FELLOWSHIP NIGHT

Club Vice President, John Stuhmcke, filling in for President Ann, is captured in this very rare photo, with a cool drink in his hand during our fellowship meeting on Thursday night. It was a hot night.

Thursday night's meeting was a low key affair with some 30 members enjoying fellowship and an excellent roast dinner on a hot steamy night in the Bay. Club VP John Stuhmcke was in charge for the evening.

As no Board meeting was held this month, Community Service Director Doug Craike up dated the members on our Australia Day commitments. All is in order for this very busy community service day for the Club. The Roster for the Day is on Page 2 of this Bulletin. Doug stressed that while being busy we should have some fun on the day, while working SAFELY. Doug also asked if members could provide an additional 10 eskies on the day to make the dispensing of cold drinks easier for all our volunteers. A briefing will be held next Thursday night.

CHARITY GOLF DAY ON MARCH 11

Chair of the Club's Charity Golf Day Committee Greg Flux took the opportunity on Thursday night to update the members on progress for this major fund raising event. The committee met earlier in the week to confirm the date, March 11. At this point in time, golf will be played at Nelson Bay Golf Club with the dinner and auction to be held at the Bowling Club. Some sponsors have already signed up and the enthusiastic committee will continue to progress this event.

RARE DOUBLE FOR DOUG

Our hard working Community Service Director Doug Craike achieved a very rare double on Thursday night. He was a very quick winner in Heads/Tails and a few moments later won the Raffle as well. Having purchased a Lotto ticket the same day, he was anticipating another very good result to make it a treble for the night.

Doug is doing a fine job in this very busy portfolio adding value to the Club's management team.

BINOCULARS UP AND RUNNING AGAIN

Our Binoculars at Gan Gan Lookout have been repaired. Thanks to VP John Stuhmcke for his great work on the repairs. It appears a part failure caused the problem, rather than vandalism. We collect in excess of \$4000 p.a

WORKING WITH CHILDREN CHECK

Members are reminded that we need to have a working with children check completed. Around 40 % of members have supplied their WWW number to President Ann. This check will be mandatory for all volunteers in 2016.

The process involves preparing an online application at www.kidsguardian.nsw.gov.au Or Telephone (02)9286 7219. You then need to take the application number provided to a Motor Registry office for identification purposes. Once this is done they will provide a certificate which will be held on Club records.

WELCOME BACK

It was great to see popular member Peter Page back at Rotary on Thursday night. Peter had some major hip and leg surgery in December and has spent some 8 weeks recovering.

Peter is getting around pretty well and is looking forward to getting back on the golf course soon.

It would be an issue without a meal photo courtesy of Club Photographer Henk Tobbe. The roast pork dinner was a winner. Henk does a fantastic job during the year behind the lens. Thank you Henk
