Editor's Note

Welcome to the October 2023 Mpagi bulletin.

The first 100 days are behind us, and it is so pleasing to note that we continue to fulfill our commitment of creating hope in the lives of those in need in our communities. It has been a wonderful eventful period and I pray that we continue with the good work exhibited this far.

As we begin the new season of service above self, our work as rotarians starts in the community. October being the month for Economic and Community Development, we are energized to do what is necessary in identifying and responding to the needs

FLORENCE KIBIRANGO,

of people in our communities to make a difference in their lives. We are proud of the work we have put up.

Each month's bulletin brings you highlights of some of the activities accomplished by our club. We also bring you articles, stories and photographs to accompany them. I would like to thank members for their contributions in one way or the other. And you our dear readers, thank you for taking the time to read our stories.

Enjoy the reading.

RI PRESIDENT'S OCTOBER MESSAGE

Dear fellow Rotary members,

The World Health Organization designates 10 October as World Mental Health Day, and with Rotary placing a special focus on mental health this year, I would like to help answer the question posed to me most often when I travel to meet members: How can my club get started?

There are some wonderful examples of Rotary members taking action already. In the Philippines, the Rotary Club of Tiaong-Hiyas held a 12-week health challenge for mothers in the community to promote some baseline health screenings and coaching on a healthier lifestyle.

By the end of the challenge, the mothers had a special bond and decided to form a Rotary Community Corps called Ilaw ng Tahanan ("one who lights up the home") with the goal of involving more mothers in health education and wellness support — and later youth services, teen pregnancy prevention, and help with unhealthy substance use. Almost a year later, the RCC is preparing to open its own health center where mothers can come for peer-to-peer support.

Another strong example is in Colorado. In the fall of 2021, a small group of stakeholders from the Rotary Club of Highlands Ranch formed the Rotary Clubs of Colorado Endowed Fellowship for Pediatric Mental Health, which enhances the ability of Children's Hospital Colorado to recruit and train pediatric psychiatry providers and allows the hospital network to make additional appointments. This increases access to mental health care for children and decreases provider shortages.

Since then, the project has brought on new supporters and is now fully funded with a \$500,000 endowment. Investment income from this endowment will support a fellow — a psychologist or psychiatrist — at Children's Hospital. A new fellow will be named every one to two years, beginning spring of 2024.

Over time this will create a cohort to bolster the mental health workforce, treating kids from all 64 Colorado counties and neighboring states. There are many more great mental health project stories on Rotary Showcase, and I invite you to share your experiences as you begin your own projects.

Also, please reach out to mindhealth@rotary.org with any thoughts or ideas you would like to share about mental health in the Rotary world.

On 10 October, I will host a Facebook Live event when we will recognize World Mental Health Day and further explore how Rotary members can begin this journey. But I would like to leave you with one way every Rotary member can make a difference.

Right now, there is someone you know in the Rotary world — in your club, from a project you've worked on, in a Rotary Fellowship or Rotary Action Group — who could use a little more of your

time and attention. Rotary is this great gift of global friendship, and that also means being there for each other.

Discovering the human connections that bind us is what we do through our membership every day. It's what Rotary has always been about, and we can build on it by helping each other find peace at home.

We need to learn how to ask not just "How are you?" but also "How are you really?" By doing so, Rotary can continue to Create Hope in the World.

There are many more great mental health project stories on Rotary Showcase, and I invite you to share your experiences as you begin your own projects.

**Gordon McNally
President, Rotary International**

DISTRICT GOVERNOR'S OCTOBER MESSAGE

DEAR FRIENDS OF GOOD HEARTS!

I bring you greetings from our District 9214. I thank you fellow Rotarians, Rotaractors and our partners for the continued Service we offer to Humanity.

We are about to come to the end of the first quarter of this Rotary Year. Time really flies. I am so excited about the great achievements we have so far registered with regard to the goals we set for ourselves to achieve. I would like to congratulate the new Rotary Clubs of Kabale City, Lake Bunyonyi and Masaka City and the Rotaract Club of Rubaga Lake View upon being Chartered in this last month of September. Thanks to the Mother Clubs and the New Club Advisors to the Clubs for the work well done.

With regard to the Rotary Foundation, I thank those Clubs that have so far contributed and utilized from the Foundation. It is however sad to note that less than ten Clubs have qualified for the Rotary Year 2023/24 in both Uganda and Tanzania!! As we draw close to the month of November which is designated to the Rotary Foundation, I urge all of you good people that we do the needful and support the Foundation.

