

Bulletin # 44 from 30th of May

Volunteer Training Port Stephens Council

The meeting started early this week at 5pm with a program from Port Stephens Council aimed at training community members who volunteer for local projects. A number of our club members are involved with Gan Gan lookout as well as other event throughout the year. Training is meant to be ongoing for volunteers, ideally every 2 years, so refresher courses are offered. Volunteers are deemed to be "workers" under new classification conditions. The WHS Act obligates the council to provide safe conditions for workers and suitable training. There is no way to hide from this in our modern world.

At the end of the session the club was kindly left with a number of items to be used when working in the community. Booklets on work Health and Safety were distributed. The protective clothing items will be stored at the shed.

The trainers from the council Melinda And Tony did a great job in providing the message. This training was organised by Liz Friend the Administration Director, and thanks go to her for arranging this essential information.

Foundation Raffle Tickets

Books of raffle tickets sold or unsold, are to be returned to Foundation Director Chelsea by next week. Chelsea is happy to receive them at other times if you are not attending the meeting next week.

The Raffle will be drawn at the District Changeover Dinner on the 23rd of June. First prize is \$3000 worth of travel, second a \$500 EFTPOS card and third a \$100 Bunnings Voucher.

Bunnings BBQs

Milton Williams reported on the great success of the Bunning's BBQ helps last Sunday. Despite the weather being fairly windy, the BBQ generated nearly \$900 in sales. As a number of items had already been purchased for other events, there was a good profit to be had as a result.

The next Bunnings BBQ is the 21st of June.

ALESCO BBQ

The club has also agreed to provide food at the Alesco combined school day. The school is organising an "Olympic competition" on the 26th of June. Catering for up to 100 will be required in about an hour, so it will likely be very intense work for the service period.

We get a lot of happy customers at Bunnings with the great sausages we provide. Kids to grandparents but this customer was even very happy without the bread. Initially the request to cut the sausage into small pieces seemed a little unusual, but all in a good cause. Photo from last weeks Bunnings BBQ

President Kathy and Director Chelsea discussing the up coming Changeover dinner.

Bookings have been good for the night so far. See details later in Bulletin. Those who booked in before the end of May are eligible to go into the draw for a couple of bottles of wine. The winner will be announced shortly...

The Board is meeting this Wednesday to give consideration to various donations.

Membership Fees

As the new Rotary Year comes around the membership fees will become due again from 1st of July. The club has obligations to pay district and international dues on our behalf, early in this period, so it helps to have fees in promptly. The Board has maintained the membership fee the same as last year at \$280. The option to pay by the half year at \$140 is also available.

Nominations for Paul Harris Fellowship

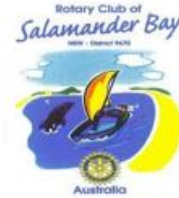

Members have the opportunity to nominate a recipient prior to the Changeover Dinner. Email nominations to the secretary Don Whatham at: donwhatham@bigpond.com

Nominations For Immortal Pin

At a special presentation night we hope to recognise worthy community members with an Immortal pin.

Photos wanted for Changeover Slide show

President Kathy and Chelsea asked members to provide photos to be used at the Changeover Night. Please email them to either.

Firstly photos which come from the past Rotary Year. It could be at a meeting we have had, or event Rotary attended. It may come from any other gathering. All in all it will give us a memory from another busy year of Rotary service.

Otherwise Photos are requested showing members on travels anywhere in the world. This ties in with the new Theme for Rotary next year of connecting with the world.
