

Our Guest Speakers tonight were

Matt Brealy & Sen.Const.Tim Smith

Topic: PCYC Past, Present & Future

Matt Brealey originally from Bathurst came to Nelson Bay to take-over the PCYC in 2011.

At that stage the club had 1100 members, very limited activities & negative revenue. By 2015 the membership grew to +1900 has diverse activities and increased revenue.

The PCYC association with NB Rotary goes back some 40 years, in fact PCYC was founded by Police Comm. W.J.Mackay in 1937 and was in partnership with Rotary ever since. The NB PCYC building was officially opened in Aug. 1980.

Their mission is to get young people active in life, develop skills, character & leadership, reduce & prevent crime and become #1 youth services provider in the Tomaree area with indoor/outdoor recreational facilities.

The main activities are: Basketball, Netball, Futsal, Archery, Boxing and Gymnastics.

The "Safe Driver Course" is such an overwhelming success an extra 3 courses had to be scheduled.

The TOIP (Traffic Offenders Intervention Program) in partnership with the Attorney Generals Dept. is proven to show great success.

The current upgrade proposals are for a new sports floor in the hall, an Internet Café, Homework Hub & Hospitality Training Services in partnership with Rotary, Newcastle Permanent, ClubsNSW & JOBLINKplus.

Many new projects such as upgrade of Bicycle Education Park, Music/Arts/Culture Centre & Training Facility for Youth Services are in planning. Also expansions to a multi court stadium, refurbishment of the Dorm. Accommodation wing, purpose built dedicated Gymnastics Centre and Youth Space are in planning.

Sn. Const. Tim Smith is Youth Case Manager for Port Stephens PCYC.

His duties span across many facets of youth services.

One on one case management of young offenders and youth at risk, work with local police and assist local operations, run and develop Crime Category Programs, assist with PCYC activities & events.

The Phoenix Challenge at Singleton Army Base is an intensive program for some of our more hardened young offenders.

This program by Army Corporals is a 4 day "Boot Camp".

Blue Star is another youth dev. program.
