

Sat 25 & Sun 26 November 2023 @ Campbell's Creek Rec Reserve

Get set for a great weekend of country music in Castlemaine on 25-26 November!
In addition to music LIVE onstage all weekend, we also have a special performance from 5-8pm SATURDAY night with food vans in attendance!

Craig Lloyd will be leading a stellar cast of country musicians on to the stage for your entertainment. For those following Craig you will know that he has been in the charts with two of his singles the past year and has won multiple awards for his song-writing. How lucky are we to have him in Castlemaine!

Back by popular demand, is **Peter Coad & The Coad Sisters** joined by **The Jim Hermel Band**. We are talking Tamworth royalty here, all round performers, who will get your toes tapping and draw our dancers out on to the ground. We give thanks to R&R McClure who are sponsoring the band's appearance at Castlemaine.

Originally from Michigan in the USA and now Melbourne-based singer-songwriter, **Sandee Facy** accompanied by **Robert Urban** is going to wow us with her melodies. Her 2020 single 'Still That Girl' topped the iTunes charts.

And last, but definitely not least (because he gets to OPEN the show!) **Adey Jordan** says he loves starting a song from scratch, writing and producing, experimenting as he goes.
