

Interact for Ages 12–18

Are you aged 12 to 18 and ready to help make a difference in your community?

Interact goes beyond being just a club; it's a space for young individuals to connect, make friends, address community issues, and create positive change.

Here's why you should get involved and help establish the Interact Club of Jerrabomberra:

What is Interact?

Interact is a global youth service organisation affiliated with Rotary International. Our mission is to empower young people to take meaningful action in their communities and develop essential leadership and life skills. As an Interact member, you will have the opportunity to:

- » Have fun and make friends: Enjoy the journey of making a difference while having fun and forming lasting friendships.
- » Develop leadership skills: Unleash your inner leadership potential through various developmental opportunities and build self-confidence.
- » Engage in hands-on projects: Tackle local issues through practical, hands-on community initiatives.
- » Make international connections: Connect with like-minded individuals locally and globally, exploring possibilities and broadening your understanding of the world.

Benefits of getting involved with Interact:

Become part of a dynamic youth group that offers numerous benefits, including:

- » Fun and friendship: Experience the joy of being involved in service while making friends both locally and globally.

- » Leadership opportunities: Develop skills that extend beyond your academic and personal life.
- » Take action locally: Make a positive impact on your school, the environment and your local community.
- » Promote international understanding: Discover new cultures and foster global connections.
- » Exchange student opportunities: Explore the world with international Rotary Youth Exchanges for students aged 16-18 in more than 100 countries. It's a chance to broaden your horizons and create life lasting memories.

These opportunities not only enhance your self-belief but also prepare you for future challenges, equipping you with invaluable skills applicable to various aspects of life and future education. It's a pathway to discovering the potential within you and unlocking a world of possibilities.
