Editor's Message

**Dear Esteemed readers,
HAPPY NEW YEAR!**

2023 is now behind us, and we embrace the second half of our Rotary Year. How time flies!

December has been a month for disease Prevention and treatment. Yes, it prompts all concerned, to take measures to prevent, or minimize the spread of infectious diseases, and how to deal with them in order to keep communities healthy. For Rotarians, it's a responsibility we need to take to sensitize our communities about the importance of prevention and treatment of disease such as HIV/AIDS, polio, TB, etc, for a better healthy living.

Lastly, as we welcome 2024, I cannot forget to remind you of the upcoming two important Rotary Events on our calendar; to round-up the successful completion of the Rotary year 2023-24; ie

The 99th DISCON 2024 slated for 25-28 April 2024 at Speke Resort Munyonyo; and

The Rotary International Convention in Singapore, 25-29 May 2024.

Have you registered? Miss at your own cost..

R I PRESIDENT'S DECEMBER MESSAGE

Dear Rotarians and Friends,

As we approach the culmination of a remarkable year, it is my privilege to share the December message with you. The Rotary Foundation's enduring motto, "Do Good in the World," resonates profoundly, reflecting our collective commitment to positive change. In this season of giving, let us delve into the reasons behind prioritizing our support for the Rotary Foundation.

Five Compelling Reasons to Support TRF:

1. Making Rotary and Rotaractor clubs more effective
2. Excellent financial management
3. The SHARE system
4. The ability to pilot projects at the club level, then expand them to the international level
5. Rotary Action Groups.

December, a month universally associated with giving, aligns with the spirit of Christmas and its tradition of generosity. In several countries, citizens receive favourable tax treatment for charitable gifts, a practice often observed at year-end. In this spirit, I wish to discuss ways each of us can contribute to aiding Rotarians in serving others and doing good in the world. The good news is, there are numerous avenues to make a meaningful impact.

Giving to the Rotary Foundation:

A straightforward method to contribute is through our beloved Rotary Foundation. Most often, our gifts to the Rotary Foundation are contributions to the Annual Fund or the Polio Fund, supporting TRF's signature program of polio eradication. I urge you to consider two additional ways to give: a) the TRF endowment and b) specific global grants.

Why contribute to the TRF Endowment? It ensures a perpetual source of resources for the Rotary Foundation. Funds placed in an endowment are never spent; only the earnings generated by the endowment are utilized. TRF's total, including expectancies, is close to 2 billion US dollars. Not widely known is TRF's Economic Development and Empowerment Fund, an endowment specifically focused on economic development projects. Earnings from this fund annually support economic development global grants. If you wish to contribute, please direct your gift to TRF Fund E11972.

Direct contributions to global grants also make a significant impact. Over the past decade, TRF global grants for economic development projects have totalled over \$105 million US dollars. Your direct investment can shape future global grants.

Giving to RAGCED's Foundation:

Many RAGCED members may be unaware of RAGCED's charitable foundation – the Economic Development and Empowerment Foundation (ED&E). This foundation undertakes economic development-oriented projects that the Rotary Foundation either cannot or chooses not to

fund. Notably, the ED&E Foundation supports construction projects, a field TRF policy does not cover. Learn more at www.empowermentfdn.org.

Giving Your Time:

Simultaneously, consider the invaluable gift of your time. Explore four ways to contribute:

1: Serving on a RAGCED Committee

Leverage your vocational and professional skills by volunteering your time to one of our committees. Explore opportunities at <https://www.ragced.org/page/our-committee>. Your skills are undoubtedly beneficial to at least one of those committees.

2: Volunteering on a Global Grant

The hands-on participation of Rotarians is a hallmark of Rotary Foundation humanitarian projects. TRF prioritizes projects with direct Rotarian involvement. Consider volunteering your time and talents. If uncertain about the process, contact RAGCED's Operations Committee at operations@ragced.org.

our gifts to the Rotary Foundation are contributions to the Annual Fund or the Polio Fund, supporting TRF's signature program of polio eradication. I urge you to consider two additional ways to give: a) the TRF endowment and b) specific global grants.

3: Serving as a CADRE

Utilize your professional and vocational skills by joining CADRE. Members possess expertise in a broad range of vocations. If you seek a way to use your skills to help others, contact cadre@ragced.org.

4: Joining or Setting up a RAGCED Chapter

Participate in local chapters to bring RAGCED's activities closer to home. Presently, chapters exist in India and the Philippines, with expansion plans. Explore more at <https://www.ragced.org/page/chapters>. If you live in a different part of the world, consider initiating a local chapter. Rotarians are inherently generous, and as highlighted, there are diverse ways to contribute—be it resources or time. Please consider giving to support RAGCED and the Rotary Foundation in their mission to foster economic development.