I want also to remind you fellow Rotarians and Rotaractors that on 1st November 2023 and 3rd November, 2023, we shall have a Rotary Foundation Dinner in Dar es Salaam and the Africa Peace Concert in Uganda respectively.

Both events are going to be graced by the Rotary International Trustee, Marty Helman Peak. Let us effectively participate and support these Events to ensure we achieve Our goals.

The month of October is for Economic Empowerment of our Communities. It's however unfortunate to note that most of our Rotary Clubs have not done much in this Area of Focus.

The District Rotary Foundation Committee noted that very few Clubs have applied for Global Grants in the area of focus in the last two years. Poverty is the leading cause of problems in Our Communities thus a need to address it.

I conclusively thank the Editorial team of this Ubuntu for their dedication, so far so good. Fellow Rotarians and Rotaractors, I can't thank you enough for the continued Service and selflessness towards Humanity.

I pray that we maintain the momentum as we start the second quarter of Our Year of service and I am so optimistic that we shall achieve our goals and even surpass them as we Create Hope in Our Communities.

**Yours in Service
Francisco Ssemwanga
District Governor (D9214 Uganda and Tanzania) 2023/2024**

PRESIDENT'S OCTOBER MESSAGE

Dear Friends,

We glorify the Almighty God for his grace, favour and love that have enabled us to go peacefully through this Economic and Community Development month of October 2023.

This month started with historical news, on October 12th, 2023, when RC Nateete - Kampala hosted 100 Days of DG's Performance, led by Masaka road corridor clubs. It was such a memorable event which promoted the Rotary Spirit in our community.

