run for Hope" took place on Sunday, 27th August 2023, at Kololo Airstrip and other towns and cities in Uganda.

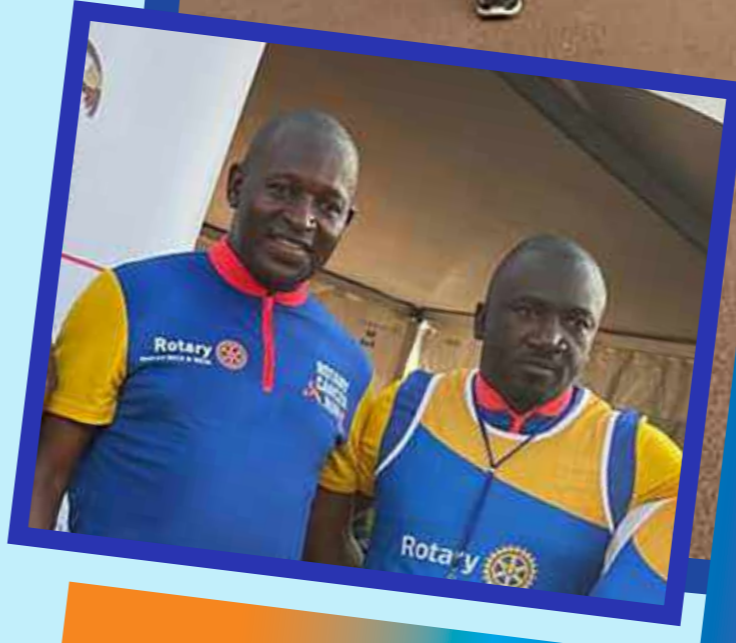

All proceeds from this year's Cancer Run 2023 will go towards the construction of the Cancer treatment ward at Nsambya hospital.

Thank you for creating hope.

Vive la Rotary!

THE 12TH CANCER RUN AT KOLOLO INDEPENDENCE GROUNDS

The Lungujja Elephants, the buddy Group in service for the month of August, were clad in Kanzus and Busuuti as they commemorated the Kabaka Ronald Muwenda Mutebi's II 30th Coronation Anniversary on the 27th July 2023

The Kabaka Ronald Muwenda Mutebi II supports Rotary and often participates in campaigns to reduce diseases that affect his subjects such as Polio, Cancer, HIV Aids, Sickle Cells and Fistula. He always encourages his people to join in the efforts towards the eradication of such avoidable killer diseases.

WANGAALA AYI SSABASAJJA !

Is Pride a sin? *Amalala kibbi?*

Pride comes in two ways. There's one that can be good the other that can be bad. The good one is you can be proud of someone, you can be proud to be an African, you can be proud to be a Christian, or you can be proud to be a muslim. Pride is a sign that you care, and it can star leadership.

Research has shown that proud people can look after their families and in work proud people's output is high. Pride can be good.

There is also a bad. Pride is selfish thinking about self thinking the worth of yourself is higher than it is actually is. Proud people tend to think they are above others because they have achieved a certain level of status, giving them a sense of superiority.

"God resists the proud but gives grace to the humble." If you want to see the wrath of God, be proud. Pride means it's "I" who has done it. You are actually sitting in God's chair it hinders God from promoting you. Remember, whatever we do in this world is by God's grace.

The position you are in, the money you have, and the status you have, you don't deserve it. There are so many people out there who are more qualified than you are, more skilled than you think you are. But God chose you. Why the pride? Remember, all we have is for God. We are just custodians. We are serving God whatever we do. Let us do it with all our hearts and minds. God is a giver of rewards. "Pride goes before destruction, a naughty spirit before a fall." Words can not be retrieved. Be careful as you brag.

It costs you nothing to be humble if anything it adds to your soul. Every action has a reaction. Pride can bring rejection.

Pride is a sin and is the opposite of humility. What God hates you should hate. We should be humble and prioritize the Almighty before status, riches, and honour. Where there is pride, there is no God. And where there is no God, there is no happiness.

