GIVING BACK TO OUR COMMUNITY

Some very special guests were present at our 60th Birthday/Changeover celebrations at Soldiers Point Bowling Club on Thursday night.

President Ann was delighted to hand over \$16,000 in donations to 3 very worthy causes during the evening.

A cheque for \$10,000 was presented to the Anna Bay Primary School to P&C Chair Renee Thompson for the year 3-6 playground equipment. Renee has worked tirelessly to find funds for this equipment and our Club are delighted to give them a helping hand.

A cheque for \$3,000 was presented to Commander Colin Cahill of Port Stephens Marine Rescue to enable them to continue their wonderful work.

Chairman of the Local Westpac Rescue Helicopter Fund Raising Group, Garry Troon received a cheque for \$3000 for this much appreciated organisation...

HISTORICAL HIGHLIGHTS

Three of the Clubs long standing members provided the 125 guests on Thursday night with some historical and some hysterical moments.

Honorary member Ian Rolfe (President 75-76) and member for 49 years highlighted the Club's first Community project, giving crippled children and their carers (usually Mum) a holiday in Port Stephens. Many activities were planned for the kids including horse rides, boat rides, a visit to the Air Force base at Williamtown, housie nights at the Country Club Hotel and much more. Ian highlighted some of the great community work of previous members of the Club. This project continued for nearly 30 years. Everyone "won" with this project with Ian suggesting Rotarians usually had more fun than the kids, while the Carers had a well earned two week break.

This wonderful event established Nelson Bay Rotary's Club's tradition of "SERVING OUR COMMUNITY". That tradition continues today with 60 years of giving under our belts.

Ian Brigden (President 86-87) a member of 35 years highlighted some of the other great Community projects we have been involved with and listed on Page 2 of this Bulletin. Ian did highlight the friendships established through Rotary and the fellowship, including the often talked about Port Bottling nights established in the 1980's.

Current Vice President John Stuhmcke (President 81-82) with 40 years unbroken service, rounded off the highlights with a few hysterical moments over the years. The Tamboi Queen figured prominently, as did Xmas Parties, visits to the Doctors at 1 am in the morning, the memorable Port Bottling evenings and tales of Fire Engines, Fire Stations and strange as it may seem more PORT. It certainly was a walk down memory lane and thank you to the two Ian's and John for a very entertaining presentation. Our Club's future certainly comes from our past with such a rich vein of giving providing the pedigree.

WHAT OUR GUESTS THOUGHT

The Club received many great compliments on our Celebrations however the Editor has chosen PD Governor & District Foundation Chair Peter Raynor's comment- "If you only attended two changeovers a year, Nelson Bay Rotary Club's would be one of them". Right on the money as usual Peter and Thank You.
