## Dear Rotary Family

### Welcome to the new Rotary year

Jerra Rotary held their first meeting of the new Rotary year on July 5<sup>th</sup>. President Robert (Chilly) Chilman did a great job with the assistance of his trusty secretary Cathy Hobbs and Treasurer John Askew.

The meeting format was kept the same with dinner served at 6:30 pm and the meeting starting at 7:00 pm beginning with the Charge to Australia.

Our guest speaker was Zac. He was our National Youth Science Forum (NYSF) representative student from last year. Zac spoke about the virtues of NYSF and thanked the club for giving him the opportunity to interact with fellow young scientists. The NYSF Year 12 program is a 12-day residential program designed to give students a broader understanding of the diverse study and career options available in science, technology, engineering and mathematics. Our Club has a rich history of involvement in this wonderful youth program. If you are interested in getting involved have a chat with Ian our Youth Director.

A very special welcome to our newest members Rick and Angela Brown and returning member David Bailey. We would also like to welcome ex-member and our newest friend of Rotary Peter Collis. Dropping in for a visit was our wonderful friends and still current members Sue and Paul Roger. Also in attendance the lovely Anne Davis and Liz Miller.

Birthdays are special and we celebrated the members who have birthdays in July. Happy Birthday Geoffrey and Bruce.

## Youth

Ian Wholohan was our Youth director last year and continues his good work this year. Ian is planning a very busy year by supporting RYLA, RIPN, NYSF and Juniors on watch. If you do not know what the above acronyms stand for Ian would be happy to inform you.

The youth of today will be our leaders of tomorrow. Ian believes the more we invest in our youth today the brighter the future will be for them and the world.