When we are humble, we are assured of God's exaltation

UNITY IS STRENGTH

A man who calls his kinsmen to a feast does not do so to redeem them from starving.

They all have food in their own houses.
When we gather in the moonlight at village ground, it is not because of the moon. Every man can see it in his own compound.
We come together because it is good for kinsmen to do so.
Therefore let us continue with the team spirit and enjoy the power of togetherness. Let's smile not because we don't have problems but because we are stronger than the problems....

- *Alone I can smile but together we can laugh***
- *Alone I can enjoy but together we can celebrate***
- *Alone I can talk but together we can speak***

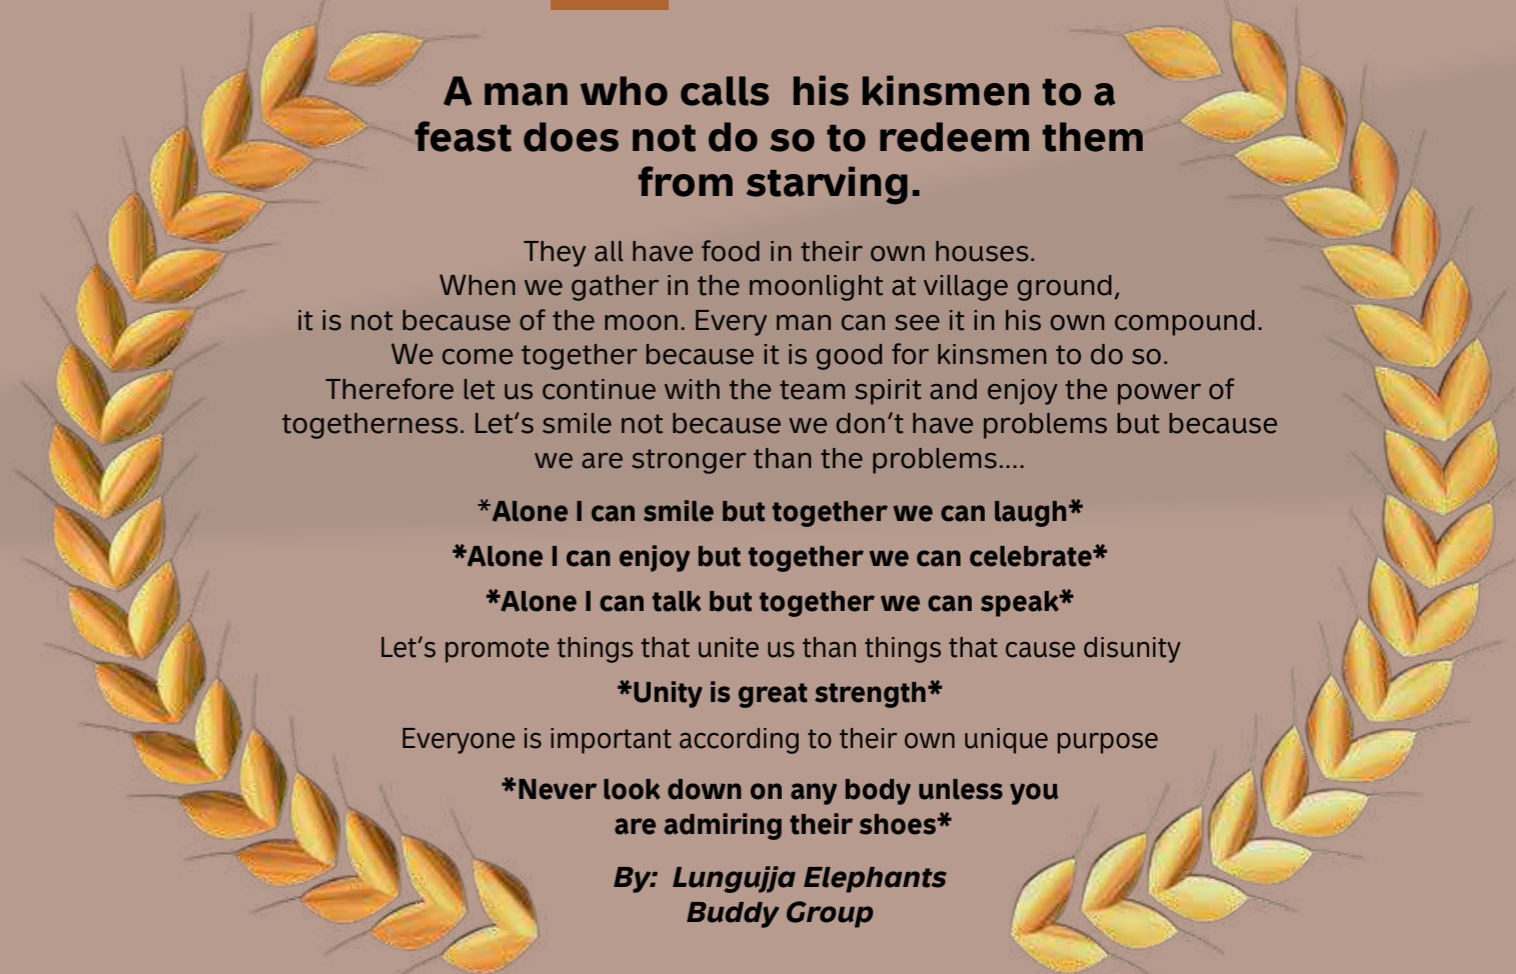

Let's promote things that unite us than things that cause disunity

Unity is great strength

Everyone is important according to their own unique purpose

TRUE STORY

There was a man from Texas in the US who did carpentry work. This man, every morning, passed in front of a Church on his way to work. One day he took a decision that he must go into the Church at the chapel to greet JESUS before going to his work.

So then on each day he passed the Church he would go to the chapel and say "JESUS I'm here to greet you" he did this for many years and it became part of him.

One day as he went to work as usual, he fell down from the roof where he was working and had a spinal cord injury, he was taken to many hospitals and there was no remedy to his health and he became so paralyzed.

One day at the hospital where he was on his sick bed without hope, his wife left him alone in the room to bring something from the house. A man who dressed in white walked into the room and greeted him saying, "my friend I have come to greet you. It was JESUS who came to visit him since he couldn't come to visit Him as usual at the church.

And the sick man said Thank You, the visitor left and this man started to notice changes on his body, and to his greatest surprise, he got up and sat down on the bed still thinking if it was a dream. When his wife came and saw him sitting down she thought it was a Ghost and raised an alarm, ran out from the room.

The Doctor and Nurses rushed to the room thinking the sick man is dead, when the Doctor first entered and saw the man sitting comfortably, he also ran back, before he decided to ask him what happened and the healed man told him all that happened, He was visiting JESUS daily for many years but one singular visit by JESUS changed his hopelessness to joy!

My brother, sister and Friend who is reading this message, this is a true life testimony. It surely happened JESUS CHRIST lives, do not allow any body to deceive you please. As you type GOD IS GOOD and share this message to 5 different Facebook groups The ancient of days, he will visit you and change your situation before 3 days from now. 8 years of Good luck to those who will share to 5 groups.

