THEME – ‘Rebuilding’

The ‘Rebuilding’ Theme can be interpreted as broadly as the Young Photographer wishes and does not need to conform to the dictionary definition of the word. It is intended to give young people the widest opportunity to share their creative talents in showing us what it means to them.

Introduction

The Young Photographer Competition is a well-established and successful competition organised and promoted by Rotary International in Great Britain and Ireland (RotaryGBI).

There are three stages to the competition, each designed to support and encourage the development of photographic skills. Some stages may have more than one round.

Aims and Objectives

The competition aims to encourage young people to:

- experiment with photography
- use digital and/or traditional methods of photography
- demonstrate interpretation of the topic
- express ideas through the medium of photography

Who can take part?

The competition is open to all Thurrock schools and colleges and those home-educated, along with community organisations (e.g. Scout Groups, Girl Guides, Sea and Air Cadets, etc) and other young people living in the Borough of Thurrock.

There are three age groups:

Junior:	Up to and including 10 years old
Intermediate:	11 to 13 years old
Senior:	14 to 17 years old

Entrants must **not** be over the upper age parameter for each group on 31 August 2023. It should be noted that some junior entrants may be 11, intermediate entrants may be 14 and some senior entrants may be 18 at the time of some or all the stage competitions i.e. a competitor who may be 17 on 31st August but turns 18 on 1st September is allowed to enter. **Competitors must include their age on the application form.**

Competitors, schools, colleges, and organisations may participate in a competition held in a Rotary club/district outside of their geographical boundary but may compete in only one club/district event.

The Three Stages of the Competition

Local Heats

This local heat is organised by the 'Rotary Club of Grays Thurrock'.

Entrants need to complete and attach the correct entry form to their photograph and submit them to the event organiser, at youngphotographer@rotaryclubofgraysthurrock.co.uk by **Thursday 8th February 2024**. The results of this local competition will be published on our website, www.graysthurrockrotary.org.uk as soon as possible after the closing date.

The winners' work from our Thurrock wide event will be entered into the **Rotary District 1240 Competition** which is organised during March 2024. The winners of the district competition will then be entered into the **Rotary in Great Britain and Ireland National Final**. The results of this final will be available in May 2024.

Competition Guidelines

Task

To produce one photograph based upon the theme, '**Rebuilding**'. The photograph must be submitted via Digital Format (preferably jpg format) individually and to be at least 1500 pixel in size on the longest length. Mobile Phones may be used in addition to cameras. Each entrant must also provide a brief sentence describing the relationship of the photograph to the theme.

No actual examples will be shown here as it will be up to the individual competitors to show their interpretation of the chosen topic.

IMPORTANT RESTRICTIONS TO NOTE:

Please note that entries and supporting information sent electronically **MUST NOT EXCEED 15Mb per email** sent. Emails over this limit will not be received. Alternative options are to send the nomination and supporting information across several emails or contact Derek Swan on youngphotographer@rotaryclubofgraysthurrock.co.uk to organise a file transfer option.

All photographs and videos of people under 18 years old must be accompanied by written permission/consent from the parent, guardian or carer of the person(s) photographed.

Judges

Persons with appropriate skills, appointed by Rotary, will apply the judging criteria below.

Judging Criteria

Judges will consider technical merit; content and composition; imagination and style.

Only in exceptional circumstances and at the sole discretion of the competition organiser, will correspondence or discussions be entered into following the competition. Entrants accept that in all respects the judge's decisions are final.

Plagiarism or Close Copied Images

Plagiarised or 'close-copied' images are not permitted in any competition. It is important that we protect the work of creative individuals. Whilst we are all inspired by the work of others, there is without doubt a grey area where inspiration carries over to close copying. For our competitions 'close copying' is where, to a reasonable person, the submitted entry appears remarkably similar in significant important respects to a body of work created elsewhere. We are looking for original pieces, not copies, which match the theme of the competition

Prizes

The Thurrock winners in all categories will receive a trophy along with a £25 Amazon voucher.

The national winners will be given an opportunity to participate in a vocational experience with a professional photographer.

[For the purpose of this privacy notice, Rotary International in Great Britain & Ireland (RIBI) also includes Rotary clubs and districts and their members. The use of the term ‘you’, ‘your’ also means that of your child where the competition Entrant is a minor, i.e. under the age of 18 years].

Members of Rotary International in Great Britain and Ireland (“we”) value the trust you put in us to process your personal information and will always be open and honest about the information we collect and how we will use it. The RIBI Privacy Notice is available on our website, www.rotarygbi.org, and explains how we collect, process and share personal information. This ‘Privacy Notice – Youth Competitions’ is supplementary to the general RIBI Privacy Notice and explains in more detail how you can expect your personal information to be specifically used in relation to the Youth Competition events.

How we use your personal information for Youth Competitions

1. We are collecting your personal information (and that of your child if a minor) for the organisation and administration of the youth competitions only, it will not be used for any other purpose.

Providing your personal information to others for Youth Competitions

3. The personal information will only be shared with others that require it for their role/the services they provide for the organisation and administration of the youth competition events. Initially, this will be at club level competitions but should an entrant progress to district or national levels of the competition, the information will also be shared with those relevant organisers.
4. Depending on the Youth Competition, it may be necessary to share some of your information with third parties such as providers of venue hire and catering services. Under such circumstances only the minimum amount of information for the third-party service will be provided, i.e. for caterers, only the name and allergy/special dietary requirement will be disclosed, no other information.

After this date, the information will be securely destroyed (either by shredding, incineration or deletion from electronic devices) at club, district and national level. This timeframe is necessary to allow for any disputes to be settled before the personal information is destroyed.
