

International Birthing Kits

The Rotary Club of Jerrabomberra supports the global initiative to provide essential birthing kits in remote areas, promoting safe childbirth where medical facilities are limited.

Understanding Clean Birth Kits

Clean birthing kits are a simple yet powerful solution designed to prevent maternal and newborn infections. Each kit, meticulously assembled by volunteers, contains essential items such as:

- » A bar of soap for maintaining hygiene
- » A clean plastic sheet to provide a sanitary birthing surface
- » A sterile razor blade for cutting the umbilical cord
- » A sterile umbilical cord tie
- » Latex gloves to uphold cleanliness standards

The Broader Impact

Our efforts extend beyond merely providing medical supplies; these kits are lifelines that significantly diminish the risks associated with childbirth. By ensuring a clean and safe birthing environment, we equip mothers with the necessary tools to care for themselves and their newborns at delivery time. Distributed by the Birthing Kit Foundation Australia, our kits reach regions in Africa, Asia, and parts of PNG, where access to clean birthing facilities is scarce.

Join Our Efforts

Volunteering with Jerra Rotary offers a hands-on opportunity to contribute to life-saving projects. By participating in birthing kit assembly events, you not only support maternal healthcare, but also connect with like-minded individuals

dedicated to making a difference. Whether through volunteering, fundraising, or spreading awareness, your involvement can profoundly impact the lives of others.

A Little Kit, A World of Difference

It may seem simple, but the impact of these kits is profound. Packed with basic, yet essential items, they empower the local birth attendants to help deliver babies safely in challenging environments. The support from Rotary, whether through donations or volunteering, helps this life-saving work.

Ready to Contribute?

Contact the Rotary Club of Jerrabomberra to learn how you can participate in our next birthing kit assembly event. Your contribution can make a tangible difference in the lives of mothers and newborns worldwide.

Reach Out and Make a Difference

Connect with Jerra Rotary today, and join us in creating positive change, both locally and globally. Together, we can make a meaningful impact on maternal and newborn health outcomes.

Jerrabomberra Rotary welcomes individuals who share our commitment to community, friendship, and personal growth.