WE ARE ALL NAKED

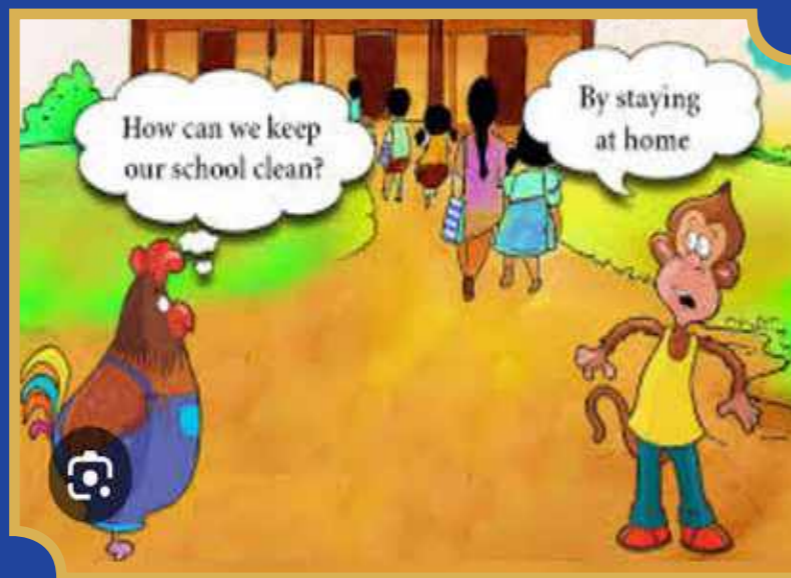

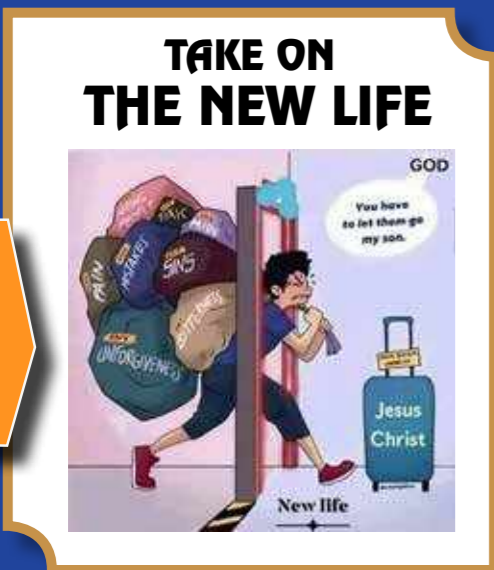

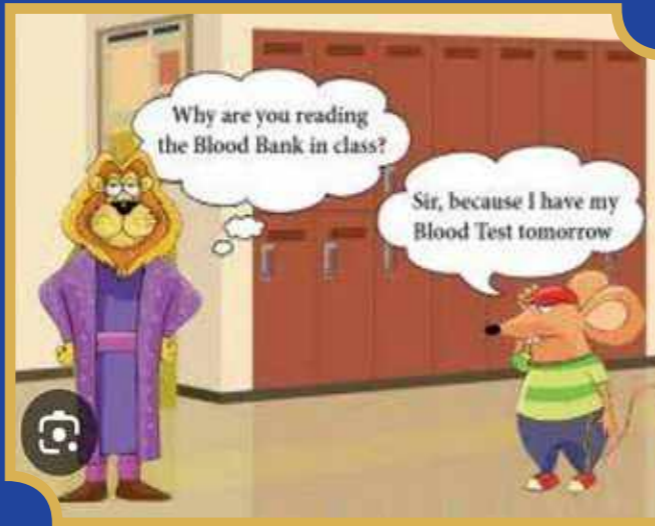

"We are all naked to death" says Steven Jobs. Nothing can save us from it. I hate to see people who brag about wealth, beauty, intelligence, level of education, fame and material possessions. There's nothing you have achieved in life that no one else has never gotten. There's only one thing that's worth bragging, which is "life in the almighty God." So, be good to your fellow man and always remember that the people you trampled upon on your way up a ladder are the same set of people you're likely to pass on your way down. Even banana stems will one day become dried leaves. So don't be foolishly driven by material possessions.

This house and vehicle was the most beautiful in community some years back and the owner was the richest man in whom all looked up for support, but today the properties have grown old. And should you be found sleeping in that house they call you mad. Nothing in life is worth fighting for. Your best clothes is someone's rag. Your account balance is someone's donation at a function, your boyfriend/ girlfriend/ fiancé is someone's ex. Every prostitute you see on the street at night was at some point in time a virgin. We are all naked to death"
