# **Meeting Places for the ESCONDIDO EAST ROTARY CLUB**

## **Mr. Steak on East Valley Parkway**

*After meeting there for a while, Mr. Steak went out of business.*

## **China Doll in the Old Mall**

*We had to leave China Doll after several members had bad reactions to the MSG in the food and ended up in the hospital. They went out of business, too.*

## **Gentleman's Choice in the Vineyard (first time)**

*Gentlemen's Choice closed abruptly before one of our meetings.  
Were they trying to tell us something?*

## **Dante's on South Escondido Blvd.**

*After we met there for several months, they told us we were too large a group to handle. Maybe the real reason was that we didn't spend enough at the bar. The fact that it burned down shortly after they kicked us out had nothing to do with us.*

## **Gillette's on Hickory**

*Gillette's also proved to be too small for our club. So on we went to Chez Orleans.*

## **Chez Orleans**

*Chez Orleans decided that we didn't bring in enough lunch traffic and had too weak a bar tab to warrant being open mid-day. They soon went out of business.*

## **Gentleman's Choice in the Vineyard (second time)**

*Back to Gentlemen's Choice whereupon they surprised us by going out of business.  
Well, by this time, it was no surprise.*

## **Sizzler on North Escondido Blvd. (first time)**

*Would you believe that they, too, went out of business after we met there for a while?*

## **Cocina del Charro**

*We met at Cocina for a while, but decided to leave before they went out of business.*

## **Fireside**

*We met at the Fireside for several years, but someone must have told them of our past, because they, too, went out of business.*

## **Sizzler on North Escondido Blvd. (second time)**

*We are currently meeting at the Sizzler again.  
They do a great job of serving us and staying in business.*
