Information Pack for 2023 – 2024

Introduction

Youth Speaks: A Debate is organised and promoted by Rotary International in Great Britain and Ireland (Rotary GB&I). It is a four-stage competition which is designed to support and encourage the development of effective communication skills.

Aims and objectives

The competition aims to offer young people:

- experience in speaking on a public platform as a member of a team
- an incentive to formulate ideas on topical subjects and to put these forward while being in opposition to another speaker
- discipline in dealing with a topic in a limited time
- the opportunity of learning and practising high standards of expression, presentation and appearance
- impartial feedback and assessment of performance by experienced adjudicators

It is a team competition with each team comprising three young people who prepare and deliver a 15-minute debate on a topic of their choice in front of an audience. Teams should note that Rotary International is a non-religious and non-party political organisation and this should be respected by competitors. Subjects chosen for debate should not set out deliberately to cause offence to others. Teams may choose to change the topic for debate at any subsequent level of the competition.

Who can take part?

The competition is open to all schools and college communities and those who are home educated along with any other young peoples' community organisations within the borough of Thurrock..

Each team will comprise of three students in full time education in one of two age groups:

Intermediate 11 to 13 years

Senior 14 to 17 years

With the age qualifying date of 31st August 2023, it should be noted that some intermediate entrants may be 14 and some senior entrants may be 18 at the time of some or all the stage competitions. (i.e. A competitor who may be 17 on 31st August but turns 18 on 1st September is allowed to enter.) **Competitors must include their age on the application form.**

Students should enter the competition organised by the local Rotary club through their respective group, as detailed above.

The team should remain the same throughout each stage of the competition. In exceptional circumstances substitutions may be made, subject to the approval of the organiser.

The Team will be allocated a total of **15 minutes** to present their debate. The timing of each part will not be monitored but it is recommended that both the Proposer and Opposer speak for 5 minutes with the Chairperson taking up the remaining 5 minutes for the introductions and summing up.

Judges

Judges with appropriate skills, appointed by Rotary, will apply the judging criteria and provide feedback to all competitors. Judges should be encouraged to give advice to the winning team for each subsequent round.

The judging criteria and scoresheet can be found at the back of this Information Pack.

Judges will deduct one point for each complete 15 seconds over the allocated time of 15 minutes, and one point for each complete 30 seconds under the allocated time of 15 minutes.

The Judges' decision is final. Only in exceptional circumstances and at the sole discretion of the competition organiser will correspondence or discussion be entered into following the competition.

Competition procedure

Arrival

Before each competition commences, the organiser will conduct a draw to determine the order in which each team will participate. This will be notified to teams on their arrival. Organisers have the right to adjust the order should teams arrive late.

Arrangements

A master of ceremonies will invite each team in the order of the draw to come to the front or to the stage to make their presentation.

The team should be led to their positions by the Chairperson who should sit with the Proposer on the right and the Opposer on the left. This is a team competition and each member must conduct themselves appropriately by being attentive to the others when they are speaking.

A reminder that the team **MAY NOT** use any props, including power point. Nor enter a dramatic performance as this is a public speaking competition.

A system of lights or coloured cards will be used to indicate times:

Green – start; Amber – one minute to go (14 minutes); Red – end of allocated time (15 minutes).

Notes may be used. However, their use should not be too obvious. If electronic media is used for this purpose it must be used only as a reminder of the content of the speech and not as a prop or as a live means of presenting or sourcing information.

A static microphone will be provided for team members to use. A sound test will be arranged prior to the competition. If any team member fails to use the static microphones and their words are inaudible, the judges will deduct marks.

The team members will perform their roles **in the following order**:

Chairperson

When the team is ready and has been given the signal they are able to start, the Chairperson will stand. The Chairperson should control the debate. He/she should open the meeting and welcome the audience, introduce the speakers and their chosen topic. When the speakers have given their presentations the chairperson should invite a question from the Questioner. After this has been replied to, the chairperson should close the debate with an appropriate summing up.

Proposer

The Proposer will put forward relevant arguments for the motion. The speech should be structured with an introduction, points for the motion and a conclusion.

Opposer

The Opposer should put forward relevant arguments against the motion. If possible, he/she should pick up on some of the points put forward by the proposer. The speech should be structured with an introduction, points against the motion and a conclusion.

The Team will be allocated a total of **15 minutes** to present their debate. Timing of each part will not be monitored but it is recommended that both the Proposer and Opposer speak for 5 minutes with the Chairperson taking up the remaining 5 minutes for the introductions and summing up.

Answering a question from the questioner **will not be included in the timing of 15 minutes** but any answer should be limited to two minutes and this will be timed. A reply to the question which exceeds the stipulated time will be taken into consideration by the judges

A signal will be given to indicate that the Team can start the debate with a further signal being given at 14 minutes and a final one at 15 minutes.

The Team should not stop suddenly at the final signal but should be aware that time over the limit will be penalised by 1 point for each complete 15 seconds over the allocated time of 15 minutes, and 1 point for each complete 30 seconds under the allocated time of 15 minutes.
