Guest Speaker – Abundant Water

Meeting 912
20 October, 2016

GUEST SPEAKER: Neha Pathak - Abundant Water

abundant
water.org

CLEAN WATER FOR EVERYONE

Members are aware that Jerra Rotary has become the Rotary Australasia World Community Service (RAWCS) representative/coordinator for Abundant Water. As an update to members Abundant Water were invited along to Thursday's meeting to bring us up to date with this exciting and highly innovative project. On this occasion, we were fortunate to have Abundant Water's treasurer Neha Pathak join us.

As her career, Neha is a chartered accountant with experience in professional services, commercial and public sectors. Neha currently works for one of the big four accounting firms providing project finance support to government agencies. Born in Delhi and raised in India, Neha saw how difficult life can be for a lot of people in this world, and realising how lucky we are to live in Australia, she is passionate about giving back to the global community to help the less fortunate.

Neha was ably assisted in her presentation by Jarek who operated the slides and computer support

Put simply, Abundant Water is an organisation that aims to help remote communities stop disease and death with clean water. By sharing their innovative clay-pottery water filter technology, training local potters in how to make the filters and helping the remote villages increase their understanding of hygiene and sanitation, Abundant Water ensure that communities have clean water long after they have left.

Read more of Neha's talk and the excellent achievements of Abundant Water at page 2.

Noa is Here

Our long awaited Rotary Oceania Medical Aid for Children (ROMAC) child is due to arrive on Sunday 24 October (and has indeed arrived as planned). Chilly drove to Sydney to collect Noa and his accompanying Grandma from Sydney airport on Sunday morning and has brought him safely back to Canberra where they will stay with Chilly and Pam until he has his operation in November and is well enough to return to Fiji.

Read more about Noa and ROMAC on pages 4 and 5, and also page 9.

Hi, I am back again for another brief experience as Guest Editor as Chris had a commitment in Sydney and missed this meeting.

What a pleasure to write this edition which contains the gist of last week's guest speaker on Abundant Water, and the great news of Noa's arrival, and some great photos of the second stage refurbishment of the Jerra Fitness Trail.

Plus the weekly meeting summary, news on the Dragon Boats Regattas and of course the weekly market report, and some adds that may interest members.

Please enjoy.
Paul

Don't forget, deadline for contributions to the newsletter is Sunday 5pm.

NOVINOPHOBIA
The fear of running
out of wine

Abundant Water – Neha’s talk continued from page 1

Neha provided members with a brief update on how Abundant Water was progressing.

In its Village Installation Program, 790 filters have been installed into full use, more are scheduled for November 2016.

In its Social Business Program, which involves training vendors to sell the filters, 9 vendors have been trained thus far, and they have been responsible for selling 200 filters to date. Another 90 filters are ready for sale.

Neha demonstrates the operation of a water filter

Neha mentioned that the cost of each filter is about \$30 and it will last for about 2 years. As more vendors are identified and trained, the supply of filters will increase and the scale could be huge. Not only will people in remote areas have access to quality drinking water, there will also be many micro business opportunities to help build the economies in these areas.

Abundant Water’s aim is to provide clean water to as many people as possible through the provision of the water filters. Neha noted that the water filters can be made from local materials and be easily adapted to any local context. This makes the process very sustainable at a very low cost.

Neha also talked of the recent expansion of their service into Nepal. Planning started in late 2015 when a need was identified to assist in the country’s recovery after the severe earthquake. A pilot program was launched in the first quarter of 2016. Initial market testing with potential filter vendors was conducted to ensure the filter could be successfully introduced and sold. Then training workshops for a couple of start-up businesses to assess market demand and capabilities. Through this process Abundant Water can feel confident they are providing the right communities and the vendors with sustainable and locally appropriate clean water solutions. Currently 3 vendors are in operation with 50 filters sold. 2 further candidates are under training. Kathmandu E-Rotary Club has become involved. The progress is being monitored and evaluated to ensure continued successful development.

Neha highlighted how the Nepal experience has been a great example of a quick turn around when needed, and has also demonstrated the value of bringing the social and business elements together for a scalable and sustainable solution.

