

Trudie Blachford – Parent at Tomaree High School

Trudie was supported by Kim Mackenzie and Hilda Orr (the cup cake queen).
 Trudie is a local girl with an 8-year old, Lucy, who has special needs. Tomaree is the only school on the peninsula that caters for such children and needs a special playground costing around \$70,000. There is just \$6,000 to go before work can start. A few cup cakes sold on the night closed the gap a little.

Visitors:
 Graham Pretty (again)
 Kim Mackenzie and Hilda Orr

Other news:
 Chris Bartlett reported that \$14,000 has been donated by the District Bowel Scan Committee to Rotary Health and another \$500 from Williamtown Rotary.

John Crump has Ros Cribb's role now.

Mike Mobbs is planning a visit to the Tiger Moth museum at the Luskintyre airfield (north of Maitland).

We congratulate Dr Peta Tehan (seen above with Doug and Jenny Craik) !
