Information Pack for 2019 – 2020

Introduction

'Youth Speaks: A Debate' is organised and promoted by Rotary International. It is a four-stage competition which is designed to support and encourage the development of effective communication skills. **Students should enter the Thurrock bough competition organised by the Rotary Club of Grays Thurrock through their respective group, as detailed below.**

Aims and objectives

The competition aims to offer young people:

- experience in speaking on a public platform as a member of a team
- an incentive to formulate ideas on topical subjects and to put these forward while being in opposition to another speaker
- discipline in dealing with a topic in a limited time
- the opportunity of learning and practising high standards of expression, presentation and appearance
- impartial feedback and assessment of performance by experienced adjudicators

This will be addressed by a team of three people who should prepare and deliver a short debate on a topic of their choice in front of an audience. Teams should note that Rotary International is a non-religious and non-party political organisation and this should be respected by competitors. Subjects chosen for debate should not set out deliberately to cause offence to others. Teams may choose to change the topic for debate at any subsequent level of the competition.

Who can take part?

The competition is open to all schools and college communities and those who are home educated along with any other young peoples' community organisations, for example, community RotaKids, community Interact, Scout Groups, Girl Guides.

Each team will comprise of three students in full time education in two age groups:

Intermediate 11 to 13 years

Senior 14 to 17 years

With the age qualifying date of 31st August 2019, it should be noted that some intermediate entrants may be 14 and some senior entrants may be 18 at the time of some or all the stage competitions i.e. a competitor who may be 17 on 31st August but turns 18 on 1st September is allowed to enter. **Competitors must include their age on the application form.**

Competitors, school, colleges, and organisations may participate in a district that is outside of their geographical boundary but may compete in only one club or district competition.

The Four Stages of the Competition

Local Heats

The local heats across Thurrock are organised by the Rotary Clubs of Grays Thurrock and the event will take place in the Thurrock Council Chamber, New Road, Grays on Thursday 14th November 2019. Age group winners of this heat are then entered into a district competition. (There may be more than one round to decide which teams go forward to the Rotary District 1240 competition). **Closing date for entries is 25th October 2019**

District Competitions

These are organised by Rotary between January and mid-February. The winners of each age group are entered into the regional final.

Regional Finals

These are organised by Rotary on the weekends of either 7/8 or 14/15 March 2020. Age group winners of regional finals are entered into the National Final.

National Final

Details to be confirmed.

Rotary in Great Britain and Ireland does not fund expenses of the regional winners to attend the National Final. Sponsoring clubs are responsible in the first instance.

Competition Guidelines

Format

Each team will consist of three members with each taking a specific role: a Chairperson, a Proposer (speaking for the motion) and an Opposer (speaking against the motion). The team should remain the same throughout each stage of the competition. In exceptional circumstances substitutions may be made, subject to the approval of the organiser.

The Team will be allocated a total of **15 minutes** to present their debate. The timing of each part will not be monitored but it is recommended that both the Proposer and Opposer speak for 5 minutes with the Chairperson taking up the remaining 5 minutes for the introductions and summing up.

Judges

Judges with appropriate skills, appointed by Rotary, will apply the judging criteria and provide feedback to all competitors. Judges should be encouraged to give advice to the winning team for each subsequent round.

A Rotarian will not be appointed as a judge for the regional or national finals. Rotarians should not be used as judges if at all possible. In the national final the judges will have no connection with Rotary. Anyone acting as a judge in one stage of the competition should not be appointed for any subsequent stages.

Judging Criteria

The judging criteria and scoresheet can be found at the back of the Information Pack.

Judges will deduct one point for each complete 15 seconds over the allocated time of 15 minutes and one point for each complete 30 seconds under the allocated time of 15 minutes.

A Rotarian with no interest in the participating teams will review the scores to ensure accuracy before the results are announced.

The Judges' decision is final.

Only in exceptional circumstances and at the sole discretion of the competition organiser will correspondence or discussion be entered into following the competition.

Questioner

The questioner, who shall not be one of the judges, will be appointed by the competition organiser. The Proposer or Opposer will be asked to respond to a question asked by the questioner. The questioner can be a Rotarian but not from a participating club.

Prizes

At all stages of the competition competitors will receive a certificate of participation.

After the judges have determined the result of the competition, comments and observations will be given by a judge before announcing the result.

At the National Final the winning Intermediate and Senior team members each will receive a vocational experience.

How to enter

To enter a local heat contact your local Rotary Club organiser, Corin Whymark at youthdebate@rotaryclubofgraysthurrock.co.uk In case of difficulty, contact admin@rotaryclubofgraysthurrock.co.uk .

Entrants need to complete an entry form (included at the end of this document) listing each member of the team.

Competition procedure

Arrival

Before each competition commences, the organiser will conduct a draw to determine the order in which each team will participate. This will be notified to teams on their arrival. Organisers have the right to adjust the order should teams arrive late.

Arrangements

A master of ceremonies will invite each team in the order of the draw to come to the front or to the stage to make their presentation.

The team should be led to their positions by the Chairperson who should sit with the Proposer on the right and the Opposer on the left. This is a team competition and each member must conduct themselves appropriately by being attentive to the others when they are speaking.

A reminder that the team **MAY NOT** use any props, including power point.

A system of lights or coloured cards will be used to indicate times:

Green – start; Amber – one minute to go (14 minutes); Red – end of allocated time (15 minutes).

Notes may be used. However, their use should not be too obvious. If electronic media is used for this purpose it must be used only as a reminder of the content of the speech and not as a prop or as a live means of presenting or sourcing information.

Where a venue would benefit from amplification, static microphones will be provided for team members to use. A sound test will be arranged prior to the competition. If any team member fails to use the static microphones and their words are inaudible, the judges will deduct marks.

The team members will perform their roles in the following order:

Chairperson

When the team is ready and has been given the signal they are able to start, the Chairperson will stand. The Chairperson should control the debate. He/she should open the meeting and welcome the audience, introduce the speakers and their chosen topic. When the speakers have given their presentations the chairperson should invite a question from the audience. After this has been replied to, the chairperson should close the debate with an appropriate summing up.

Proposer

The Proposer will put forward relevant arguments for the motion. The speech should be structured with an introduction, points for the motion and a conclusion.

Opposer

The Opposer should put forward relevant arguments against the motion. If possible, he/she should pick up on some of the points put forward by the proposer. The speech should be structured with an introduction, points against the motion and a conclusion.
