■ So welcome - club president Dr Kevin Watkins hands the cheque to community fundraiser, Peter Hall

THE Rotary Club of Grays Thurrock raised thousands of pounds for Little Havens with their annual Christmas Santa Sleigh Campaign.

The Rotary Club with a little help from Santa raised a fantastic £10,000 for local charities including Little Havens, with the Grays Thurrock branch raising £2,500.

Dr Kevin Watkins, Rotary Club of Grays Thurrock President, said: "We were delighted to raise a wonderful sum from our annual Santa Sleigh Street collection.

"We really look forward to distributing the monies raised at our annual presentation lunch and we were thrilled to be able to include Little Havens Hospice once again as one of our principal beneficiaries - we are only too pleased to be able to do our bit to help."