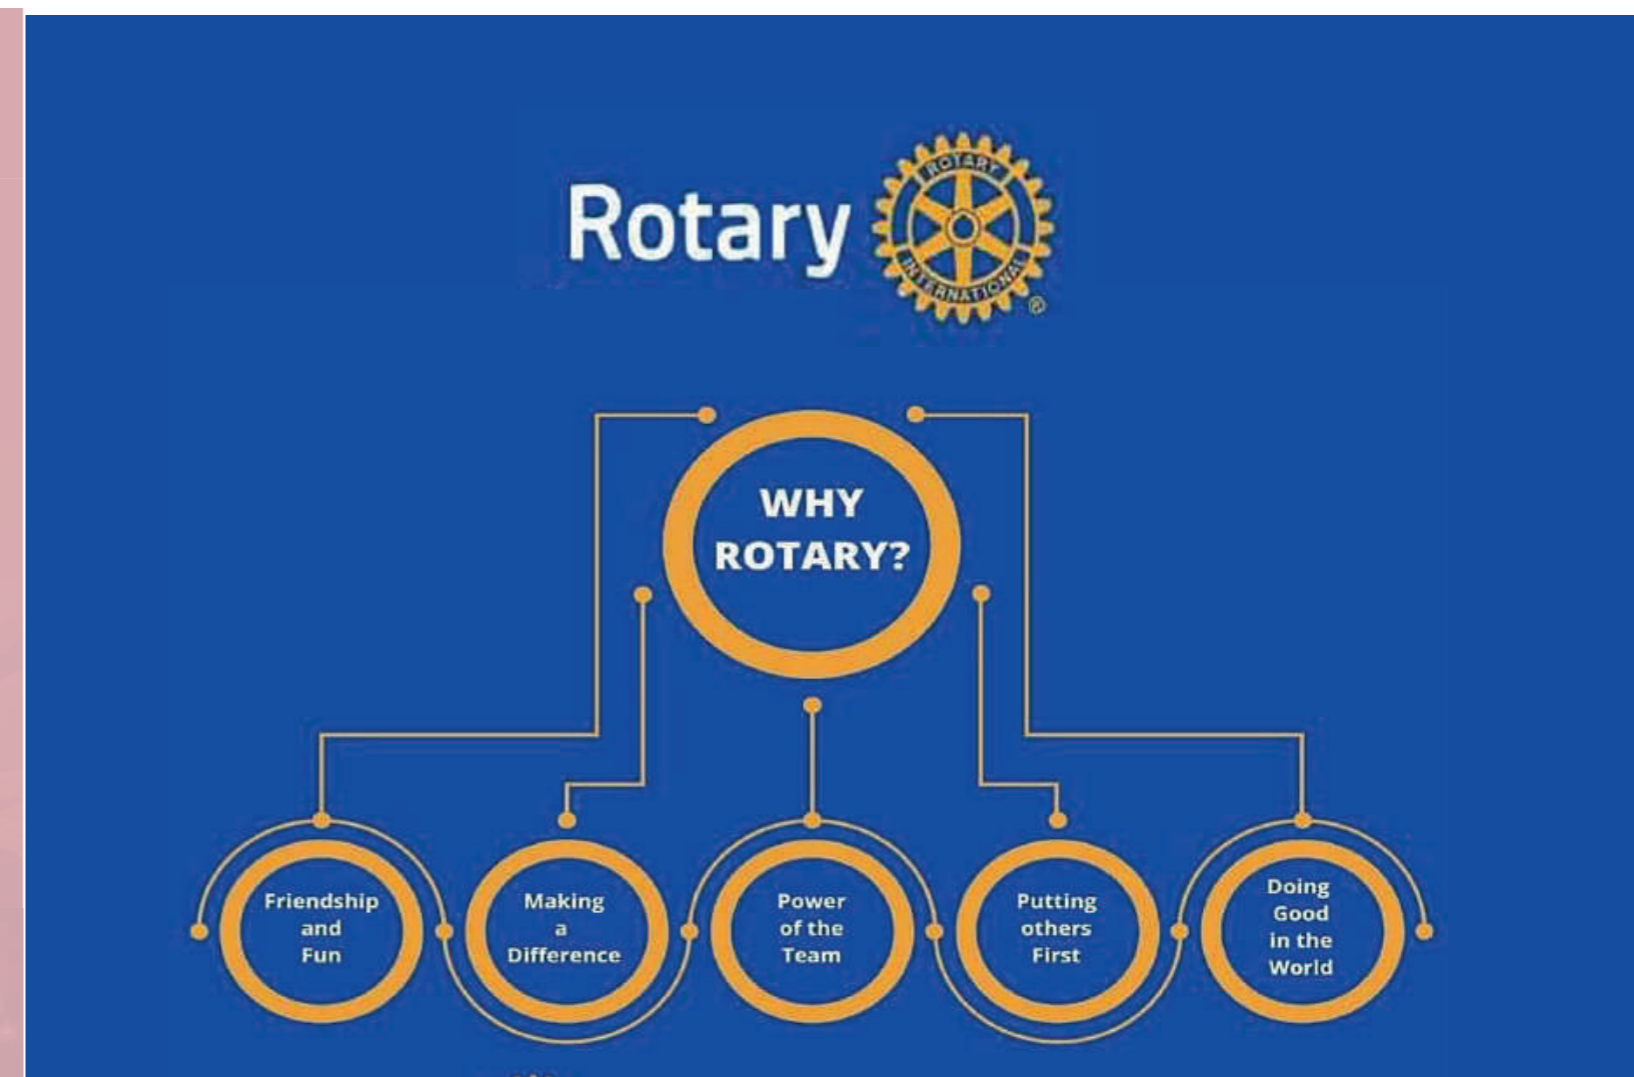

The day started with a Medical Camp, Testing HIV/AIDS, Blood Pressure, Diabetes Blood Donation by Mengo Hospital and Launch of Polio Immunization for the Corridor Clubs, by District Governor Francisco Ssemwanga with other District Officials, together with Masaka Road Corridor Clubs at Smile Medical Centre Lugala - Rubaga Division. The activity was well covered and attended.

Focusing on economic and Community Development this month, a lot has been achieved including celebrating our Charter night on 26th October 2023.

We have also had interesting fellowships with motivational Speakers.

I wish you a blessed Rotary Foundation month.

CELEBRATING THE FIRST 100 DAYS

OF SERVICE
THURSDAY 12ST
OCTOBER 2023

It is Thursday, 12 October 2023, time check 6.00pm and all roads were leading to Rustic Gardens for celebrations of the first 100 Days in service for District Governor Semwanga, and the Hope Creator Presidents of District 9214.

The event was organized by the Masaka Corridor Clubs, and hosted by RC Nateete-Kampala.