Learn more about Abundant Water by visiting their website at <http://abundantwater.org/>

At the conclusion of Neha’s most interesting update on Abundant Water, Chilly thanked Neha in the traditional way and presented her with a book, which Neha signed on behalf of Abundant Water and duly donated back to the Jerra School Library as part of The Rotary Literacy Project. (Left to Right, Chilly, Neha, and President Liz)

The Dragon Boats

After the cancellation of the first Dragon Boat Regatta the Jerra Rotary BBQ cooks were pondering whether they would again gain a reprieve due to the weather. But alas this was not to be the weather held good and the second Regatta went ahead as planned.

Task for the day – get out amongst the community and promote Rotary through a little bit of catering. That being a brekky/lunch service to the Dragon Boat crews and their supporters while at the same time hopefully raising funds towards one of our projects.

The three-man crew rostered for the day were Liz, Paul and Chilly with a 6.30am start and a 2pm finish. This basically meant being there from 6am until 3pm to ensure a good set up and a clean tidy up.

First boats in the water for an 8am heat. Takings for the day after costs \$360.00, Plus a generous free feed of Bacon and Egg rolls for 27 volunteers.

Next event is scheduled for October 29 and it is hoped more people will partake in the Rotary food, now that attendees know the feast will be there.

Schedule looking forward. If you can assist with any of these events, we need a three man crew for each. Please let Anton know, as he will be one of the three on every occasion (he volunteered).

- Regatta 3 (200m and 2000m) Saturday, 29 October - this will include schools from NSW;
- Regatta 4 (500m) Saturday, 19 November;
- Regatta 5 (200m and 2000m) Saturday, 10 December;
- Regatta 6 (500m) Saturday, 21 January 2017;
- Regatta 7 (500m) Saturday, 4 February;
- Regatta 8 (200m and 2000m) Saturday, 4 March;
- Saturday, 18 and Sunday 19 March National Capital Dragon Boat Festival - this will include Corporate teams and the day is from 0700 - 1600;
- Regatta 9 (500m) Saturday, 1 April.

LAST WEEK'S MEETING – WITH President Lizzy in the chair

GUESTS FOR THIS WEEK: Neha Pathak and Jarek from Abundant Water, Steve Fielding – our Assistant Governor, , David Parkinson, guest of Steve F, Diane and Steve Mulvaney, guest of Pres Liz, and our always present Friend Vera and Hon Member Alex.

APOLOGIES THIS WEEK: Unfortunately the Attendance Officer fled the meeting before the President convened business, so apologies were not noted. We do however know that David Stevens and Cathy and Colin Hobbs are swanning it overseas on Leave of Absence. Also, Anton has taken his beautiful bride to Vietnam, and Chris was an early apology due to a Sydney work commitment. Bev was at the Board meeting on Tuesday as was Chris so they count as Make-ups. Not sure about Andrea, Vicky and Bev, they are out there somewhere.

CHARGE TO AUSTRALIA: Bruce delivered the Charge

TOAST TO ROTARY INTERNATIONAL: Sue Jarvis toasted Rotary International (Twice)

OUR VISION STATEMENT –

“A vibrant and fun-loving community group actively making a difference both locally and internationally.”

OUR ELEVATOR SPEECH -

“Jerrabomberra Rotary is a group of like-minded people who come together to serve the community and to make sure they have a good time doing it. We have lots of programs that impact on youth, the aged and the disadvantaged. We are active locally but also internationally as we are a global organisation.”

REPORTS FOR THE WEEK:

PRESIDENT LIZ'S REPORT:

