

Chesapeake Rotary Club
 Rotary Forest Tree Project
 At the Deep Creek Park

The Chesapeake Rotary Club will be creating a Rotary Forest at the Deep Creek Park for the benefit of future generations of families and Park Visitors. The Forest will be laid out in the shape of a Rotary Wheel and will be populated with hardwood trees. This is a perfect opportunity to join with us and plant a tree. The tree may be dedicated to honor or remember a loved one, special person, service club or organization.

We invite your participation