Wishing you all a joyous holiday season and a Happy New Year!

Warm regards,

PDG Carl W. Treleaven

DISTRICT GOVERNOR'S DECEMBER MESSAGE

I am so Impressed by your commitment to Our District Signature Project of Promoting Basic Education and Literacy, the Membership efforts, the support to the Rotary Foundation among others.

As we enter this month of December and also come to the end of the Calendar year and the first half of Our Rotary Year, I request that we focus on two main issues in this month, that is payment of our Rotary International Dues and the completion of Registration for the 99th District Conference and Assembly.

With regard to Dues payment, I call upon all of us to pay our second Semi Annual dues this moth such that we do not lose membership. Our District performed so well with regard to membership growth since the year started and its my prayer that we consolidate these achievements by avoiding losing members as we cross in the second half of the Rotary Year.

About the District Conference and Assembly, the early bird window is closing on 31st December 2023 and registration is at USD 200 and USD 120 for the

Rotarians and Rotaractors respectively. I want to encourage all of us to register before the end of December to allow the District Conference and Assembly Committee prepare well for the Event and work on the necessary logistics in time.

PRESIDENT'S DECEMBER MESSAGE

Dear Friends,

Praise the Lord for He has successfully taken us through the first six months of this Create Hope in the World year 2023/24.

It is our regular activity to visit the home of disabled, Larche`at Busega. I feel so happy, club members contributed generously towards this noble cause. Baskets of food and necessities were carried to these deserving people, on Saturday 23rd, 2023. Your contributions have put a smile on these people`s faces. Thank you.

Members, below are some of our achievements during these six months:

- Very lively fellowships with inspirational and motivational speakers. Thanks to our Director Administration, Director, Public Relations and team, Zoom officer and Active Buddy groups
- Successful celebration of our charter night.
- Hosted our District Governor, Francisco Ssemwanga, successfully.
- Governor`s 100 days of service was also successful.
- We had a very colourful and successful Christmas Carols Fellowship
- Elevation of our 4 club members to service beyond the club and these are DG Francisco Ssemwanga, DYL PP Angel Kisekka and PAG Tamale Florence, Chair Governor`s Banquet and Rtn Godfrey Yawe Personal Assistant to District Governor.

Amidst all these achievements, we have had challenges during this period where some of our members got sick, these include myself, PP Mary Ssebaduka and PP Maggie Sebalu.

God was so good to us and we are now praising Him for the gift of life.

