We were fortunate to hear Taylor and her Coach Tom tell us about their experiences at the London Para Olympics. Taylor who competes in the category for people with an Intellectual Disability, is a 17 year old student at St Phillips School Salamander Bay successfully competed in the London games and brought home two silver medals.

The events in which Taylor scored her medals were the 200metre Freestyle and the 100metre Backstroke. Cory and Tom spoke about the dedication to training which is not only limited to the pool. She spends countless hours in the Gym and has an extremely strict diet which she must adhere to while she is training. Cory told us that her big treat when she arrived back in Australia was to go to Macca's

Please fellows this is important as we need to give exact numbers or pay the difference

A Good New Story :As mentioned at the meeting this week's Lara Marks – Nash who arrived in Nelson Bay in a 'Beat up Datsun' spoke to the Club regarding her fund raising efforts for Shelter Box earlier this year. She was travelling to Darwin promised the Club that she would send us a Post Card when she arrived and when we received the post card we would make a donation to Shelter Box..... well Lara has reached her destination Darwin and we have received the post card which she promised to send..... the good news we have just sent a cheque of \$1,100.00 Shelter Box. More good news when she was in Nelson Bay earlier this year she met a guy who is now her boyfriend/partner and she now resides here. Also she mentioned Peter Clough that of all the Rotary Clubs that she visited between Canberra and Darwin] Nelson Bay was the most friendly and vibrant . Peter says that these comments were completely unsolicited.

Logging our time effort and expense.

Just how much time effort and expense do Rotarians contribute to the community. It has been recognised in recent years that for too long Rotary hid its light under a bushel. We now are recording this information in an endeavour to show to the world just how committed members are to serving the community. All Club Directors are required to report all the hours worked by both themselves and their committees to Attendance Officer Richard Harris.

Special Announcements:

- A big Thank you to Helen Ryan, Don Whatham and John Stuhmcke for the time they spent on 13th November helping the salamander Rotary Club assisting the Kids with Disabilities in “**Dream Cricket**” They had a wonderful. It's these special days that remind us why we are Rotarians.
- A “**Welcome to Summer**” social **Barbecue** will be held at Taylor's Beach on December . BYO everything.
- A **District Foundation Dinner** will be held at Mayfield on 26th February 2013. All Welcome.
- **Project Neighbour** Christmas Party lunch will be on December 19th.