- Pres Liz commenced a lengthy report by reminding all that their last chance to register for the District Conference would be Friday 21st October -ie Tomorrow (now past). 7 people already registered.
- Next the Pres promoted the RI Foundation Dinner to be held on Saturday 19 November. A great opportunity to support our Charity. Names taken to attend, included Paul and Sue Roger (already registered) Liz and Mez, Bruce, Jan, and tentatively Chilly, Paul Robey, Kaz, and Rose M. This will give us enough to take a table of 10 and benefit from the District Governors offer, that for every club that takes a table of 10, District will allocate a Paul Harris Credit in the club's name (conditions apply). It was decided we will take up this offer and Paul Roger was volunteered (nominated) to coordinate the attendance and booking of the table. **Please note attendees must register and pay themselves via the District Website.**
- Pres Liz disappointingly advised members of the postponement of the Joint Club event between Canberra Club and ourselves, due to a lack of numbers to make it viable. A renewed attempt to organising something between the two clubs will be tried in the New Calendar Year.
- On a happier note, Pres Liz noted that the Phase 2 of the Fitness Trail refurbishment was scheduled for Sunday 23 October with Paul Robey as team captain backed up by Kaz and Paul and Sue Roger. (See photos later in this edition)
- To conclude her report, Pres Liz mentioned that Carolyn was making enquiries on the club's behalf to organise a wine tour and dinner as the club's Xmas party. Current plan is for an afternoon tour of two wineries and then settling down for an evening meal at Murrumbateman Winery. More details coming soon.

MEZ MULVANEY'S SECRETARY'S REPORT:

- No report from the Secretary this week as Mez was missing in action.
- However, Pres Liz did circulate the Rotarian Magazine for perusal, and advised that correspondence from Canteen indicated they are having a Liquorice Allsorts Trivia Night on Wednesday 9 November. Anyone interested should contact Canteen direct.

TERRY SPENCER'S TREASURER'S REPORT:

- Terry had nothing to report, as he had left the meeting before business commenced. As the joker went off two weeks ago, no-one seemed overly interested in treasury stuff anyway.

CATHY HOBBS'S YOUTH & VOCATIONAL SERVICE REPORT:

- Cathy is enjoying Canada at present, so Sue R stepped in with a brief Youth Report.
- Sue reported that Anton had referred a possible RYLA student, however it turned out they lived in Bruce and were not local. Sue has advised the candidate to register online, and referred the candidate to the RYLA chair who will ensure a suitable club closer to Bruce picks her up when she registers.
- Sue also advised that registration for Home Hosting of NYSF students was now open, via the District website, and encouraged members to register to host student next January.
- Sue closed by advising that Jaslin, our own nominated and sponsored, NYSF student will be invited to attend a club meeting (most likely November 3) so that all members can meet her.

BRUCE MILLER'S INTERNATIONAL & FOUNDATION REPORT:

- Chilly very excitedly broke the news that Noa was finally ready to make the trip to Canberra and he would be picking him up from Sydney Airport after his flight from Fiji on Sunday. A quick reminder for members, Noa is an 8-year-old child with a genital deformity that is life threatening. He was approved by ROMAC some time ago to come to Canberra for his life changing surgery, but a series of paperwork challenges, including lost passports, have delayed the trip for several months.

Noa and his accompanying Grandma (pictured right with Chilly) will stay with Chilly and Pam for the duration of his stay. The operation will likely be in early November, subject to all health issues being in order. Club members will support Chilly and Pam during this time. Sue J will be organising some pre-prepared meals that suit Noa's diet. Chilly also advised that all going well he will bring Noa to the clubs meeting on November 3 for us all to meet him.

Read more about the Noa story at Page

- On a final note Chilly also mentioned that there may be a possible RAWCS project in the Philippines which the club could get involved in and also an opportunity for this project to exploit Abundant Water as well. More info to come at future meetings.

BEV MCKAY'S COMMUNITY SERVICE REPORT:

- Bev was absent so no report on the community side of things.

ANTON PEMMER'S CLUB SERVICE REPORT:

- Nothing to report from Anton as he was absent.
- However it was noted that due to attendance at District Conference next week (from 27 -30 October) there is likely to only be about 8 members around for a club meeting. Strangely enough Abundant Water just happen to have a Trivia Night that evening and it was agreed that in lieu of the club meeting members should attend the Trivia Night in support of Abundant Water. Chilly is going to organise attendance.

GENERAL BUSINESS

- Paul Robey advised he is looking into the Trailer replacement. Paul Roger advised that David Bailey has some great photos of a mean BBQ trailer in use by Rotary at Norfolk Island.
- Sue J advised that the Pram Walking Group BBQ is on Tuesday 15 November and volunteers to cook are needed.

