

Meet the PLALK'ers

MAY 2025 EDITION

You've heard of *Meet the Fockers*... now get ready for Meet the Plalkers!

Meet Maxine the Plalker — part-time walker, 100% litter-pickin' legend. Armed with a **Plalkin' My World** kit, Maxine turns an everyday stroll into a cleanup adventure.

From rogue chip packets to runaway coffee cups, no piece of litter is safe! Plus, it's a great way to stay active and make a difference.

Now, your Rotary Club can join the Plalkin' movement — helping reduce microplastics, supporting cleaner neighbourhoods, and raising funds all at once. **Order a box of Plalkin' kits**, resell them at community events, and give people the tools to take action. It's simple, effective, and makes a real difference.

Get involved. Be a Plalker. Start a conversation. Grow the movement. Sell kits.

A **Jerrabomberra Rotary** environmental project — ready for your club to take onboard.

Plalkin' kits – box of 12 at \$200, retail for \$25 per unit.

A FUN ENVIRONMENTAL ROTARY FUNDRAISING PROJECT

John the Plalker's Testimonial

"Plalkin' is an amazing environmental program that any Rotary Club—big or small—can get behind.

It empowers the community to take action, helps clean up local areas, and raises funds for other important community projects.

I use my Plalkin' My World kit to pick up small plastics, bottle tops, and mower-shredded fabric before they reach our waterways. It's a simple, hands-on way to make a difference.

By selling kits through your local community networks, your club can lead the way with Small Actions, Big Impact. I support this Rotary Club initiative and encourage everyone to get involved—it's practical, meaningful, and a great way to connect with your community.

Grab some kits, get them into local hands, and watch the impact grow."

Welcome to the following clubs

We're proud to welcome these Rotary Clubs as the newest members of the Plalkin' My World movement.

By embracing this hands-on environmental initiative, your clubs are helping empower communities.

Thank you for taking action and showing how Small Actions lead to Big Impact.