The 100 Days of Service is an event where, as new leaders in new roles, the District

Governor 9214, Francisco Semwanga, and the Hope Creator Presidents (HCPS) in the District took stock of what has been accomplished during the period, evaluated the activities and work done and the impact made so far, and set follow-up plans to guide them through the next phase going forward. It was an appraisal for the first quarter of their leadership.

invaluable to the teams and we are grateful for your dedication and hard work. We pledge our continued support paka last.

Preparations for this event started well in advance and took time. Although Nateete-Kampala volunteered to take the lead, as the host, it was the combined efforts, ideas and hardwork of all the twelve Hope Creator Presidents in Masaka corridor, that we were able to put up the colorful event that we saw. It was successful.

Congratulations! So far so good! Being a leader in a new role has its own challenges and for sure, some may even be counting the days up to finishing their term in office. We assure you that your contributions are

We had anticipated a turnout of 300 guests but we got an overwhelming total of 400. It was a delight to see you all.

The Governor Nominee, Past Governors, Assistant Governors, District officials, visiting rotarians, rotaractors and guests all congregated to fellowship with us, and to witness the accountability by our leaders.

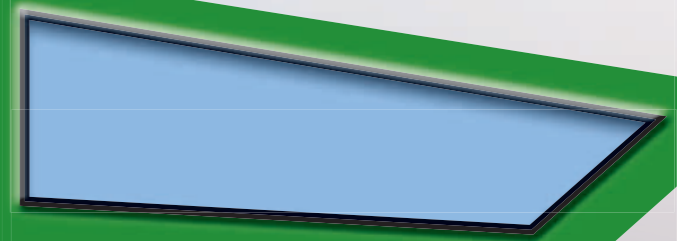

The celebration was indeed a great way to honor the hard work and commitment

CELEBRATING THE FIRST

100 DAYS

OF SERVICE THURSDAY 12ST OCTOBER 2023

of the District Governor, Francisco Semwanga. In this short period of his leadership, he has tirelessly traversed the whole district, travelling near and far in the service of humanity. He has reached every corner of District 9214 and that is no mean achievement. Your sacrifices do not go unnoticed Governor.

Thank you for serving above self, and creating hope in the world. As RC Nateete-Kampala, we celebrate you and sincerely thank you for flying Nateete-Kampala flag high.

Our Hope Creator Presidents of District 9214, thank you for your stewardship and continued efforts to help our District become better and stronger. Voluntary service can be an enriching experience in life.

The organizing committee, our HCPs, and the chairperson 100 Days Rtn Sylvia, we cannot thank you enough. Rotarians of Masaka Road corridor clubs, thank you for your financial contributions towards the event. Things would never have turned out the way they did if it were not for you. A special thank you to RC Nateete-Kampala, you people you are at your best at such times. You

exhibited professionalism and practicality in hosting. All that starts well ends well.

You did us proud.

Overall the feedback we have received is positive, and everyone is commenting favorably on the experience. Let's do this again. Viva la Rotary!

Highlights for the day included:

- Joint Fellowship of all clubs in District 9214, including those in Tanzania who attended online, presided over by

HCP Miriam Nsubuga of RC Nateete-Kampala.

- The District Monitoring and Evaluation Officer, gave summary of the performance for all clubs in D9214, in the quarter from July to

September 2023 (i.e. the first 100 Days), and outlined the plans for the future.

- Several rotarians were pinned by the DG and other District Officials on that day.

RC NATEETE KAMPALA CHARTER CELEBRATIONS 23rd October 2023

It was in 2007 when we realized that many clubs in Kampala met during day time and a few in the evenings. In Rubaga, there were only two clubs still meeting at lunch time. That time we never had any club that met in the morning.

As Membership Director of my Club, RC Kampala, we decided to start up an evening club within Rubaga. We first approached Regency hotel at Bakuli seeking for a venue. That time Rc Mengo used to meet there. However, Ivys Hotel became a better option. Through Its HR Officer, Mrs Joan Njuki, we were able to get a free venue and I will stay indebted to Mr Mugerwa the proprietor of this hotel for having accepted us to meet from his hotel for 16 years now.

I started a campaign of recruiting potential members for this club in formation and through additional support from Rtn Jones Kyazze, who was still a member of Rc Kampala then, we managed to recruit the first 27 members.

Our first formative meeting was held on 8th February 2007 which I requested the Club's assigned AG Ben Waira to chair. Thereafter, I chaired all subsequent meetings until the 25th June 2007 when we

organized elections which made Rtn Jones Kyazze the Charter President.

