THE HISTORY OF PAUL HARRIS FELLOW RECOGNITION ~ FYI. Congratulations to all our PHFs!
Welcome to our new PHFs – Cathy Hobbs, Rob Chilman, Vera Alexander & Sue Roger.

The Paul Harris Fellow recognition acknowledges individuals who contribute, or who have contributions made in their name, of US$1,000 to The Rotary Foundation of Rotary International.

It was established in 1957 to show appreciation for and encourage substantial contributions to what was then the Foundation’s only program, Rotary Foundation Fellowships for Advanced Study, the precursor to Ambassadorial Scholarships.

The first Paul Harris Fellows include 1937-38 RI Director Allison G. Brush and long-time RI Treasurer Rufus F. Chapin, both for donations made in 1946. Mrs. Adan Vargas was the first woman to receive the recognition, for a gift made in 1953. Mrs. Harry L. Jones was the second, and one of only five people recognized for contributions made in 1957.

Early Paul Harris Fellows received a certificate of recognition. In 1969, the Foundation unveiled the first Paul Harris Fellow medallion at the RI Convention in Honolulu, Hawaii, USA. Japanese metal artist Fiju Tsuda created the piece under the direction of then-past Foundation Trustee Kyozo Yuasa. Today, Paul Harris Fellows receive a certificate and pin. They are also eligible to purchase a Paul Harris Fellow medallion.

Rotarians have a tradition of supporting the Foundation by honouring others. Ida LeTulle Taylor became a Paul Harris Fellow in 1978 when her husband, then-District Governor Vann Taylor, made a donation in her name in honour of their 34th wedding anniversary. The gift also made her the 25,000th Paul Harris Fellow.

At the International Assembly in 1979, then-RI President-elect James Bomar challenged each Rotary club to make one non-Rotarian a Paul Harris Fellow. The Rotary Club of Pikesville, Maryland, USA, responded by making a donation in the name of Mother Teresa in 1980. The entertainer Pearl Bailey also became a Paul Harris Fellow through a joint effort of the Rotary clubs in Cape Cod, Massachusetts.

Many other notable figures have been named as Paul Harris Fellows, including U.S. President Jimmy Carter, Russian President Boris Yeltsin, U.S. astronaut James Lovell, UN Secretary-General Javier Perez de Cuellar, and Jonas Salk.

The number of Paul Harris Fellows reached the one million mark in 2006. (Wonder what it would be now?)

Dream Team 1 – must have been foggy!!

Hall & Jerra Presidents 2016 – 2017
2 July
Dizz, Chilly and Mez were on markets and it was bloody cold one! Commenced the setup (actually Chilly wet the bed and had already started by the time Dizz and I arrived). We had not even set up the table and we had our first ATM query. Once we had set up we were waiting for the coffee man to complete his set up and it was -3c. The temperature climbed to 1c for a fleeting moment, the sun came out momentarily and the temp plummeted to -4c!

Chilly took the first parking duty and played with his nuts to keep his hands warm – that would be hot chestnuts! After Dizz relieved Chilly I asked how he went out in the freezing cold and Chilly advised that although he was wearing his cashmere thermals and socks, his feet were still cold!

A wallet was handed in and claimed very quickly.

Chilly got to enjoy his usual feed. He has scoped all the good eating places and was happy to rattle them off. On Chilly’s recommendation, I tried one of the sausage rolls but didn’t like it, so Chilly very kindly offered to eat it for me. Dizz bought some apples and offered me one. I tried it and found it too sour, so Chilly kindly offered to eat it for me!

Despite the cold, there was a good steady stream of market goers and we enjoyed some fellowship from some of the Hall Rotarians. (No record of monies taken as the bag was handed to Terry last week.)

9 July
Bruce, Anton and Mez were on markets and it was 10c warmer than the previous week. Commenced the setup, (actually Anton had commenced by the time Bruce and I arrived and I have to dob Bruce in. We were so busy chatting that Bruce missed the turn off and we ended up driving toward Gungahlin).

A $50 note was found at the ATM machine and handed in by a very honest market goer. It was not claimed. There were of course the usual ATM queries.

The Donut man was back and made for some very happy customers. One of the stall holders handed in a bag of cucumbers left behind. It was not claimed. Had a lot of queries regards the exotic mushroom man. Hall has advised that he has retired and his brother in law, Paul Robey, confirmed this to be the case.

Another wallet was handed in and claimed soon after by another very grateful customer. A few familiar faces dropped by, the Jarvis’ and Chilly. When Anton went to relieve Bruce at the parking, I didn’t see Bruce for quite a while. My guess turned out to be correct, the boys were all at the gate having a bit of a pow wow!

It turned out to be an absolutely beautiful day with the sun shining regularly. Despite this, the markets were very quiet. Anton was chatting to one of the stall holders who keeps stats on the market goers and he advised that this particular weekend is traditionally the quietest day of the year. So there you go!

**OUR HISTORY**

In 1998 the Rotary Clubs of Queanbeyan and Queanbeyan West Rotary decided to sponsor a new Rotary Club based in Jerrabomberra. Bill Lilley, John Snedden and Peter Jarvis from Queanbeyan West took on the joint roll of mentoring the development of the new club. (Peter Jarvis went on to become our Charter President).

Advertising for potential members began in March 1998. After a successful campaign, the Club was chartered on 18 November 1998 with 26 members.

Initial meetings were held at the Jerrabomberra General Store—the venue was very good until we grew in numbers. We then moved to the Jerrabomberra Community Centre for a few years, and we now meet at the Jerrabomberra Public School Staff Room, on Thursdays (6.15 for 6.30 pm).

(Charter) President Peter Jarvis ran competitions to select a name for our Club Newsletter and a design for the Club banner. There were some good and some not so good suggestions. Pam Spencer suggested the winning bulletin name ‘Jerraganda’ and David Stevens was the successful designer of our club banner. The design incorporated a goose and the windmill associated with the original entrance to the estate adjacent to the Community Centre. Both the Jerraganda and the Club logo have evolved to keep pace with modern times.

We have always been, and continue to be, a vibrant and fun loving club providing valued community service, both locally and internationally. Our motto is,

“Doing Good and Having Fun”
