

Bulletin # 2, 7th July 2022

2023

We had 18 attend the first meeting of the year including Michael Page (Peter's son) and returning to the Club, Elizabeth Friend.

- President Bob Mitchell summarised the Board meeting of the previous night and reminded members that the District Governor will be attending on **Tuesday** 19th July. Partners are formally invited to attend on this night, and it is suggested that a little extra attention to attire be made. He also outlined the upcoming Wine Tour on 21st July (see notice).
- Vice President Don Whatham confirmed the ongoing KIVA project, and the continued lawn mowing at The Yacaaba Centre.
- Discussion about Bunnings BBQs resolved that a roster system will be implemented to spread the work-load and include all Club members. Don has emailed the proposed roster for the remainder of the year and members should make themselves aware of their rostered days. If unavailable on the day, please arrange your own replacement. Rosters will also be published in the Bulletin in the week prior.

Bulletin 2, 7th July 2022 Pg 3

As mentioned, the future of Bunning's BBQs was discussed, and it was agreed that they would continue on a roster basis as devised by Don Whatham.

Three members, Don, Geoff Diemar and John Stumchke will act as co-ordinators, purchasing food drinks and other requisites and transporting them in the trailer to Bunnings.

The balance of members will be rostered on to cook, serve, and take money.

A copy of the roster has been emailed to each member. Roster for our next BBQ on 24th July is:

BUNNINGS ROSTER 2022.

DATE	EVENT COORDINATOR Transport up & Back	Cook	Serve	Sauce	Money	COORDINATOR Transport back
Sun 24 July am	D Whatham	W Mathieson	B Comley	R Mitchell	H Ryan	
Sun 24 July pm		P Page	P Smith	R Turner	D Greiter	D Whatham

If you are unable to attend, please arrange your own replacement from the list that was also emailed.

No member has been rostered more than three times from now to the end of the year so it is not a big ask.

The co-ordinators have the most arduous job so please help them by organising yourself.

The new District website is now operational and members would have received an email from Colin Shanks with instructions. If you have problems I might be able to help.