RI accepted this Club on 23rd October 2007 and Charter celebration preparations were officially launched and held on 1st December 2007 at Ivys Hotel. The Charter board RY 2007/8 was composed of the following: CP Jones Kyazze, Rtn James Galabuzi Mukasa (DGSR), Rtn Juliet .S Yiga (Hon. Secretary) Rtn Ssali Damascus (VP), PE. Rtn Evans Kityo,

PR Rtn Margaret Ssebalu, Rtn Harriet Musoke (Treasurer), Rtn Francis Kasekende (Membership), Rtn Joan Njuki (TRF), Rtn Edward Luyimbaazi (Service Projects), Rtn Hope Asiimwe (Club Admin) and Rtn Haruuna Kanaabi (SAA)

This club was full of energy that within its first year, it produced a vibrant Rotaract Club of Natete whose charter President was Rctr Kyabasinga Kyazze and an RCC of Busaabala. The Club also founded Interact Clubs of Rubaga mixed High School and Rct Club of Mackay College.

The Club conducted community outreaches within Lungujja, Natete, Busaabala among other areas.

During its formative period, the club hosted an ambassadorial scholar called Ryan from Texas USA.

This club created its signature project, the Fashion Show and many interesting projects.

Recently the Club produced a whole District Governor, Francisco Ssemwanga whom together with Rtn Dickson Nsubuga, I recruited to Rotary.

...I will stay indebted to Mr Mugerwa the proprietor of this hotel for having accepted us to meet from his hotel for 16 years now.

This club was much supported by RC Kyengera during its formative stage and I want to recognize them for offering a benchmark. I appreciate the presidents and entire membership of this club for ensuring its vibrancy since its charter.

I finally take a singular honor to congratulate Rotary Club of Natete upon its 16th charter celebrations.

Long Live RC Nateete-Kampala, Long Live Rotary International.

By PAG James Galabuzi Mukasa District Governor's Special Representative in the formation of RC Natete.

NATEETE ZEBRAS BUDDY GROUP LITERACY PROJECT REPORT

Nateete Zebra Buddy Group has been in charge for the month of October, and woow, what an exciting and breathtaking experience we have enjoyed!

For starters we had the 100Days, and although it was a District event, RC Nateete-Kampala being the host, meant that the buddy group in service during the month had to

get really involved in the arrangements, and they did. Then came our Charter Night. They were there and they did a wonderful job. PP

Chris Kalyesubula of Busega Elephant Buddy Group spiced it up with his beautiful presentation on the history of the club. As if that was not enough, the Zebras went an extra mile to do a project in two primary schools in

Gomba District. They handed over success cards, mathematical sets and pens to P7 candidates and also gave them some words of wisdom and encouragement. Well done Buddy Group Zebra! You have shown commitment in serving the community. No wonder you won the prize as best performing buddy group of the first quarter.

WELL DONE KABOWA BUDDIES

MY BEST PHOTO OF THE MONTH

TEACHERS, TEACHERS!

Once a teacher always a teacher. Teaching is a sacred calling. I can not think of any profession that is as fulfilling and important.

- They influence the next generation;
- They are kind;
- They are patient;
- They are dedicated;
- They are articulate;
- They are authentic (genuine);
- They have a sense of humour
- They impart knowledge and wisdom

that you will never find in any textbook;

- They touch hearts in a deep way.

All the above is what I see when I look at the photograph above. Rtn. Godfrey Yawa, webaaaale!!

Rtn. Godfrey Yawa found time in his busy schedule as he accompanies the District Governor on his call of duty, to have a chat with the youngsters and made them smile to the camera. For me this was my photo of the month.

Creating Hope in the World

As part of celebrating the first 100 days of service in the Year of creating hope, governor Francisco lauched the Polio immunization campaign to Bukooza Lungujja in Rubaga division - Kampala city

The power of the *tongue...*

Always speak life *Toyatulanga bubi*

'Death and life are in the power of the tongue'.

The tongue has the power to create and destroy. The tongue communicates, blesses, curses, prays, worships, backbites, praises, influences, and expresses what is in the heart to mention but a few. It is used in Divine and Satan's deep.

The tongue created by the Almighty has power unknown to many. It is evidenced when it was used by God to create this world 'Let there be'.

