## DINNER OUT – MEXICAN @ CISCO, KINGSTON.

Basketballs were kindly donated by Canberra Rotary Club to go to Tonga.  
Pres. George Nicola presents to Pres. Liz.

Dear Everyone,

Thank you to Anton for organising a great night out at Kingston for a Mexican meal!

We shared this meal with members of the Canberra Rotary Club who donated basketballs to be sent to Tonga as part of our ongoing association with a club there.

Good food, good company, a delightful night out!

Don't forget – lots of good news and reading on the new, updated and super-doooper Club Runner site!  
Thanks to Bruce.

PLEASE,

**Don't forget!** Would love **market reports** to be sent to me by the Sunday afternoon so that I can complete the Jerraganda. Any photos would also be great – just email to me on:  
[chris.hunter@det.nsw.edu.au](mailto:chris.hunter@det.nsw.edu.au)  
Any reminders or extra news, also just email me

Enjoy,  
Chris Hunter  
Editor

Thanks, Anton! A fun night was had by all! Bruce with his usual take-a-way!

Everyone was happy!

**SET UP IN MEETING ROOM HAS CHANGED ALREADY!**

Hope it suits better for meetings!

## **THE DRAGON BOATS ARE COMING!**

As you may know our Rotary Club has been given an opportunity to do the catering for this season's Dragon Boat ACT events. This is a great fundraising opportunity for our club.

This will be a very straight forward project that will take three people per event.

The benefits to our club is that it will help us raise funds for the extension of the Jerra Fitness Circuit that will enable people with a disability to also use the equipment.

How can you help? I hear you ask. It's simple I am calling for volunteers to help me with this project.

I need your time from 6.30am till 1.30pm to help with a breaky/lunch BBQ, bacon egg rolls etc.

The events are as follows:

- Regatta 1 (200m and 2000m) Saturday, 17 September - this will be a Pirate themed regatta and is aimed to be a fun hit out for our first regatta;
- Regatta 2 (500m) Saturday, 15 October;
- Regatta 3 (200m and 2000m) Saturday, 29 October - this will include schools from NSW;
- Regatta 4 (500m) Saturday, 19 November;
- Regatta 5 (200m and 2000m) Saturday, 10 December;
- Regatta 6 (500m) Saturday, 21 January 2017;
- Regatta 7 (500m) Saturday, 4 February;
- Regatta 8 (200m and 2000m) Saturday, 4 March;
- Saturday, 18 and Sunday 19 March National Capital Dragon Boat Festival - this will include Corporate teams and the day is from 0700 - 1600;
- Regatta 9 (500m) Saturday, 1 April.

At this stage I can do nearly all of the events except for the 15th October.

I would like two people who could do the 17th Sept with me as well as doing the 15th October that way they will know what is required as I will be away on the 15th October.

After that I will need two people per event to help me.

Please email me as soon as you can on your availability, [pemmera@bottlesofaustralia.com.au](mailto:pemmera@bottlesofaustralia.com.au)

Also please do not conflict with your market roster.

I appreciate your willingness to help our club.

All the best,

Anton  
Club Service Director

***\*\* Please try to help out!***

### **TERRY'S RESPONSE TO ANTON'S JOKE.**

The Story of the Five Gorillas and the Famous Words “We’ve Always Done it That Way”

There was an experiment involving five gorillas who lived in a large cage. There was a ladder in the centre of the cage, and every day a fresh bunch of bananas was placed high up on top of the ladder.

As soon as one gorilla would attempt to get the bananas, the scientists would spray all the gorillas with cold water. This process was repeated when any gorilla tried, and eventually the gorillas all stopped trying.

Some time passed, and the gorillas were still leaving the bananas alone. At this point, the scientists removed the cold water from the experiment and replaced one of the five gorillas with a new one.

As soon as the new gorilla saw the bananas it attempted to climb the ladder. But this time, instead of being sprayed with cold water, the other gorillas attacked him and prevented him from getting the bananas!

They didn't want to get sprayed with cold water again, so they made sure the new gorilla stayed away from the bananas. After a couple of attempts (and attacks), the new gorilla learned to leave those bananas alone.

The scientists then replaced yet another gorilla. The second replacement did the same thing as the first new gorilla, and it too was attacked. Amazingly, even the first new gorilla, who knew nothing about the sprays, took enthusiastic part in the attacks.

The process of replacing gorillas was repeated until all five original gorillas had been replaced with new ones. Each time a new gorilla attempted to get the bananas, it would be stopped by the other gorillas.

None of the gorillas in the cage knew why they shouldn't be climbing the ladder, yet none of them would try again, nor would they allow the other ones to do so.

The only reason for their behaviour was that it's just the way things have always been done.

## OUR HISTORY

In 1998 the Rotary Clubs of Queanbeyan and Queanbeyan West Rotary decided to sponsor a new Rotary Club based in Jerrabomberra. Bill Lilley, John Snedden and Peter Jarvis from Queanbeyan West took on the joint roll of mentoring the development of the new club. (Peter Jarvis went on to become our Charter President).

Advertising for potential members began in March 1998. After a successful campaign, the Club was chartered on 18 November 1998 with 26 members.

Initial meetings were held at the Jerrabomberra General Store—the venue was very good until we grew in numbers. We then moved to the Jerrabomberra Community Centre for a few years, and we now meet at the Jerrabomberra Public School Staff Room, on Thursdays (6.15 for 6.30 pm).

(Charter) President Peter Jarvis ran competitions to select a name for our Club Newsletter and a design for the Club banner. There were some good and some not so good suggestions. Pam Spencer suggested the winning bulletin name 'Jerraganda' and David Stevens was the successful designer of our club banner. The design incorporated a goose and the windmill associated with the original entrance to the estate adjacent to the Community Centre. Both the Jerraganda and the Club logo have evolved to keep pace with modern times.

We have always been, and continue to be, a vibrant and fun loving club providing valued community service, both locally and internationally. Our motto is,

**“Doing Good and Having Fun”**
