A REALLY BIG NIGHT! LOTS OF VISITORS AND SPEAKERS!

What a great night! Speakers from our youth ambassadors to RYLA and NYSF and also lots of new friends wanting to know more about Rotary. Thank you to our young presenters who kept us enthralled and in awe of their abilities to speak so confidently and intelligently about their experiences. An extraordinary time for our club!

NYSF SPEAKER – Jasmine

RYLA SPEAKER - Meg

Dear Everyone,

The return of the two sisters from the top table – that's you, Lizzie and Mez, made for a memorable night as well as our guests who came out in force.

Must have been all the advertising and promotion for the Australia Day BBQ! It worked and we had good friendship and fellowship on the night.

Bon voyage, Jude – back to W.A. – we await your return! Travel well.

Don't forget to book for the Bowling Night on the 23rd Feb. It could be another great event. Thanks to Anton!

SORRY! Decided in the interests of time to combine 2 editions!

Don't forget! Would love market reports to be sent to me by the Sunday afternoon so that I can complete the Jerraganda. Any photos would also be great – just email to me on: chris.hunter@det.nsw.edu.au Any reminders or extra news, also just email me

Enjoy,
Chris Hunter

A MESSAGE FROM JUDE

I enjoyed the read of Jerraganda 27 very much and the opportunity to update my memory bank!

Please pass on my gratitude to those members who again made me feel so welcome, at the Jerra Hotel gathering, the Australia Day Breakfast and the Meeting last night, which was full of fellowship, and enough fun to entice a new member or three! I trust the wine left will fuel next week's meeting a little whilst showing appreciation.

I have also enjoyed meeting members, past n present, on three occasions at the Friday Coffee Club... you learn so much local, n not so local happenings by 'just chatting'! Thank you to those I shared a coffee or tea with!

I made a new year promise to myself to raise funds in support of Brain Cancer Research, by putting \$1 in a Terrimundi Pot, for every coffee shared with a friend, 10, 8 n 5 today, has \$23 in the pot because of Jerra Rotary friends alone. By the time I leave Monday evening there will be over \$30. This is a twelve month personal goal, set in support of a young nephew with a huge fight for life on his hands. Thank you for being part of it! Golly when started I keep going. I think it is called waffle!

So to close, I extend a HUGE amount of gratitude to Jan, for her encouragement, Cathy and Colin for their caring taxi service, likewise Paul and Sue for their offers and lunch today. And, I didn't realise Carolyn was not a member, but she made the effort to attend to catch up... so blessed knowing you all!

Til next time...

In Rotary, Fellowship, Friendship with Fun...

Jude

A community project of The Rotary Club of Hall

Here is the market report for 4/2/17 by Mez

Marketeers were Mez, Dizzy and Kaz.

What a busy and dramatic day we had! The day started ok and we were all set up by 7am. Kaz was a little shell shocked and couldn't comprehend what on earth people were doing up so early. We had a lady come and ask if anyone had handed in a wallet. I took her details and advised we would contact her as soon as it turned up. Not too long after, a lady handed in a wallet she found in the bin when throwing out her coffee cup. I rang the owner who although relieved, was very upset that all her cash had been taken. She advised that her wallet had been stolen from her hand bag. I reported the theft to Ninka who advised that there was a similar incident last week, though the wallet had been dumped at a stall instead of in the bin.

Kaz and I had to laugh when a woman came and said, 'is there no longer an ATM here'? When I pointed out where it was, she was surprised and said, 'it used to be next to you'. Mmmm obviously not a regular market goer!

A mum came and advised that her son Isaac was lost. He was 9 years old and just disappeared. I made an announcement for Isaac to report to the office. 2 minutes later Isaac appeared, very upset, which then reduced his mum to tears. I suggested his mum needed a hug as well, and next thing Isaac's little brother pulled me into a group hug. Very cute.

Both the Orange man and the sweet biscuit man were due back today but due to personal family reasons are not back until next week. Many of the market goers were not happy!

An elderly gentleman took a tumble and looked like he had broken his nose, however he refused to allow an ambulance to be called and insisted he was fine.

A market patron advised that someone had left their keys in the boot of their car. She had taken note of the rego and Kaz stood guard until the shopper returned!

A lady had a bit of a turn however also refused an ambulance. We organised for her friend to bring the car in so he could take her home.

All in all... a pretty eventful day!

Here is the market report for 11/2/17 by Paul Roger

Marketeers were Paul, Sue & David Parkinson.

The morning started with a mild 22 degree temperature and a weather forecast for it to reach 35 degrees by 11am. It did not disappoint at the time of departure the temperature at the EPIC showgrounds was 37 degrees. The new gazebo at the parking gate was brilliant in terms of the shade it provided, although it is definitely a two person job to erect it.

What do people do on hot days, they still shop, but they also drink a lot of water. We took 3 slabs in anticipation of the heat, but had to pop across to the garage for a fourth slab and extra ice at about 10.00am. All up we got through 4 slabs of water and three bags of ice, much to the happiness of the hot shoppers.

The rest of the morning was pretty much as usual, the Blueberries were in demand with the very popular lady stall holder selling out by about 8.30am and the second stall being severely depleted later in the morning. The Orange stall (directly opposite our stall) was due back from holidays, but fell ill on Friday so did not make it. This meant no ranges and no cold slushies either which drove many an enquiry at our stall, but also helped our water sales.

Dave, who was on his first market stint, took to things like a duck to water, and was all over carparking duty and question handling. Another tick on the probationary check list at Dragon Boat BBQ in a week or so and he will be an old timer before you know it.

A final note our equipment, some strong Rotarian in recent weeks has managed to snap a support bar on our front office table stand, and bend another one close to breaking point. Mez and Liz reported this last week and insist they found it like that !! The table can still be used, but please handle with care when setting up and closing it down to put away. The club will order in replacement bars and swap out the broken and bent ones once the new ones arrive.

PLEASE ALSO NOTE: Next week (18 Feb 2017) is the final market before the Royal Canberra Show (when there are no markets that week). We need to make sure we leave no loose items in the office. Members rostered on should work with Adrianne or Nynka to achieve this.

OUR HISTORY

In 1998 the Rotary Clubs of Queanbeyan and Queanbeyan West Rotary decided to sponsor a new Rotary Club based in Jerrabomberra. Bill Lilley, John Snedden and Peter Jarvis from Queanbeyan West took on the joint roll of mentoring the development of the new club. (Peter Jarvis went on to become our Charter President).

Advertising for potential members began in March 1998. After a successful campaign, the Club was chartered on 18 November 1998 with 26 members.

Initial meetings were held at the Jerrabomberra General Store—the venue was very good until we grew in numbers. We then moved to the Jerrabomberra Community Centre for a few years, and we now meet at the Jerrabomberra Public School Staff Room, on Thursdays (6.15 for 6.30 pm).

(Charter) President Peter Jarvis ran competitions to select a name for our Club Newsletter and a design for the Club banner. There were some good and some not so good suggestions. Pam Spencer suggested the winning bulletin name 'Jerraganda' and David Stevens was the successful designer of our club banner. The design incorporated a goose and the windmill associated with the original entrance to the estate adjacent to the Community Centre. Both the Jerraganda and the Club logo have evolved to keep pace with modern times.

We have always been, and continue to be, a vibrant and fun loving club providing valued community service, both locally and internationally. Our motto is,

“Doing Good and Having Fun”
