### ROTARY FELLOWSHIPS ~ Rob Woolley

Anton kindly introduced Rob Woolley from the Rotary Club of Canberra – Past District Governor, and owner of many vintage vehicles. Naturally, Rob belongs to the Fellowship for Antique Cars and Vintage Vehicles which quite a prolonged and fancy name but was obviously thriving.

Rob made the following points during his presentation:

- The Wine Appreciation Fellowship was widely known amongst our club and many other in the Canberra district – for good reason, I would say! Rotary Fellowships started in 1928.
- They are based on Rotarians who have a common interest.
- They enhance the whole Rotary experience.
- It is a great way to meet international Rotarians.
- You can make useful connections which can be used around the world.
- There are about 50 Rotary Fellowships.
- A great one is the International Travel and Hosting Fellowship which Covers clubs worldwide and allows you to stay 3 days with hosts.
- There are fellowships for almost everything!
- You have to have 3 different countries involved to start a fellowship.

The message is: Join with like-minded Rotarians and have a ball!

(Oops! I had a great photo of Rob and Pres. Mez.....but accidentally deleted it in the transfer process! Apologies Pres. Mez – you did look great – as always!

So just a photo of Rob and thank you so much for the interesting information.

President Mez welcomed all to the meeting.

Tonight we had a special guest in Rob Woolley – a fellow Rotarian who spoke to the club about The Rotary Fellowships and they fit into the Rotary organisation.

Tonight we farewell the Tonga team and wish them well on their adventure. One Rotarian was heard to offer Lizzie advice – “Sleep on the top bunk in case there is a tsunami!” Very helpful – not! Have a great time team and come back safely. Never fear, Chilly is here! (What am I saying?)

Don't forget! Would love market reports to be sent to me by the Sunday afternoon so that I can complete the Jerraganda in a timely fashion. Any photos would also be great – just email to me on:  
[chris.hunter@det.nsw.edu.au](mailto:chris.hunter@det.nsw.edu.au)

Any reminders or extra news, also just email me a reminder to include them. All inclusions welcomed!

Enjoy,

### OUR HISTORY

In 1998 the Rotary Clubs of Queanbeyan and Queanbeyan West Rotary decided to sponsor a new Rotary Club based in Jerrabomberra. Bill Lilley, John Snedden and Peter Jarvis from Queanbeyan West took on the joint roll of mentoring the development of the new club. (Peter Jarvis went on to become our Charter President).

Advertising for potential members began in March 1998. After a successful campaign, the Club was chartered on 18 November 1998 with 26 members.

Initial meetings were held at the Jerrabomberra General Store—the venue was very good until we grew in numbers. We then moved to the Jerrabomberra Community Centre for a few years, and we now meet at the Jerrabomberra Public School Staff Room, on Thursdays (6.15 for 6.30 pm).

(Charter) President Peter Jarvis ran competitions to select a name for our Club Newsletter and a design for the Club banner. There were some good and some not so good suggestions. Pam Spencer suggested the winning bulletin name 'Jerraganda' and David Stevens was the successful designer of our club banner. The design incorporated a goose and the windmill associated with the original entrance to the estate adjacent to the Community Centre. Both the Jerraganda and the Club logo have evolved to keep pace with modern times.

We have always been, and continue to be, a vibrant and fun loving club providing valued community service, both locally and internationally. Our motto is,

**“Doing Good and Having Fun”**