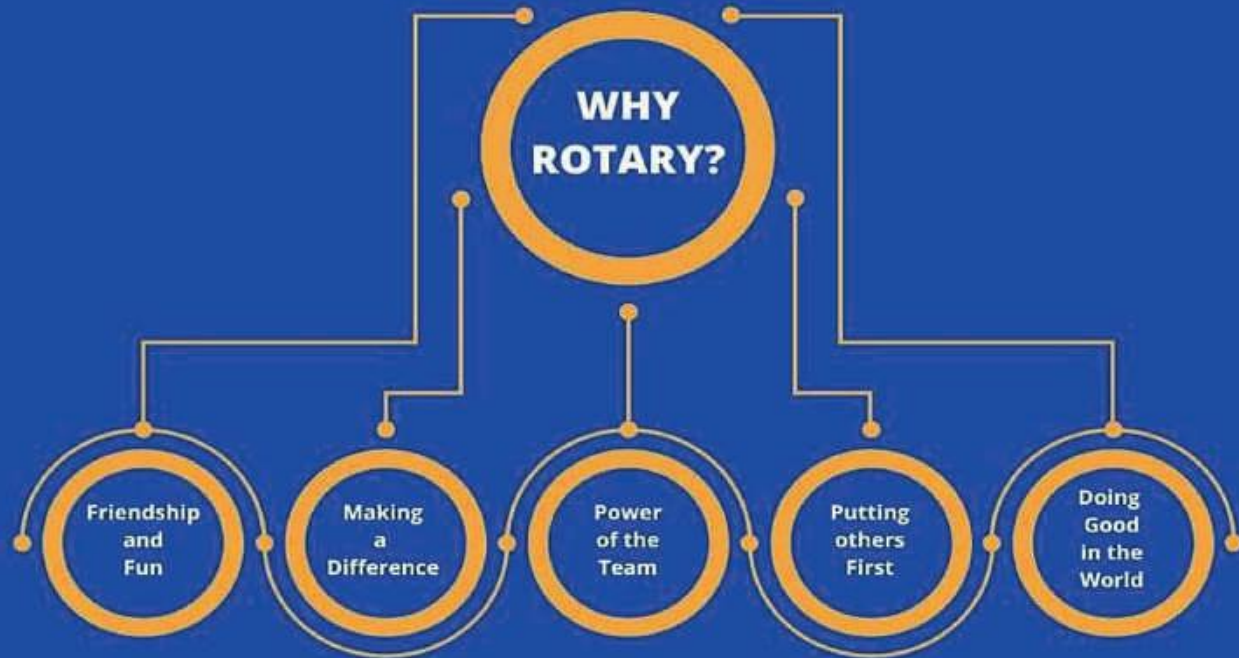

Members, I once again thank you for your support during this 1st half of the year. The team work exhibited should be continued. Thank you for all you have done to create hope in the world.

I also want to take this opportunity to thank PP Chris Kalyesubula for standing in for while I was sick. Thank you so much and may the good Lord continue to bless you.

Friends, as we approach the vocational Service Month of January 2023, we are going through the festive season. Please take care of yourselves, God still loves us.

DISEASE PREVENTION AND TREATMENT AWARENESS

A SERVICE TO MANKIND

The Rotary calendar dedicates the December month to diseases prevention and treatment. This is one of Rotary's main area of focus.

In the quest to serve humanity, rotarians take the initiative to raise awareness about living healthier lives and the necessary support, leading to happier, more resilient and productive communities.

So, what are the healthy habits for preventing, controlling and treating diseases?

1. Immunise against infectious diseases; such as Polio, tetanus, TB, diphtheria, etc.
2. Visit health centres for professional treatment and after, stay at home until you recover.
3. Do not self medicate. See a professional for proper prescription.
4. Wash and dry hands regularly.
5. Cover coughs and sneezes.
6. Keep your homes clean and well ventilated. Clean your work surfaces regularly.

7. Use, clean and disinfect the toilet properly.
8. Give personal hygiene your highest priority.
9. Do not share personal items.
10. Prepare food in a clean and safe environment.
11. Eat a well balanced diet.
12. Drink clean boiled water.
13. Exercise.

RC Nateete-Kampala, has taken that extra step, holding medical camps in remote schools and health centres in Luuka and Namaato respectively, and supporting our local community partners, L'Arche here in Busega. We have provide awareness about good health behaviors to these communities and the general public.

Recently we donated tri-cycle ambulances to ease the mobility for pregnant mothers to access health facilities in for deliveries.

By Rtn Florence Kibirango

“I want to remember your face so that when I meet you in heaven, I will be able to recognise you once again.” and thank you once again.”

When Nigerian billionaire Femi Otedola in a telephone interview, was asked by the radio presenter, “Sir what can you remember made you a happiest man in life?”

Femi said:

“I have gone through four stages of happiness in life and finally I understood the meaning of true happiness.”

The first stage was to accumulate wealth and means. But at this stage I did not get the happiness I wanted.

Then came the second stage of collecting valuables and items. But I realised that the effect of this thing is also temporary and the lustre of valuable things does not last long.

Then came the third stage of getting big projects. That was when I was holding 95% of diesel supply in Nigeria and Africa. I was also the largest vessel owner in Africa and Asia. But even here I did not get the happiness I had imagined.

The fourth stage was the time a friend of mine asked me to buy wheelchair for some disabled children. Just about 200 kids.

At the friend’s request, I immediately bought the wheelchairs.

But the friend insisted that I go with him and hand over the wheelchairs to the children. I got ready and went with him.

There I gave these wheel chairs to these

children with my own hands. I saw the strange glow of happiness on the faces of these children. I saw them all sitting on the wheelchairs, moving around and having fun.

It was as if they had arrived at a picnic spot where they are sharing a jackpot winning.

I felt REAL joy inside me. When I decided to leave one of the kids grabbed my legs. I tried to free my legs gently but the child stared at my face and held my legs tightly.

I bent down and asked the child: Do you need something else?

The answer this child gave me not only made me happy but also changed my attitude to life completely. This child said:

“I want to remember your face so that when I meet you in heaven, I will be able to recognise you and thank you once again.”

What would you be remembered for after you leave that office or place?

Will anyone desire to see your face again where it all matters?

This is a must read piece. It got me thinking. I am sending it to all my friends. I pray it does same to everyone.

Try to touch lives God bless you.

This is the spirit of Rotary, the big hearts that serve above self

BE AGENTS OF PEACE LET'S BE OF P

There is a phrase that Christmas comes once a year! It is a special time of the year, time for peace, thanksgiving, a time for giving a time of joy and a time for celebration. A time of advent, waiting for the birth of our Lord Jesus Christ.