REGULAR HAPPENINGS

SERGEANT'S FINES: There was no fines session.

MEALS: THIS WEEK! It was Pizza this week - as usual too much food, but pretty yummy for those who partook.

Don't forget that the person to notify about meals is **Pam**. See her details at the end of the newsletter.

ATTENDANCE: ??% No-one to report attendance, but on a rough head count and taking into consideration those on LOA and the additional guests, it was pretty high number.

Interest in the joker seems to have dropped off a lot. Can't understand why. Oh perhaps it is because Kaz won \$1030 two weeks ago and now the prize pool is only about \$30 with 50 cards in the deck.

Anyway the tickets were sold, the draw was held and the would you believe it Kaz had the winning ticket again!! Well not so lucky this time when he drew the 8 of Hearts and the Joker lived for another day.

DON'T FORGET!

Weekly Meeting Reminders – Meeting No. 907

**** The market is our cash cow and needs everyone's support!**

- 22/91016 – Paul and Sue R and Terry
- ALL banking to Terry, please.
- Save \$2 a week in your Centurion money boxes for The Foundation!
- Still H/W: Think of some potential members for our list

***** MEETING CLOSED – 8.10 pm **

SOME NEWS FROM THE MARKETS....

PLEASE NOTE - New Email address: Please ensure you update your email contacts list to reflect the new address market.manager@crfm.com.au

**** PLEASE NOTE – THIS IS THE “NEWEST” ROSTER – DELETE ALL OTHERS!**

29/10/16	Cathy	Colin	Chilly
5/11/16	Anton	Jan	Andrea
12/11/16	Mez	Lizzie	Chris

** Details as provided by the Market Master*

Market Roster is current as of the date of publishing however changes may have occurred. Please visit:
<http://portal.clubrunner.ca/9728/SitePage/capital-region-farmers-market/roster>
for the most up to date roster.

Well just as we thought spring might have arrived we were back to chilly conditions. Fortunately, no rain, although it looked pretty ominous at one stage. The blue sky and sun did finally break through around 10am, but the breeze was still arctic.

The caravan shows have all finished, but the popularity of the Home Show in the Fitzroy Pavilion increased traffic with Home Show attendees also having to park in the usual market parking. Not to worry though as quite a few people discovered the markets for the first time as they sought entry to the Home Show.

We had many, enquiries this week about the absence of Gum Tree Pies. Official work from Adrienne is that he is taking a well-deserved holiday. Many people thought this was inconsiderate and were really missing their morning pies. Still the odd ATM enquiry, but now only a minor distraction.

Best lost items for the morning were a set of car keys and a mans wallet. A very relieved lady did eventually turn up to see if we had her keys. But the man took a little more detective work. Drivers licence and many, many credit card sand membership cards gave us a name to announce over the speaker system, but to luck. Nothing in the wallet to give us a phone number. White pages, Facebook, Linked in etc, all to no avail. But wait an old appointment card for an optician appointment. Phoned the optician, very helpful, gave the man a call and he called back to Ninko, and then came back to the markets at 11.15am to retrieve his wallet. He also went over to BoxGum who had handed it is and personally thanked them as well.

Bacon and Egg Rolls, Pizza, Jam donuts, all tested personally and found to be excellent.

We also had several people, including two visitors from Norfolk Island drop by to say what a great job we were doing. (And no they hadn't met David yet, but will look out for him)

Water is needed next week, everything else in abundance.

22 October 2016	Paul, Sue and Terry	Tables \$70.00	Bags \$102.00	Water \$16.00	Books \$00.00	Cooler Bags \$15.00	Donations \$8.00	Total \$211.00
-----------------	---------------------	----------------	---------------	---------------	---------------	---------------------	------------------	----------------

NOTE: Last Saturday market is on 17th Dec with an afternoon market being considered for 22 December dependent on survey of stall holders. There is then a break until January 14th! Yippee!

Reminder on times – Arrive 6.45 am / Set up by 7 am / Parking by 7.30 am / Finish Parking at 11 am / pack up at 11.30 am

Phase 2 Fitness Trail work conducted on Sunday 23 October 2016.

