Board Members also met before the meeting to update DG Steve on the club's progress.

AG Steve Field also was present and warmly welcomed.

ROTARIAN MISS UNIVERSE – HELP MAKE IT HAPPEN!

Is that a vote from you, Chilly?

Larissa Allen is one of Rotary New Zealand's youngest Rotarians, joining Tauranga Sunrise when she was 23 and now aged 25. She has recently entered Miss Universe NZ and is now one of the top 20 finalists.

In her own words she entered "because I thought it would be a good opportunity to reach out to organisations I am passionate about and use the title to do some good. I am super passionate about children and youth, keeping them safe and seeing them thrive. The charity we support is Variety - The Children's Charity and I am currently fundraising to support these kids of NZ in deprivation."

Larissa already sponsors a Kiwi child by herself and "can't wait to sponsor even more." She is a mentor for youth through the Graeme Dingle Foundation programme Project K and sits on the board of her local theatre. She is also a RYLA graduate and graduated with a Bachelor of Communication Studies from Waikato University.

She has set up a everyday hero page to fundraise which can be accessed here:

<https://missuniversenz2016.everydayhero.com/nz/larissa-allen>

She has a simple goal of \$2500 in total. So far she has only reached \$120.75. Surely her fellow Rotarians can help her do better than that! If Rotarians and Clubs contribute she will be well on her way.

The two contestants who have the highest fundraising totals will receive immunity from elimination during the Grand Final when the contest moves from 20 to 10. To be on the front page and one of the top five fundraising she needs to reach less than \$800 so far.

Reports this week by: Cathy

13 August -

A bit quiet today. Many stall holders away. Many Bombolini donut enquiries, a few ATM enquiries. Several enquiries to become stall holders -- gave them Adrienne's info.

One set of car keys handed in. Colin and Terry noticed a few ladies looking around frantically by their car. They were sent to the info stall to retrieve their keys.

One lost wallet handed in by a stall holder. Despite several announcements the owner never came. Therefore, Colin and Cathy drove to the owner's house to return the wallet. He wasn't home. He had apparently returned to the market to retrieve his lost wallet.

Terry has the money. I think it was \$196 in total.

All supplies are good except for bag bases which Anton will deliver to market for next week.

ROTARY AND ANU BRING THE UNITED NATIONS TO CANBERRA

Seventy-five high school students from 28 schools from around Australia will gather in Canberra over the weekend of 20-21 August for the Model United Nations Assembly (MUNA). In teams representing their country of choice, they will debate contemporary global issues in the areas of peace and security, human rights, the environment and development.

MUNA 2016 will be the 20th consecutive year in which the Rotary Club of Canberra Sunrise has organised the event.

It involves secondary students in a hands-on experience of a UN General Assembly style debate with the aim of increasing international understanding and goodwill. Students will dress in the national costume of the country they represent. The event will take place in the historic House of Representatives Chamber of the Old Parliament House, home to the Museum of Australian Democracy. **Professor Brian Schmidt, Vice-Chancellor of the Australian National University will open MUNA 2016 at 9am on Saturday the 20th of August.**

Teams will be judged and prizes awarded. The Totenhofer Peace Prize, a perpetual trophy, will be awarded to the team that is assessed to have made the greatest contribution to the debate and the promotion of world peace. Students will have the opportunity to visit the Australian National University (ANU), a major sponsor of the event. On Saturday evening, students will join diplomats from the countries they represent to attend a dinner jointly hosted by The Rotary Club of Canberra Sunrise and the ANU.

MUNA was first introduced to Rotary in NSW in 1980 and, since then, has been conducted in many Rotary Districts in Australia, New Zealand and Papua New Guinea. MUNA 2016 will mark the participation of some 1,500 secondary school students over the 20-year history of the national MUNA conducted by the Rotary Club of Canberra Sunrise and with the generous support of the ANU.

OUR HISTORY

In 1998 the Rotary Clubs of Queanbeyan and Queanbeyan West Rotary decided to sponsor a new Rotary Club based in Jerrabomberra. Bill Lilley, John Snedden and Peter Jarvis from Queanbeyan West took on the joint roll of mentoring the development of the new club. (Peter Jarvis went on to become our Charter President).

Advertising for potential members began in March 1998. After a successful campaign, the Club was chartered on 18 November 1998 with 26 members.

Initial meetings were held at the Jerrabomberra General Store—the venue was very good until we grew in numbers. We then moved to the Jerrabomberra Community Centre for a few years, and we now meet at the Jerrabomberra Public School Staff Room, on Thursdays (6.15 for 6.30 pm).

(Charter) President Peter Jarvis ran competitions to select a name for our Club Newsletter and a design for the Club banner. There were some good and some not so good suggestions. Pam Spencer suggested the winning bulletin name 'Jerraganda' and David Stevens was the successful designer of our club banner. The design incorporated a goose and the windmill associated with the original entrance to the estate adjacent to the Community Centre. Both the Jerraganda and the Club logo have evolved to keep pace with modern times.

We have always been, and continue to be, a vibrant and fun loving club providing valued community service, both locally and internationally. Our motto is,

“Doing Good and Having Fun”
