Every Governor that has preceded me has always stated that he or she is amazed to find out during the club visits the amount of work that is done by our clubs. I am no different having met with several Boards of clubs during the latter part of July. I sometimes wonder where they are going to find the time to do the upcoming projects they have planned. The benefits to our communities both locally and globally are immeasurable.

August is also a busy month for our Youth Exchange students with an Orientation Camp in Tuross Head. To those clubs who are hosting this year thank you – the benefits to not only your club but to your community by hosting an international students are great.

Model United Nations Assembly will be held at Old Parliament House on the weekend of 20th and 21st August. Garth Britton and the Rotary Club of Canberra Sunrise again have this organised to perfection.

Those clubs who are involved in nominating students for the Four Way Speaking Competition should note nominations close on the 31st August. Please contact DGN Margaret Hassall hassall.m@bigpond.com.

Can I ask those Rotarians in Canberra and the outer lying areas to give some thought to hosting students attending the National Youth Science Forum in January 2017. The hosting is only for a day either Sunday 8 or Sunday 22. Hosts will be required to collect the students from Burgmann College at the ANU, take them home for a day of rest, allow them to do some washing and give them lunch and dinner then return them back to the college in the evening. For further information or to volunteer to host between 2 and 4 students on either or both of these days please contact the District Chair, Tony Trumble at trumblerotary@gmail.com.

Our ROMAC child, Charles Rao is making good progress. He was discharged from hospital on 22 July. Charles and his mother Mary are staying with Ash and Leanne Pagett (Rotary Club of Canberra Weston Creek) who are their carer family. Charles needs to stay in Canberra for three months to ensure his nutrition improves and he is gaining weight. It is anticipated they will go home in early October.

REMEMBER! AUSTRALIAN ROTARY HEALTH

- Take a walk with a Rotary Friend! (Don't forget to wear your Rotary shirt! Free advertising!)

- Be a fit and healthy Rotarian!

You don't have to be famous to enjoy a fun night out!

Now into its 6th year, Rotarians and friends have the opportunity to again enjoy this very different, very enjoyable social event. The many humorous photos beamed onto large screens accompanying each trivia question, the relaxed, social environment and of course the fact that you're supporting ROMAC, a Rotary project run by volunteer Rotarians throughout Australia and New Zealand that changes and saves underprivileged children's lives, makes this entertaining night

out a winner.

Please join us and once again enjoy a fun night of trivia. Speaking of which, this year you could easily win and show everyone that yours is the smartest Rotary Club around! But only if you're smart enough to accept this light-hearted challenge and bring your partners, friends and potential new members to the friendliest, most fun trivia night out you've had!

Date: 4:30 for 5:00pm start, Sunday 25th September 2016.

Venue: Bomaderry Bowling Club, 154 Meroo Rd, Bomaderry.

Cost: \$45 p/p for a 2 course meal plus tea, coffee and cake afterwards.

A request: Please consider helping Rotarian volunteers continue saving children's lives with your club donation: \$500, \$1,000, \$1,500 or whatever you can.

On behalf of the children whose lives you'll save, thank you.

Reports this week by: Peter

A community project of The Rotary Club of Hall

6 August -

Sue and Peter arrived at EPIC to discover Chilli hard at work putting up the stall by himself. Bruce turned up and we had the Rotary information stall up very quickly.

Many stallholders were away. The Bombolino Donut stall (Stall 1) was very popular but by the time I got there it had sold out, packed up and gone. Only three stalls had rented tables, Boxgum Grazing, Dream Cuisine and Dom's Bread.

One silly person on the gate (not Sue or Chilli) refused entry to the Market Manager. Oh dear!!! I did have my dark glasses on.

I had a great chat with the owner of Kurrajong Meats. He was wearing a footy top with Wellington (NSW) on it. We talked about our experiences there. I told him my Volkswagen motor seized just outside Wellington in 1965. After the NRMA towed it into the VW dealership Sue and I hitched a ride to Bathurst with a family with a very noisy baby. And two more kids. No seat belts in those days. No lost children, wallets, shopping bags etc. We did have one bag on display, a very expensive looking shopping bag on wheels which was handed in a few weeks ago full of a certain type of vegetable. It had to be cleaned out and dried and was on display but no-one claimed it. We wondered why anyone would buy that many of that particular vegetable. Maybe the bag belonged to an ex WW2 night fighter pilot. Ask Sue, Chilli or myself at the next meeting what was in it so you can make sure it goes to the right person.

OUR HISTORY

In 1998 the Rotary Clubs of Queanbeyan and Queanbeyan West Rotary decided to sponsor a new Rotary Club based in Jerrabomberra. Bill Lilley, John Snedden and Peter Jarvis from Queanbeyan West took on the joint roll of mentoring the development of the new club. (Peter Jarvis went on to become our Charter President).

Advertising for potential members began in March 1998. After a successful campaign, the Club was chartered on 18 November 1998 with 26 members.

Initial meetings were held at the Jerrabomberra General Store—the venue was very good until we grew in numbers. We then moved to the Jerrabomberra Community Centre for a few years, and we now meet at the Jerrabomberra Public School Staff Room, on Thursdays (6.15 for 6.30 pm).

(Charter) President Peter Jarvis ran competitions to select a name for our Club Newsletter and a design for the Club banner. There were some good and some not so good suggestions. Pam Spencer suggested the winning bulletin name 'Jerraganda' and David Stevens was the successful designer of our club banner. The design incorporated a goose and the windmill associated with the original entrance to the estate adjacent to the Community Centre. Both the Jerraganda and the Club logo have evolved to keep pace with modern times.

We have always been, and continue to be, a vibrant and fun loving club providing valued community service, both locally and internationally. Our motto is,

“Doing Good and Having Fun”