Paul Robey led the team for the restoration of Stage 2 of the Fitness Trail, ably assisted by Kaz and Paul and Sue Roger. The weather was good, with lovely sunshine, but a slight chill in the breeze. The job on this occasion was to sand and oil the wood on the stretch frame and the signage, replace the sign, and de-weed the ground area.

The crew arrived at the pre-appointed time of 1.30pm and got set up. 1 hour and 40 minutes later the job was done, the site cleaned up, and the crew off to find something to do for the rest of the afternoon.

The photos on the following page tell the story.

Before

After

The Noa story

In September 2015, Chilly was advised of Noa and his condition and gave a commitment on behalf of the Jerra Club that he (and we) would do all that could be done to get Noa approved by ROMAC for treatment within Australia.

Chilly then immediately started the process and in February 2016 ROMAC approved Noa as a suitable case for treatment under the scheme, and Canberra was identified as the hospital with the surgeon to do the required life changing surgery.

Then came the fun of working out the task of getting Noa and a carer all the way to Canberra from a small village on the island of Levuka 80 km from Suva, Fiji. (See map). The first step was to fund them Passport process, however when this was done, Grandma managed to lose the new passport but was too embarrassed at first to tell us they were lost. This caused a delay until Granma finally confessed and then they had to reapply.

Lots of forms later (because Grandma was coming and not Noa's father) and then getting a medical visa took more time and more forms. Eventually to resolve things, Noa's Aunty went over to Fiji from Australia and would not leave immigration until they lodged the applications for approval. Finally with Passports and then the medical visa approval, things were looking good.

'Happy days' says Chilly, 'ROMAC can now kick into high gear, and wow are these guys & Gals good at what they do'

But wait, we still have to deal with Fiji airline, one minute their flying out of Nandi, not Suva, no Nandi, no Suva Then Friday morning (they are flying on Sunday) some low ranking official in Fiji Air says they won't let them on the plane without a return ticket. Messages are sent to Chilly who gets on to ROMAC, who send over a return open ended ticket and happy days again.

13 months from the day it all began, Noa and Grandma (Emele (sounds like Emlay) wake up ready for their journey. at 1:30 am, fly Suva to Nandi and then catch their plane to Sydney. Arriving on Sunday morning to be met by Chilly and a Fijian lady Wati (interpreter & friendly face) to drive to Canberra.

Quite a saga, but the journey has only just started. Noa will now acclimatise here in Canberra with his Granda. Staying with Chilly and Pam. Once considered fit and well for surgery, the hospital will arrange for the surgery to be conducted in early November. An exciting time for all, but especially exciting for Noa who looks forward to the surgery that will give him a change to live normally.

Noa is pictured here settling into Chilly and Pam's place.

Mission Statement

ROMAC provides surgical treatment for children in Australia and New Zealand from developing countries from our Pacific Region in the form of Life Giving and/or dignity restoring surgery not accessible to them in their home country.

OUR HISTORY

In 1998 the Rotary Clubs of Queanbeyan and Queanbeyan West Rotary decided to sponsor a new Rotary Club based in Jerrabomberra. Bill Lilley, John Snedden and Peter Jarvis from Queanbeyan West took on the joint roll of mentoring the development of the new club. (Peter Jarvis went on to become our Charter President).

Advertising for potential members began in March 1998. After a successful campaign, the Club was chartered on 18 November 1998 with 26 members.

Initial meetings were held at the Jerrabomberra General Store—the venue was very good until we grew in numbers. We then moved to the Jerrabomberra Community Centre for a few years, and we now meet at the Jerrabomberra Public School Staff Room, on Thursdays (6.15 for 6.30 pm).

(Charter) President Peter Jarvis ran competitions to select a name for our Club Newsletter and a design for the Club banner. There were some good and some not so good suggestions. Pam Spencer suggested the winning bulletin name 'Jerraganda' and David Stevens was the successful designer of our club banner. The design incorporated a goose and the windmill associated with the original entrance to the estate adjacent to the Community Centre. Both the Jerraganda and the Club logo have evolved to keep pace with modern times.

We have always been, and continue to be, a vibrant and fun loving club providing valued community service, both locally and internationally. Our motto is,

“Doing Good and Having Fun”
