Dear Prospective Member/Sponsor:

   This Club has been around for quite some time. It's membership has diminished over the years and we have revitalized our club this year.   We would like for you to join us in this endeavor. Included in this packet you will find information on member & sponsorship program.

   Rotary offers you a wide variety of outlets for your talents, while allowing you to expand and learn new information on a continuous basis. Rotary International is the oldest, largest and most prestigious service organization in the world.   Rotary even has its own seat at the United Nations! It also provides an organized framework in which to contribute to the local and global community.

    It is a great opportunity to become a member of the Blakeslee Rotary Club and we hope that you will still consider joining. Please take a moment to visit us at www.blaksleerotary.org to view a slide show of what the Blakeslee Rotary is all about. Please peruse it at your convenience.

   I hope that you will choose to learn about Rotary and what it does. The ideal of "Service Above Self" simply cannot be duplicated with the same degree of precision. Economic times are hard. Pooling the resources of our professionals and business owners is the most efficient way to help our community.

   Thank You. We hope to see you at our meetings Wednesdays at the Village Squire @ 6:30 pm. There is usually an agenda to follow. You may order food and drinks at our meeting.

All my best,

Chris Warriner