Every word has a spirit behind it, which you can't see in fact words are spirits themselves. When a person says a positive word our God confirms it and when a person says a negative word Satan will follow it and fulfill it.

The world is ruled by a legal system that includes covenants. Evil and good covenants are established by a tongue. Satan can know what is happening to you through the tongue.

Human beings underestimate words and carelessly speak, not knowing their full depth. We should also know that words cut straight in the person's soul and can heal or break someone's heart. It can establish deep and healthy

relationships. It can be used by the enemy to destroy you spiritually or even financially. Learn what to say in certain situations because words can hurt someone beyond repair and can have consequences. A tongue can be your enemy, however small, it may seem to be. It can either make or destroy you. Words spoken by the tongue cut deeper than you expect.

It should be known to parents that words spoken in their children's lives should be highly calculated because they will come to pass. 'Kyana gwe oli kisiru' You can say many more words in your children's lives in the feet of anger at one time it will be showsea trust me and you will be the one to be hurt.

Your tongue can connect you to God. It can connect you to Satan, and it can connect you to people around you. Learn what to communicate at the right time.

Words are more powerful than what meets the human eye. At times, the tongue can be difficult to tame, and only God who created it can help you speak right. Be slow to speak, but always listen. The less you speak, the better. God respects our tongue, and the devil knows it. Always speak life. *Toyatula bubi*

WHO WILL BE THE NEXT WINNER ?

In a bid to encourage active participation in Rotary Club activities, a trophy was introduced to be awarded to the best performing Buddy Group every four months

An appraisal team has been instituted to carry out weekly ratings for Buddy groups in the listed categories of activities below:

1. Attendance (10)
2. TRF Contributions (10)
3. Polio Contributions (10)
4. Visits other clubs (10)
5. Membership sourcing (10)
6. Buddy Creativity (10)
7. Project visits (10)
8. Articles to Mpigi (10)
9. Club dues (10)
10. Social activities/Kimeeza (10)

On top of the Trophy, the best performing team will be given a goat for roasting

THE BEST TEAM WON

Hip, hip, Hurraay!!

Congratulations, great, you are the champions for the first quarter. You put up a good show and satisfied the judges. We should emulate your approach, _ slow but thorough._ You were rated the best buddy group and you deserve the award. Congratulations to Zebras Buddy Group!

BREAKING NEWS!

UGANDAN DOCTOR KILLS PATIENT OUT OF FRUSTRATION OVER HIS FAILURE TO RESPOND TO TREATMENT

A UGANDAN doctor based in Soroti district, Doctor Joseph Okello... is on the run after beheading his patient under his care in the wee hours of yesterday, Friday October 27, 2023.

It happened that Dr. Joseph had been attending to a particular ill male young patient for over a week.

Dr. Joseph is a graduate from one of the country's finest universities and was the best graduating student in his set.

He was into private practice and was renowned for hard work and success in his work. He however had a 5-week-old patient who was said to have had a nasal discharge and passing a reddish stool for some days. He had given several medications but with no response.

Out of annoyance, the good doctor sliced off the head of his patient with a large kitchen knife in full view of his assistants. Everybody was surprised at his action. However, a reliable source revealed it to the press that the doctor's action was due to some "PRESSURE".

Dr. Joseph is a Veterinary Doctor and his patient was a 5-week-old Broiler chicken which failed to respond to treatment. So he slaughtered the chicken and had it for lunch with his colleagues.

District Goals RY 2023 - 2024

PRIORITY AREA 1

Increase Our Impact:

As People of Action, we make decisions grounded in evidence.

Service Projects

GOALS

- 50 Club Projects Reported on the Rotary showcases
- 10 Multi-Club Projects initiated by March 2024
- 5 Rotaract Lead Global Grant approved.
- 5 International Service Projects Initiated.
- 15,000 USD Utilization from District Grants.
- 250 Rotaractors to participant in REI and ROLI Activities.
- 30 clubs fulfill global grant qualification requirements.

The Rotary Foundation

GOALS

- 15 Rotaractors to be recognized as PHFs.
- \$10 Contribution per Rotaractor
- \$200 Contribution per club
- At least 30 sustaining members
- Host TRF recognition dinner.
- Adopt POLIO PLUS as the District flagship initiative

PRIORITY AREA 2

Expand Our Reach:

As People of Action, we are inclusive, engaging, compassionate, and ambitious on behalf of the world.

Membership

GOALS
