

Mr. M. Dvorkin

7th February 2019

Dear Mark,

Thank you for your kind hospitality today and inviting me to join your Rotary lunch. I had a lovely time.

We are so grateful that The Rotary of Grays Thurrock has chosen to support Gosh once again with your Santa Sleigh Carol Singing, and donated an amazing £2,000. This lovely donation will help Great Ormond Street Children's Hospital give seriously ill children the chance of a better future. Please pass on our sincere thanks to everyone involved. I am pleased to enclose our thank you certificates, which includes one for the running total, which now stands at a fantastic £36,945.18!

Every day brings new challenges at GOSH. Every day, 618 children from across the UK arrive for life-changing treatments. Every day, young lives hang in the balance as patients, families and staff battle the most complex illnesses. Every day, the brightest minds come together to achieve pioneering medical breakthroughs that change the lives of thousands of children across the world.

This extraordinary hospital depends on the support of people like you to help fund:

- wards and medical facilities designed around children, which let the hospital treat more patients
- pioneering research to find treatments and cures for complex childhood illnesses
- advanced medical equipment for treating the toughest conditions
- support services that help make life in hospital as normal as possible for young patients and their families

On behalf of the children, families and staff at GOSH, thank you.

Yours sincerely,

Mrs. Judy Kuhl
Essex School's Presenter
