**International Night @ Hawkers Inn**

On Thursday we celebrated “International Night” at the N/Bay Hawker Inn with great food and company.

How best to describe a hawker inn:  
A hawker inn restaurant is a type of restaurant that serves hawker food, which is a type of street food that is typically found in Southeast Asia.

Hawker food is made with fresh, local ingredients and is cooked over high heat. It is also known for its bold flavours and affordable prices. Hawker inn restaurants are a popular choice for locals and tourists alike. They offer a unique opportunity to sample a variety of different dishes from different regions of Southeast Asia. Hawker inn restaurants are also known for their lively atmosphere and friendly service.

If you are looking for a delicious and affordable meal, then the Nelson Bay Hawker Inn Restaurant is a great option. Just be sure to come with an empty stomach, as the portions are often large. You may also want to bring a friend, as hawker food is best enjoyed when shared.

## Richard Turner Tribute

This week will be a celebration of Richard Turner's 50 years of Rotary membership. During the term of Richard's membership, he has maintained a 100% attendance rate at club meetings. This means that he has either attended the meetings of his own club or had a legitimate make-up each week during the 50 years of his membership of Rotary.

It would be great if every member and partner would attend on Thursday to join the celebration.

We are negotiating the use of the Crow's Nest Room and need to reach an attendance of 30 plus.

Meals will still be ordered from the bistro. To allow us to arrange appropriate accommodation for the meeting, it is essential to obtain an accurate number of attendees. The district Governor Alyn Miranda and members of the Cessnock Rotary Club will be in attendance. This invitation is also issued to former members.

Details of Meeting: Venue Nelson Bay Bowling Club (Crows Nest or Bay Room) depending on numbers.

Date: Thursday 2 November 2023 at 6 for 6.30pm

Catering: Order your meal from the venue. Please note: No raffle this week.

**PLEASE RESPOND ASAP IF NOT DONE SO, INDICATING THE NUMBER ATTENDING. (PLEASE DO THIS EVEN IF YOU INDICATED YOUR ATTENDANCE EARLIER.)**

Ruth is a speaker not to be missed: "The Love of Adventure and Extreme Ballooning".

### Remember these:

The old fashion clamshell phones are back. This Aspera phone retails [for \\$110](#) and is a great phone designed for seniors that don't need all features of a smart phone, is simple to operate, answer a call simply by opening the clam shell, has big buttons and can be programmed for speed-dial or emergency numbers, also makes a great "burner phone" to protect your privacy or as second phone with an Aldi SIM card a great device.