At Nateete-Kampala, the the season was celebrated in a special way. A Christmas Carols Service organized by buddy group Lunguja Elephants was held at IVY'S Hotel poolside at sunset, and my, what a splendor it was! Many Rotarians, Retractors and friends attended. The space was fully packed, and so creatively decorated with designs, balloons, etc in colours White, Red, Green and Black symbolizing the Birth of Jesus Christ. It was a Jovial celebration of singing and welcoming Christmas as Rotarians.

The service started with lighting of the Christmas tree, by the President, PP Chris Kalyesubula together with the presiding priest Rtn Father Herman Mukasa Zziwa, Chaplain Nkumba University, Rev Father Herman Zziwa explained that tChristmas is a Birthday Day Celebration of Jesus Christ, the Greatest Birthday of the Most High.

Reasons for Christ's Birth were Hope, Love, Peace and Joy.

In his Sermon, Rev Father Zziwa urged Christians to be agents of peace for a harmonious living. Quoting Chapter one of the GOSPEL according to LUKE 1;1-23, Rev Fr Zziwa said the birth of Jesus Christ brings Joy and Gladness to mankind. The salvation which comes with Jesus Christ should be the ultimate goal of every believer.

About peace Prelate said that that everyone should be an ambassador of peace. He said, we should all be peacemakers instead of being at the receiving end,

Rev Fr Zziwa who is also a Rotarian said that the birth of Jesus Christ is a sigh of love of God to mankind. That dies as a sacrificial lamb to cleanse the Sins of Man Kind.

He finally said Christmas Season reassures us of the hope of life after Death. In every Situation (Good or bad) we should be hopeful in his Salvation.

The Past President of Nateete Rotary Club Rtn Christopher Kalyesubula, urged all people of Good Will to come to the rescue of all Disadvantaged groups in our communities.

The Executive Secretary, Rtn Sylvia Mayambala thanked Rotarians led by Buddy Group Luguja Elephants, for the colorful carol service. She explained that

AGENTS PEACE

Christmas Carols Service was introduced by herself in the Club and she is very happy to see this happening every Easter and Christmas annually, So Amazing. She Called upon Rotarians worldwide to celebrate the birth of Jesus Christ, a Savior born unto us. Christmas this year 2023 is a day for thanksgiving. "The Road was not easy from January to December, we need to Thank God for that "

As a Club we visited Larche community on 23rd Dec 2023. As our usual practice on special days like these, we give them Christmas hampers and put a smile on their faces. As it was preached by Rev Father Zziwa, "we should create hope, peace, love and happiness in our communities through giving and sharing with the less privileged. "

The attendees were treated to angelic voices from the club's four buddy group choirs, i.e. Lungujja Elephants, Busega lions, Nateete Zebras, and Mutundwe Giraffes.

Songs sung by Buddy Groups:

Nateete Zebras---	Joy to the world

Seasons Greetings

We are wishing all our members and welwishers memorable festive seasons.

May the season bring to you all Joy, Good Health , Prosperity and the best of 2024

IT WAS GOD'S PROMISE TO MARY

Mary had God's promise that she would give birth to the Messiah, (Luke 1:31-33), but she had no one to come alongside her and encourage her in her dream until she visited her cousin Elizabeth. She was an older woman who had been barren her whole life but now had been pregnant with the baby John the Baptist for six months. (Luke 1:36). Just the sound of Mary's greeting caused Elizabeth's baby to leap in the womb. (Luke 1:44). Mary didn't have to convince Elizabeth to believe for the miracle. They came into immediate agreement with each other, and they both saw something uncommon, out of the ordinary. Elizabeth gave birth to John the Baptist, (Luke 1:57) and Mary gave birth to Jesus. (Luke 2:7)

Dearly Beloved, God has ordained that certain people will hear your dreams, see your vision, and come into agreement with you and believe for what you're believing. You don't have to talk them into it or hope they'll help you; it's a divine connection. God has orchestrated them to be a power partner to help push you into your destiny. Wait for the right person who believes for what God put in your heart. Halleluyah!

Sovereign God, thank You for the divine connections You have ordained for me. Thank You for the power partners who believe for what I'm believing and encourage me to keep believing. Help me to get into agreement with the right people in Jesus' name.

DEARLY BELOVED,

LETS BE BE THANKFUL TO GOD THE ALMIGHTY

"Because of His tender mercy by which the rising sun comes to us from Heaven, to shine on those living in darkness and in the shadow of death, to guide our feet into the path of PEACE." (Luke 1:78-79)
