

## The Drummenagh School of Irish Dancing

Dear Ray,

Firstly let me apologise for the delay in writing to thank The Rotary Club for your very generous donation. It is very much appreciated.

Part of the money will go towards helping to cover travel costs for our three current All Scotland Champions so that they may defend their titles in Edinburgh at the end of July & some will go towards our school sportswear to try & keep the cost down for each individual family. Which will provide the children with a uniform that will allow them to train in & in order to enable all of our children to feel the same sense of belonging regardless of their parents personal circumstances.

I have also been able to order a couple of stand up roller banners to advertise the school whilst we are taking part in local exhibitions to help with advertising the school itself.

Fundraising has always been difficult, especially for a small school like ourselves & to have an organisation like yourselves give the children a boost just because you have seen them perform & appreciate what they can do is heart warming.

It is easy for me as I have a bond with the children, working week in week out with them & witness the hard work they put in but to have a group of strangers offering & donating such a huge amount of help really restores your faith in human nature. The work you do & the help you offer is second to none & if at any time we can perform again for you in order to help you continue to raise money to help others the way you have helped us please do not hesitate to contact me.

Once again Thank you does not seem enough however we really are grateful & you have made a tremendous difference to our school.

Yours Sincerely,

Cieran Exley
