## CMP ANGEL KISEKKA MARCH 2022

### Coming back to reality

Water, Sanitation and Hygiene continues to be one of the communities' challenge. Due to Rotary's input we are seeing this come to be history going forward. Thanks to the Rotary family for the selfless act to humanity.

We are coming back to normal slowly. Thumbs up to you all that are responding to the call of resuming physical fellowships. The smiles, love and gestures during our meetings has truly made us realise the purpose of life more so when it comes to being a Rotarian

Special thanks to you all members going an extra mile to support the causes of Rotary (Contributing to PolioPlus Fund), supporting Family of Rotary (Contributing to Rtn. Salim's function) **Let's continue sticking together, in all situations for the Club is what binds us.**

We have continued to have educative and fun fellowships, the Mutundwe Giraffes Buddy Group led us so well in March with unique innovations. Let's emulate these ideas to make the club even more fun and receptive throughout the year.

The Club Retreat (30 April), District Conference (12-14 May), Installation (26 May) are the key events that we all must not miss. Kindly let us plan effectively.

April is Maternal and Child Health month. We have done quite well in this area during our 4 buddy groups service projects. But this does not mean the issue is addressed to zero. We must continue monitoring and extending a hand in all ways possible for the betterment of our mothers, unborn children and the new borns.

I wish you a happy month and Happy Easter celebrations..

## EDITOR'S MESSAGE

### LIVING YOUR LIFE IN CHRIST.

"So then, just as you received Jesus as Lord, continue to live your lives in Him, rooted and built up in Him."

#### [Colossians 2:6]

Receiving Christ as Lord of your life is the beginning of the life with Christ. But you must continue to follow His leadership by being rooted, built up, and strengthened in the faith. Christ wants to guide you and help you with your daily problems. You can live for Christ by committing your life and submitting your will to Him; seeking to learning from Him, His life, and His teachings; and recognizing the Holy Spirit's power in you. Blessed New Month of Grace, Peace and Love.

## CALL FOR ARTICLES

## **Shekhar Mehta, President 2021-22 March 2022**

We have overcome so many challenges these past two years and changed numerous lives. It brings me great joy that we have worked so hard this year to grow Rotary through the Each One, Bring One initiative. The result has been excellent growth in membership. Let us keep up the momentum. I am happy that you have put a spotlight on all we do by organizing projects around the world in our Rotary Days of Service. The future looks brighter than ever for Rotary and our 1.4 million members.

On 11 March 2020, the World Health Organization declared that COVID-19 constituted a pandemic, and two years later it is important that we continue to draw on our expertise in our disease prevention and treatment area of focus to help people worldwide cope with the continuing challenges. The pandemic continues to defy all expectations, but we cannot be frozen in fear. Our work is too important. It is also important that we make time for each other, and I urge you to register for the upcoming 2022 Rotary International Convention in Houston. It is a great way for all of us to safely celebrate Rotary service.

We can continue to build hope and spread peace in the world by using our resources to help the most vulnerable and keeping our faith in the future.

The pandemic has had an especially devastating impact on girls worldwide. On the first anniversary of the pandemic, Henrietta Fore, the executive director of UNICEF, said that “immediate action is needed to mitigate the toll on girls and their families.” This need, unfortunately, remains just as strong a year later. The ripples of the pandemic have affected girls in unique ways — stunting their educational attainment, weakening their job prospects, and contributing to other terrible results such as child marriages and increased human trafficking.

Data from UNICEF reveals why our action is so essential. In the 2010s, important progress was made toward eliminating the practice of child marriage, and UNICEF estimates that 25 million such marriages were averted worldwide. Unfortunately, the pandemic reversed those positive trends, and as a result an additional 10 million girls are vulnerable to becoming child brides by the end of this decade.

This is why our focus on Empowering Girls is such vital work, and I am delighted that at this year’s virtual International Assembly, President-elect Jennifer Jones committed to continuing this initiative for another year. In my travels, I have witnessed many wonderful examples of club projects that back our Empowering Girls goals. But all Rotary members know that real change requires big efforts sustained over many years. This is the power of our global grants and actions taken within our areas of focus.

I encourage clubs to think of innovative ways to empower girls when designing their grant projects. Every step we take to improve education, health care, and economic opportunities for girls makes an important difference in helping them achieve their full potential. With opportunity we create hope, and with hope we address the root causes of conflict around the world, setting the stage for sustainable peace.

None of us know how long the COVID-19 virus will linger — and as an organization that has worked tirelessly for decades to eradicate polio, we understand better than most the difficult work that lies ahead for the world. That is why we need to remain focused on the future and on what is possible — not feeling nostalgic for the way our lives were, but looking hopefully to a future that uses this opportunity to Serve to Change Lives. I look forward to continuing this good work with you.

**\*HOLD ON TO GOD'S PROMISES\***

“Behold, all those who were incensed against you shall be ashamed and disgraced; they shall be as nothing, and those who strive with you shall perish. You shall seek them and not find them—those who contended with you. Those who war against you shall be as nothing, as a nonexistent thing. For I, the LORD your God, will hold your right hand, saying to you, ‘Fear not, I will help you.’” **Isaiah 41:11–13\***

**Manager - Menu Sir ??**

**Man - I'm blind, just bring me ur kitchen spoon, I'll smell it & order.**

**Manager got a spoon.**

**Blind man smelt and said "Yes, I'll have garlic bread with seasoned potatoes...**

**"Unbelievable" said the manager...**

**Every week he came and was correct each time.**

**Once manager wanted to trick him. He went to the kitchen and told his wife Maria "Rub this spoon on ur lips". She rubs it on her lips and gives it to her hubby...**

**Blind man smelt and said,**

**"Oh ! My God.....!!**

**My classmate Maria also works here!!**

**Manager fainted !!!**

**Do not laugh alone pass it on !!!**

Hi, wama we are here confused with my friend. A man came to our shop to buy bread. He gave us ugx 10,000 and demanded for bread worth ugx 2,000. But we didn't have change.

So my colleague had to go to our neighbor to change the money into smaller changed amount so that we could give the customer balance. We finally gave the customer ugx 8,000 balance and he went away.

Unfortunately the neighbor whom we had collected the change from came back to our shop and told us that the ugx 10,000 note we had given was a fake note!

So after everything, we accepted that fault, collected the fake note and gave our neighbor another ugx 10,000 note. So, our argument is that how much did we loose in total?

It's funny but both of us are getting a different figure as our loss so we decided to ask and see whose figure is correct. We got 4 different answers; ugx18,000, ugx20,000, ugx10,000 and ugx12,000
