Castlemaine is considered one of Australia's premier country truck shows. Now in its 35th year and with the support of naming sponsors HHA & Larsen's, this year's

show is shaping up to be bigger than ever. Along with everything you've come to expect at Castlemaine that is renowned for its family atmosphere - live music, kid's rides, food and licenced bar - there will also be the chance to drive the big rigs with technology at the Truckies' Challenge stand. Visitors to the event who are mobility challenged will be catered for with trishaw tours of the grounds, and Saturday night's on-stage entertainment will feature multi award-winning singer and songwriter, Craig Lloyd, plus crowd favourites Peter Coad & The Coad Sisters and The Jim Hermel Band. At 7.30am on Sunday morning a Truckie's Breakfast (free for entrants only) will fuel up participants for the 9am convoy through town. To top it off, there will be free health checks provided by LaTrobe Health to make sure drivers are prepared for the excitement of when over 30 trophies are awarded at the end of the day thanks to the Show's generous sponsors. For the drivers keen to come along - here is everything you need to know.
